Cross-References Cross-references to related statutes, rules, constitutional & Ohio Administrative Code provisions are included. Comparative Legislation References to specific provisions of federal statutes & statutes of other states direct the user to case law construing similar provisions in other jurisdictions. Comparative legislation is particularly useful when dealing with recently enacted Ohio legislation. Research Aids References to Ohio Jurisprudence 3d, American Jurisprudence 2d, Corpus Juris Secundum, pertinent ALR & law review articles, the West Digest Key Number System, & references to text, forms & outlines from Anderson's practice books aid in conducting related research. Case Notes Page's Code is thoroughly annotated with all relevant case notes on decisions, both reported & unreported, of Ohio & federal courts construing Ohio's statutes & court rules. Case Notes also include relevant syllabi of Ohio Attorney General Opinions from 1915 to date & decisions from selected Ohio administrative agencies & are complete with official & parallel citations.
