Looseleaf for American history: Connecting with the Past - Alan Brinkley 2014-10-07

**American History** - Alan Brinkley 2011-06-01

Alan Brinkley's American History sets the standard for balance of perspective and the exploration of ongoing historical questions. In this AP edition, we are pleased to announce a number of firsts for American History: a new primary-source feature that makes connections between the present and the past; a new pedagogy program that helps students to comprehend and think critically about content; and a groundbreaking set of digital tools, powered by Connect; that create a unique learning environment. The result is greater course success. Connect to the stories, connect to the experience, connect to success in history. - Back cover.

**American History** - Alan Brinkley 2006-01-01

*Tour of Duty* - Douglas Brinkley 2009-10-13

One of our most acclaimed historians explores the decorated military service of one of America's most intriguing politicians—the leading Democratic presidential candidate for 2004—and its profound effects on his career and life In *Tour of Duty*, Brinkley explores Senator John Kerry's career and deftly deals with such explosive issues as U.S. atrocities in Vietnam and the bombing of Cambodia. Using new information acquired from the recently released Nixon tapes, Brinkley reveals how White House aides Charles Colson and H.R. Haldeman tried to discredit Kerry. Refusing to be intimidated, Kerry started running for public office, eventually becoming a U.S. Senator from Massachusetts. Covering more than four decades, this is the first full-scale definitive account of Kerry's journey from war to peace. In writing this riveting, action-packed narrative, Brinkley has drawn on extensive interviews with virtually everyone who knew Kerry well in Vietnam. Kerry also relegated to Brinkley his letters home from Vietnam and his voluminous "war notes" journals, notebooks, and personal reminiscences written during and shortly after the war. This material was provided without restriction, to be used at Brinkley's discretion, and has never before been published.

**Discovering Our Past: A History of the United States Student Edition (print only)** - McGraw-Hill Education 2015-07-17

**The American Vision, Student Edition** - McGraw-Hill Education 2009-01-21

The American Vision, Modern Times, CA, Student Edition - McGraw-Hill Education 2005-03-24

**Memphis Type History** - Caitlin L. Horton 2014-10-31

Older areas of Memphis are peppered with retro neon signs, murals with business names and logos, and other architectural remnants of the city's past. . . . Each chapter features a painting of an iconic sign by Rebecca Phillips, as well as historical images and additional current-day photographs by Jeremy Greene. The history of the sign and they places they represent are told through personal stories. Featured signs include the Universal Life Insurance Company sign on M.L.K. Jr. Avenue, the old Chicago Pizza Factory sign that was replaced with Chiwawa's "Midtown Is Memphis" sign, the sputnik sign at Joe's Wines and Liquors, the Drink-n-Drag sign on Club Spectrum, and the Skateland roller skate. -- Memphis Flyer.

**The End Of Reform** - Alan Brinkley 2011-09-21

At a time when liberalism is in disarray, this vastly illuminating book locates the origins of its crisis. Those origins, says Alan Brinkley, are paradoxically situated during the second term of Franklin Delano Roosevelt, whose New Deal had made liberalism a fixture of American politics and society. *The End of Reform* shows how the liberalism of the early New Deal—which set out to repair and, if necessary, restructure America’s economy—gave way to its contemporary counterpart, which is less hostile to corporate capitalism and more solicitous of individual rights. Clearly and dramatically, Brinkley identifies the personalities and events responsible for this transformation while pointing to the broader trends in American society that made the politics of reform increasingly popular. It is both a major reinterpretation of the New Deal and a crucial map of the road to today’s political landscape.

