Secrets of the Terra-Cotta Soldier - Ying Chang Compestine 2014-01-07

In this action-packed adventure and coming-of-age story that finely weaves fact and fiction, thirteen-year-old Ming lives in a small village in Maoist China in the 1970s. His father is

convinced that Emperor Qin's tomb—and the life-size terra-cotta army created to serve and protect the emperor in the afterlife—lies hidden in the hills around them. But if Ming's father doesn't prove it soon, the town's Political Officer will condemn him to the brutal labor camps.

From the stories of a terra-cotta soldier who has survived through the centuries, Ming learns the history of Emperor Qin, known for building the Great Wall of China, and how and why the terra-cotta soldiers came to be. As their unlikely friendship develops, Ming experiences the mysterious tomb firsthand, braving deadly traps and witnessing the terra-cotta army in action. Most importantly, he comes to see how he can save both the terra-cotta soldiers and his father from the corrupt Political Officer and his Communist cronies. The book is illustrated with photographs of Communist Chinese village life in the 1970s, the Great Wall, and, of course, the excavated tomb with its many terra-cotta soldiers. It also features a special recipe from the story. Praise for *Secrets of the Terra-Cotta Soldier* "Historical photos and Indiana Jones-style adventure enrich this tale of an unusual meeting between the Qin Dynasty and the 20th century." --Kirkus Reviews "Despite the hardships, both courageous characters work to

uphold their respective duties: Shi to protect the tomb and Ming to protect the cultural legacy of China's people. With archival art, recipes, and end notes, this title is sure to be a hit in the classroom." --Booklist

Some of Us - Xueping Zhong 2001

Memoirs of women who came of age during the Mao era.

Which Way Is Home? - Maria Kiely 2020-05-12

A riveting debut novel about a family escaping Czechoslovakia after the 1948 Communist takeover--based on the author's own family history. Anna's father disappeared months ago. He had to flee the country because the cruel new Communist government wanted to arrest him. The Communists may have arrived like heroes at the end of World War II, saving Czechoslovakia from the Nazis--but since then, things have changed. Now Anna's whole family feels threatened and doesn't know whom to trust, so she and her mother and sister set out to escape, hoping to reunite with Papa. During

their dangerous journey, they have to hide from the authorities and navigate through the wilderness, constantly relying on people they've never met for help. They have no way to contact Papa and they're running out of options, so putting their lives in the hands of strangers might be their only hope of seeing him again.

Along the River - Adeline Yen Mah 2012-04-10
Bestselling Chinese American author Adeline Yen Mah weaves her authentic accounts of life in China into an absorbing novel about a Chinese girl and her vision of a previous life. After a fall, CC is whisked away to a hospital. As she drifts in and out of consciousness, she is haunted by vivid dreams that seem strange—yet somehow familiar. Thus begins CC's emotional journey back to a privileged life lived eight hundred years ago during the Song dynasty. CC is the daughter of a wealthy and influential man, but she finds herself drawn to a poor orphan boy with a startling ability to capture the beauty of the natural world. As the relationship between

these two young people deepens, the transforming power of art and romantic love comes into conflict with the immovable rules of Chinese society. This stunning fantasy adventure novel, inspired by China's most famous painting, *Along the River at the Qing Ming Festival*, tells the story of a friendship both tender and bold. CC's remarkable journey reminds readers that though time moves on, art and love endure.

China's Continuous Revolution - Lowell Dittmer 1989-01-01

Snow Falling in Spring - Moying Li 2010-03-06
Most people cannot remember when their childhood ended. I, on the other hand, have a crystal-clear memory of that moment. It happened at night in the summer of 1966, when my elementary school headmaster hanged himself. In 1966 Moying, a student at a prestigious language school in Beijing, seems destined for a promising future. Everything changes when student Red Guards begin to

orchestrate brutal assaults, violent public humiliations, and forced confessions. After watching her teachers and headmasters beaten in public, Moying flees school for the safety of home, only to witness her beloved grandmother denounced, her home ransacked, her father's precious books flung onto the back of a truck, and Baba himself taken away. From labor camp, Baba entrusts a friend to deliver a reading list of banned books to Moying so that she can continue to learn. Now, with so much of her life at risk, she finds sanctuary in the world of imagination and learning. This inspiring memoir follows Moying Li from age twelve to twenty-two, illuminating a complex, dark time in China's history as it tells the compelling story of one girl's difficult but determined coming-of-age during the Cultural Revolution. *Snow Falling in Spring* is a 2009 Bank Street - Best Children's Book of the Year.