*The Unfinished Nation* - Alan Brinkley 2018-11

*Becoming America* - David Henkin 2014-01-06

The way we once learned history is now history. Developed for students and instructors of the twenty-first century, *Becoming America* excites learners by connecting history to their experience of contemporary life. You can’t travel back in time, but you can be transported, and *Becoming America* does so by expanding the traditional core of the U.S. survey to include the most contemporary scholarship on cultural, technological, and environmental transformations. At the same time, the program transforms the student learning experience through innovative technology that is at the forefront of the digital revolution. As a result, the *Becoming America* program makes it easier for students to grasp both the distinctiveness and the familiarity of bygone eras, and to think in a historically focused way about the urgent questions of our times.

**The Slave Ship** - Marcus Rediker 2007

Draws on three decades of research to chart the history of slave ships, their crews, and their enslaved passengers, documenting such stories as those of a young kidnapped African whose slavery is witnessed firsthand by a horrified priest from a neighboring tribe responsible for the slave's capture. 30,000 first printing.

**American History: A Survey** - Alan Brinkley 2008-12-01

Highly respected for its impeccable scholarship and elegant writing style, Alan Brinkley's *American History* provides students and instructors with a broad, comprehensive approach to the American past. It offers not only a scrupulous account of American political and diplomatic history, but also a deep exploration of the many other fields that are central to a critical understanding of the nation's past: social, cultural, economic, and urban history, including the histories of the South and the West, the environment, science and technology, race, ethnicity, gender, and the global context of the American experience.

**Brinkley, American History: Connecting with the Past UPDATED AP Edition, 2017, 15e, Student Edition** - Alan Brinkley 2016-01-06

Includes the "AP Advantage 3-Step Solution, 1 Platform" formula for learning.

**Major Problems in American History, 1920-1945** - Colin Gordon 2010-08

This collection of primary source documents and essays provides in-depth coverage of the cultural, social, political, economic, and intellectual events of the 1920-1945 era. In keeping with the proven strengths of the *Major Problems* series, the compelling documents are grouped with important secondary sources, accompanied by chapter introductions, selection headnotes, and suggested readings.

*Teaching What Really Happened* - James W. Loewen 2018-09-07

"Should be in the hands of every history teacher in the country."— Howard Zinn James Loewen has revised *Teaching What Really Happened*, the bestselling, go-to resource for social studies and history teachers wishing to break away from standard textbook retellings of the past. In addition to updating the scholarship and anecdotes throughout, the second edition features a timely new chapter entitled "Truth" that addresses how traditional and social media can distort current events and the historical record. Helping students understand what really happened in the past will empower them to use history as a tool to argue for better policies in the present. Our society needs engaged citizens now more than ever, and this book offers teachers concrete ideas for getting students excited about history while also teaching them to read critically. It will specifically help teachers and students tackle important content areas, including

Eurocentrism, the American Indian experience, and slavery. Book Features: An up-to-date assessment of the potential and pitfalls of U.S. and world history education. Information to help teachers expect, and get, good performance from students of all racial, ethnic, and socioeconomic backgrounds. Strategies for incorporating project-oriented self-learning, having students conduct online historical research, and teaching historiography. Ideas from teachers across the country who are empowering students by teaching what really happened. Specific chapters dedicated to five content topics usually taught poorly in today’s schools.

**The American Journey** - Joyce Oldham Appleby 2009-01-01

*Brinkley, American History: Connecting with the Past AP Edition ©2015 15e, Student Edition* - Alan Brinkley 2014-10-07

*America: A Narrative History* - Shi, David E. 2019-07-01

*America* is the leading narrative history because students love to read it. Additional coverage of immigration enhances the timeliness of the narrative. New Chapter Opener videos, History Skills Tutorials, and Norton’s adaptive learning tool, InQuizitive, help students develop history skills, engage with the reading, and come to class prepared. What hasn’t changed? Our unmatched affordability. Choose from Full, Brief (15% shorter), or The Essential Learning Edition--featuring fewer chapters and additional pedagogy.

**American History: Connecting with the Past** - Alan Brinkley 2014-10-02

*Brinkley’s American History*, a comprehensive U.S. History program, transforms the learning experience through proven, adaptive technology helping students better grasp the issues of the past while providing instructors greater insight on student performance. Known for its clear, single voice and balanced scholarship, Brinkley asks students to think historically about the many forces shaping and re-shaping our dynamic history. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

**Voices of Protest** - Alan Brinkley 2011-08-10

The study of two great demagogues in American history--Huey P. Long, a first-term United States Senator from the red-clay, piney-woods country of northern Louisiana; and Charles E. Coughlin, a Catholic priest from an industrial suburb near Detroit. Award-winning historian Alan Brinkley describes their modest origins and their parallel rise together in the early years of the Great Depression to become the two most successful leaders of national political dissidence of their era. \*Winner of the American Book Award for History\*

*The Dumbest Generation Grows Up* - Mark Bauerlein 2022-02-01

From *Stupefied Youth to Dangerous Adults* back in 2008, Mark Bauerlein was a voice crying in the wilderness. As experts greeted the new generation of “Digital Natives” with extravagant hopes for their high-tech future, he pegged them as the “Dumbest Generation.” Today, their future doesn’t look so bright, and their present is pretty grim. The twenty-somethings who spent their childhoods staring into a screen are lonely and purposeless, unfulfilled at work and at home. Many of them are even suicidal. *The Dumbest Generation Grows Up* is an urgently needed update on the Millennials, explaining their not-so-quiet desperation and, more important, the threat that their ignorance poses to the rest of us. Lacking skills, knowledge, religion, and a cultural frame of reference, Millennials are anxiously looking for something to fill the void. Their mentors have failed them. Unfortunately, they have turned to politics to plug the hole in their souls. Knowing nothing about history, they are convinced that it is merely a catalogue of oppression, inequality, and hatred. Why, they wonder, has the human race not ended all this injustice before now? And from the depths of their ignorance rises the answer: Because they are the first ones to care! All that is needed is to tear down our inherited civilization and replace it with their utopian aspirations. For a generation unacquainted with the constraints of human nature, anything seems possible. Having diagnosed

the malady before most people realized the patient was sick, Mark Bauerlein surveys the psychological and social wreckage and warns that we cannot afford to do this to another generation.

**AP Us Hist 2016** - John J. Newman 2016-01-01

Equip your students to excel on the AP® United States History Exam, as updated for 2016 Features "flexibility designed to use in a one-semester or one-year course" divided into nine chronological periods mirroring the structure of the new AP® U.S. College Board Curriculum Framework, the text reflects the Board's effort to focus on trends rather than isolated facts "each period features a one-page overview summarizing the major developments of the period and lists the three featured Key Concepts from the College Board Curriculum Framework" each Think As a Historian feature focuses on one of the nine historical thinking skills that the AP® exam will test "each chapter narrative concludes with Historical Perspectives, a feature that addresses the College Board emphasis on how historians have interpreted the events of the chapter in various ways" the chapter conclusion features a list of key terms, people, and events organized by theme, reflecting the College Board's focus on asking students to identify themes, not just events "chapter assessments include eight multiple-choice items, each tied to a source as on the new AP® exam, as well as four short-answer questions" period reviews include both long-essay questions and Document-Based Questions in the format of those on the AP® exam, as updated for 2016

*Alan Brinkley* - David Greenberg 2019-01-08

Few American historians of his generation have had as much influence in both the academic and popular realms as Alan Brinkley. His debut work, the National Book Award-winning *Voices of Protest*, launched a storied career that considered the full spectrum of American political life. His books give serious and original treatments of populist dissent, the role of mass media, the struggles of liberalism and conservatism, and the powers and limits of the presidency. A longtime professor at Harvard University and Columbia University, Brinkley has shaped the field of U.S. history for generations of students through his textbooks and his mentorship of some of today's foremost historians. *Alan Brinkley: A Life in History* brings together essays on his major works and ideas, as well as personal reminiscences from leading historians and thinkers beyond the academy whom Brinkley collaborated with, befriended, and influenced. Among the luminaries in this volume are the critic Frank Rich, the journalists Jonathan Alter and Nicholas Lemann, the biographer A. Scott Berg, and the historians Eric Foner and Lizabeth Cohen. Together, the seventeen essays that form this book chronicle the life and thought of a working historian, the development of historical scholarship in our time, and the role that history plays in our public life. At a moment when Americans are pondering the plight of their democracy, this volume offers a timely overview of a consummate student—and teacher—of the American political tradition.