Wild Girl - Patricia Reilly Giff 2011-01-11

Lidie lives in Brazil, where she rides, a wild girl

dreaming of going to live with her father, Pai, and older brother, Rafael, in New York City. Pai runs a stable at a famous race track. Since her mother died long ago, Lidie has lived with relatives. Now she's 12—ready to leave Brazil for New York. Meanwhile, a filly is born and begins her journey to a new home. As Lidie's story unfolds, so does the filly's. In New York, Lidie finds that moving to another country is a big challenge. And Pai and Rafael still think of her as the little girl they left behind. But she's determined to befriend, and ride, the spirited filly her father has just bought: Wild Girl.

The Woman Who Could Not Forget: Iris Chang Before and Beyond The Rape of Nanking - Ying-Ying Chang 2012-07-01

The poignant story of the life and death of world-famous author and historian Iris Chang, as told

by her mother. Iris Chang's best-selling book *The Rape of Nanking* forever changed the way we view the Second World War in Asia. It all began with a photo of a river choked with the bodies of hundreds of Chinese civilians that shook Iris to her core. Who were these people? Why had this happened and how could their story have been lost to history? She could not shake that image from her head. She could not forget what she had seen. A few short years later, Chang revealed this "second Holocaust" to the world. The Japanese atrocities against the people of Nanking were so extreme that a Nazi party leader based in China actually petitioned Hitler to ask the Japanese government to stop the massacre. But who was this woman that single-handedly swept away years of silence, secrecy and shame? Her mother, Ying-Ying, provides an enlightened and nuanced look at her daughter, from Iris' home-made childhood newspaper, to her early years as a journalist and later, as a promising young historian, her

struggles with her son's autism and her tragic suicide. *The Woman Who Could Not Forget* cements Iris' legacy as one of the most extraordinary minds of her generation and reveals the depth and beauty of the bond between a mother and daughter.

Prisoner B-3087 - Alan Gratz 2013-03-01
Survive. At any cost. 10 concentration camps. 10 different places where you are starved, tortured, and worked mercilessly. It's something no one could imagine surviving. But it is what Yanek Gruener has to face. As a Jewish boy in 1930s Poland, Yanek is at the mercy of the Nazis who have taken over. Everything he has, and everyone he loves, have been snatched brutally from him. And then Yanek himself is taken prisoner -- his arm tattooed with the words PRISONER B-3087. He is forced from one nightmarish concentration camp to another, as World War II rages all around him. He encounters evil he could have never imagined, but also sees surprising glimpses of hope amid

the horror. He just barely escapes death, only to confront it again seconds later. Can Yanek make it through the terror without losing his hope, his will -- and, most of all, his sense of who he really is inside? Based on an astonishing true story.

Hold Fast - Blue Balliett 2013-03-01

From NYT bestselling author Blue Balliett, the story of a girl who falls into Chicago's shelter

system, and from there must solve the mystery of her father's strange disappearance. Where is Early's father? He's not the kind of father who would disappear. But he's gone . . . and he's left a whole lot of trouble behind. As danger closes in, Early, her mom, and her brother have to flee their apartment. With nowhere else to go, they are forced to move into a city shelter. Once there, Early starts asking questions and looking for answers. Because her father hasn't disappeared without a trace. There are patterns and rhythms to what's happened, and Early might be the only one who can use them to track him down and make her way out of a very tough place. With her signature, singular love of language and sense of mystery, Blue Balliett weaves a story that takes readers from the cold, snowy Chicago streets to the darkest corner of the public library, on an unforgettable hunt for deep truths and a reunited family.