*Orphan Train Rider* - Andrea Warren 1996

Discusses the placement of over 200,000 orphaned or abandoned children in homes throughout the Midwest from 1854 to 1929 by recounting the story of one boy and his brothers.

**United States History and Geography, Student Edition** - McGraw-Hill Education 2011-06-03

**The Chicago Handbook for Teachers, Second Edition** - Alan Brinkley 2011-06-15

Representing teachers at all stages of their careers, authors offer practical advice for almost any situation a new teacher might face, from preparing a syllabus to managing classroom dynamics. From publisher description.

*America's History* - 2018

**The Unfinished Nation** - Alan Brinkley 1997

"In *The Unfinished Nation*, Alan Brinkley provides a clear and intelligent account of the American past that strikes a balance between the new diversity in scholarship and the narrative unity that any general history must have. He makes clear that one can incorporate the rich and varied experiences of America's many cultures into a coherent and compelling story and at the same time retain a sense of what ties Americans together as members of a perpetually troubled but remarkably successful nation"--Description from amazon.com.

*American History* - 1987

*As If an Enemy's Country* - Richard Archer 2010-03-08

In the dramatic period leading to the American Revolution, no event did more to foment patriotic sentiment among colonists than the armed occupation of Boston by British soldiers. *As If an Enemy's Country* is Richard Archer's gripping narrative of those critical months between October 1, 1768 and the winter of 1770 when Boston was an occupied town. Bringing colonial Boston to life, Archer moves between the governor's mansion and cobble-stoned back-alleys as he traces the origins of the colonists' conflict with Britain. He reveals the maneuvering of colonial political leaders such as Governor Francis Bernard, Lieutenant Governor Thomas Hutchinson, and James Otis Jr. as they responded to London's new policies, and he evokes the outrage many Bostonians felt toward Parliament and its local representatives. Equally important, Archer captures the popular mobilization under the leadership of John Hancock and Samuel Adams that met the oppressive imperial measures--most notably the Sugar Act and the Stamp Act--with demonstrations, Liberty Trees, violence, and non-importation agreements. When the British government responded with the decision to garrison Boston with troops, it was a deeply felt affront to the local population. Almost immediately, tempers flared and violent conflicts broke out. Archer's tale culminates in the swirling tragedy of the Boston Massacre and its aftermath, including the trial of the British troops involved--and sets the stage for what was to follow.

*Liberalism and Its Discontents* - Alan Brinkley 1998

Discusses the impact of Franklin Roosevelt, Robert Penn Warren, T. Harry Williams, Huey Long, Allard Lowenstein, and Oral Roberts upon American political culture

**Looseleaf for The Unfinished Nation: A Concise History of the American People** - Alan Brinkley 2018-11-19

Known for its balanced voice and approachable scholarship, Alan Brinkley's best-selling *The Unfinished Nation* offers a concise, yet thorough survey of American History appropriate for students at all levels. With new authors and new scholarship added to the team for the 9th edition, the panorama of history will be covered even more thoroughly. The 9th edition will feature new scholarship on treatment of Native Americans, the effects of the Revolutionary War, the Civil Rights Movement, and the effects of modern warfare on American History.

**The Reader's Companion to the American Presidency** - Alan Brinkley 2000

A collection of forty-one essays about the American presidency explores such monumental questions as how has the office evolved from the Founding Father's intentions, what were some of the lasting presidential initiatives, and what separates a successful president from an unsuccessful one.