Boys without Names - Kashmira Sheth

2011-05-24

Trapped. For eleven-year-old Gopal and his family, life in their rural Indian village is over: We stay, we starve, his baba has warned. They flee to the big city of Mumbai in hopes of finding work and a brighter future. Gopal is eager to help support his struggling family, so when a stranger approaches him with the promise of a factory job, he jumps at the offer. But there is no factory, just a stuffy sweatshop where he and five other boys are forced to work for no money and little food. The boys are forbidden to talk or even to call one another by their real names. Locked away in a rundown building, Gopal despairs of ever seeing his family again. But late one night, when Gopal decides to share kahanis, or stories, he realizes that storytelling might be the boys' key to survival. If he can make them feel more like brothers than enemies, their lives will be more bearable in the shop—and they might even find a way to escape.

Morning Sun in Wuhan - Ying Compestine

2022-11-08

What was the pandemic of the century like at the start? This swift, gripping novel captures not only the uncertainty and panic when COVID first emerged in Wuhan, but also how a community banded together. Weaving in the tastes and sounds of the historic city, Wuhan's comforting and distinctive cuisine comes to life as the reader follows 13-year-old Mei who, through her love for cooking, makes a difference in her community. Written by an award-winning author originally from Wuhan. Grieving the death of her mother and an outcast at school, thirteen-year-old Mei finds solace in cooking and computer games. When her friend's grandmother falls ill,

Mei seeks out her father, a doctor, for help, and discovers the hospital is overcrowded. As the virus spreads, Mei finds herself alone in a locked-down city trying to find a way to help. Author Ying Chang Compestine draws on her own experiences growing up in Wuhan to illustrate that the darkest times can bring out the best in people, friendship can give one courage in frightening times, and most importantly, young people can make an impact on the world. Readers can follow Mei's tantalizing recipes and cook them at home.

Linguistic Engineering - Ji Fengyuan

2003-11-30

When Mao and the Chinese Communist Party won power in 1949, they were determined to create new, revolutionary human beings. Their most precise instrument of ideological transformation was a massive program of linguistic engineering. They taught everyone a new political vocabulary, gave old words new meanings, converted traditional terms to

revolutionary purposes, suppressed words that expressed "incorrect" thought, and required the whole population to recite slogans, stock phrases, and scripts that gave "correct" linguistic form to "correct" thought. They assumed that constant repetition would cause the revolutionary formulae to penetrate people's minds, engendering revolutionary beliefs and values. In an introductory chapter, Dr. Ji assesses the potential of linguistic engineering by examining research on the relationship between language and thought. In subsequent chapters, she traces the origins of linguistic engineering in China, describes its development during the early years of communist rule, then explores in detail the unprecedented manipulation of language during the Cultural Revolution of 1966-1976. Along the way, she analyzes the forms of linguistic engineering associated with land reform, class struggle, personal relationships, the Great Leap Forward, Mao-worship, Red Guard activism, revolutionary

violence, Public Criticism Meetings, the model revolutionary operas, and foreign language teaching. She also reinterprets Mao's strategy during the early stages of the Cultural Revolution, showing how he manipulated exegetical principles and contexts of judgment to "frame" his alleged opponents. The work concludes with an assessment of the successes and failures of linguistic engineering and an account of how the Chinese Communist Party relaxed its control of language after Mao's death.

Dancing to Freedom - Li Cunxin 2008-07-22

In a poor village in northern China, a small boy named Li Cunxin was given the chance of a lifetime. Selected by Chairman Mao's officials from among millions of children to become a dancer, Li's new life began as he left his family behind. At the Beijing Dance Academy, days were long and difficult. Li's hard work was rewarded when he was chosen yet again, this time to travel to America. From there his career

took flight, and he danced in cities around the world—never forgetting his family, who urged him to follow his dreams.

The Day the World Stopped Turning - Michael Morpurgo 2019-07-09

Michael Morpurgo's *The Day the World Stopped Turning* is a middle-grade novel about an extraordinary boy who sees the world differently. In the unique landscape of the Camargue (France) during World War II, Lorenzo lives among the salt flats and the flamingos. There are lots of things he doesn't understand—but he does know how to heal animals, how to talk to them; the flamingos especially. He loves routine, and music too: and every week he goes to market with his mother. It's there he meets Kezia, a Roma girl, who helps her parents run their carousel—and who shows him how to ride the wooden horse as the music plays. But then the German soldiers come, with their guns. Everything is threatened, everything is falling apart: the carousel, Kezia and her

family, even Lorenzo's beloved flamingos. Yet there are kind people even among soldiers, and there is always hope. . .

The Real Story of Stone Soup - Ying Chang Compestine 2007-01-18

A stingy fisherman always makes his three young helpers do all his work. One day he scolds the “lazy boys” for forgetting to provide lunch. “Don't worry,” they say. “We can make stone soup.” The boys dig a hole and fill it with water and “flavored” stones. They trick the fisherman into making bowls and chopsticks, and fetching salt and sesame oil. While he's busy, they stir in bird eggs, add wild vegetables, and slip fish into the soup. By the time the old man returns, they have a feast fit for a king. To this day, “Egg Drop Stone Soup” is a traditional dish in southeast China. A recipe is included.

Games without Rules - Tamim Ansary
2012-11-27

Today, most Westerners still see the war in Afghanistan as a contest between democracy

and Islamist fanaticism. That war is real; but it sits atop an older struggle, between Kabul and the countryside, between order and chaos, between a modernist impulse to join the world and the pull of an older Afghanistan: a tribal universe of village republics permeated by Islam. Now, Tamim Ansary draws on his Afghan background, Muslim roots, and Western and Afghan sources to explain history from the inside out, and to illuminate the long, internal struggle that the outside world has never fully understood. It is the story of a nation struggling to take form, a nation undermined by its own demons while, every 40 to 60 years, a great power crashes in and disrupts whatever progress has been made. Told in conversational, storytelling style, and focusing on key events and personalities, *Games without Rules* provides revelatory insight into a country at the center of political debate.

[Little Red Riding Hood and the Dragon](#) - Ying Chang Compestine 2022-11-01

Award-winning author Ying Compestine reimagines the classic fairy tale "Little Red Riding Hood" from a Chinese perspective. By now, you have probably heard the old folk tale about a girl in a red cape. The truth is that the story took place here in China, there wasn't a woodsman, and I, the gentle wolf, certainly was not the one who ate them. Here is the real story. This is not the story you think you know. In this version of the classic fairy tale, Little Red lives in a village near the Great Wall and trains in kung fu. When she ventures to her grandmother's to deliver rice cakes and herbal medicine, she encounters something much more fearsome than a wolf—a mighty dragon. With her wits and a sword in hand, Little Red must valiantly defend herself and her grandmother in this vibrant retelling from Ying Chang Compestine and Joy Ang. An author's note discusses how this reimagining is influenced by Chinese mythology, symbolism, traditional medicine, and other elements of Compestine's

heritage.

Crouching Tiger - Ying Chang Compestine

2021-02-23

“Poignant but not treacly, *Crouching Tiger* deals with an immigrant child’s conflicting emotions toward a grandparent from the old country . . .

Nascimbene’s delicate ink and watercolor illustrations are exquisite.” — The New York Times Book Review Vinson is very excited when his grandfather comes from China for a visit.

When Grandpa practices tai chi in the garden, Vinson asks to learn, hoping it will be like kung fu, full of kicks and punches. But tai chi is slow and still, and Vinson quickly gets bored. He can’t understand why Grandpa insists on calling him by his Chinese name, Ming Da, or why he has to wear a traditional Chinese jacket to the Chinese New Year parade. But as the parade assembles, Vinson sees the respect his grandfather commands and starts to realize just how cool his grandfather might be.
