Four Screenplays - Syd Field 1994-08-01

Yes, you can write a great screenplay. Let Syd Field show you how. "I based Like Water for Chocolate on what I learned in Syd's books. Before, I always felt structure imprisoned me, but what I learned was structure really freed me to focus on the story."—Laura Esquivel Technology is transforming the art and craft of screenwriting. How does the writer find new ways to tell a story with pictures, to create a truly outstanding film? Syd Field shows what works, why, and how in four extraordinary films: *Thelma & Louise*, *Terminator 2: Judgement Day*, *The Silence of the Lambs*, and *Dances with Wolves*. Learn how: Callie Khouri, in her first movie script, *Thelma & Louise*, rewrote the rules for good road movies and played against type to create a new American classic. James Cameron, writer/director of *Terminator 2: Judgement Day*, created a sequel integrating spectacular special effects and a story line that transformed the *Terminator*, the quintessential killing machine, into a sympathetic character. This is how an action film is written. Ted Tally adapted Thomas Harris's chilling 350-page novel, *The Silence of the Lambs*, into a riveting 120-page script—a lesson in the art and craft of adapting novels into film. Michael Blake, author of *Dances with Wolves*, achieved every writer's dream as he translated his novel into an uncompromising film. Learn how he used transformation as a spiritual dynamic in this work of mythic sweep. Informative and utterly engrossing, *Four Screenplays* belongs in every writer's library, next to Syn Field's highly acclaimed companion volumes, *Screenplay*, *The Screenwriter's Workbook*, and *Selling a Screenplay*. "If I were writing screenplays . . . I would carry Syd Field around in my back pocket wherever I went."—Steven Bochco, writer/producer/director, *L.A. Law*, *Hill Street Blues*

Brando's Smile: His Life, Thought, and Work - Susan L. Mizruchi 2014-06-23

A groundbreaking work that reveals how Marlon Brando shaped his legacy in art and life. When people think about Marlon Brando, they think of the movie star, the hunk, the scandals. In *Brando's Smile*, Susan

L. Mizruchi reveals the Brando others have missed: the man who collected four thousand books; the man who rewrote scripts, trimming his lines to make them sharper; the man who consciously used his body and employed the objects around him to create believable characters; the man who loved Emily Dickinson's poetry. To write this biography, Mizruchi gained unprecedented access to a vast number of annotated books from Brando's library, hand-edited copies of screenplays, private letters, and recorded interviews that have never before been quoted in a biography. Original interviews with some of the still-living players from Brando's life, including Ellen Adler, his one-time girlfriend and the daughter of his acting teacher Stella Adler, provide even deeper insight into the complex person whose intelligence belied the high-school dropout. Mizruchi shows how Brando's embrace of foreign cultures and social outsiders led to his brilliant performances in unusual roles—a gay man, an Asian, a German soldier—to test himself and to foster empathy on a global scale. We also meet the political Brando: the civil rights activist, the close friend of James Baldwin, the actor who declined his Oscar to support Indian rights. More than seventy stunning—and many rare—photographs of Marlon Brando illuminate this portrait of the man who has left an astounding cultural legacy.

William Goldman: The Reluctant Storyteller - Sean Egan

William Goldman is one of the world's most popular storytellers. Amongst his more than two-dozen motion picture screenplays are such iconic works as *Butch Cassidy and the Sundance Kid*, *The Stepford Wives*, *All the President's Men* and *A Bridge Too Far*. His acclaimed novels include *The Temple of Gold*, *Boys and Girls Together*, *The Princess Bride* and *Marathon Man*. His non-fiction embraces *The Season* and *Adventures in the Screen Trade*, considered the definitive studies on Broadway and Hollywood respectively. Yet despite his success, Goldman has always been a tormented man, unable to enjoy either his art or the respect it has garnered him. Convinced he is "in on a pass," he has rarely written without a profound sense of self-doubt. In *William Goldman: The Reluctant Storyteller*, Sean Egan analyzes both Goldman's life and output, a task

in which he has been assisted by Goldman himself via a series of interviews. The result is an enthralling book that gets to the core of a man who is both supreme talent and perplexing enigma.

The Nation's Favourite - Simon Garfield 1999

In 1993, BBC Radio One gained a new controller. Matthew Bannister said he was going to reinvent the station, the most popular in Europe. But things didn't go exactly to plan. The station lost millions of listeners. Its most famous DJs left, and their replacements proved to be disasters. Radio One's commercial rivals regarded the internal turmoil with glee. For a while a saviour arrived, in the shape of Chris Evans. But his behaviour caused further upheavals, and his eventual departure provoked another mass desertion by listeners. What was to be done? In the middle of this crisis, Radio One bravely (or foolishly) allowed the writer Simon Garfield to observe its workings from the inside. For a year he was allowed unprecedented access to management meetings and to DJs in their studios, to research briefings and playlist conferences. Everyone interviewed spoke in passionate detail about their struggle to make their station credible and successful once more. The result is a touching, exciting and often hilarious portrait of a much loved national institution as it battles back from the brink of calamity.

Screenwriting - Andrew Horton 2014-08-23

Screenwriters often joke that "no one ever paid a dollar at a movie theater to watch a screenplay." Yet the screenplay is where a movie begins, determining whether a production gets the "green light" from its financial backers and wins approval from its audience. This innovative volume gives readers a comprehensive portrait of the art and business of screenwriting, while showing how the role of the screenwriter has evolved over the years. Reaching back to the early days of Hollywood, when moonlighting novelists, playwrights, and journalists were first hired to write scenarios and photoplays, *Screenwriting* illuminates the profound ways that screenwriters have contributed to the films we love. This book explores the social, political, and economic implications of the changing craft of American screenwriting from the silent screen through the classical Hollywood years, the rise of independent cinema, and on to the contemporary global multi-media marketplace. From *The Birth of a Nation* (1915), *Gone With the Wind* (1939), and *Gentleman's Agreement* (1947) to *Chinatown* (1974), *American Beauty* (1999), and *Lost in Translation* (2003), each project began as writers with pen and ink, typewriters, or computers captured the hopes and dreams, the nightmares and concerns of the periods in which they were writing. As the contributors take us behind the silver screen to chronicle the history of screenwriting, they spotlight a range of key screenplays that changed the game in Hollywood and beyond. With original essays from both distinguished film scholars and accomplished screenwriters, *Screenwriting* is sure to fascinate anyone with an interest in Hollywood, from movie buffs to industry professionals.

They're as different as two midwestern boys can be, but their friendship will go on to shape—if not define—both of their lives. In the early days, Ray takes Zock hiking and Zock teaches Ray about poetry. They run away to Chicago, hide out in movie theaters, and watch *Gunga Din* over and over. By high school, it's clear that Ray is no student while Zock is destined for Harvard. Still, they grow up side-by-side, through adolescence, double-dating, and first love. But during a summer visit home, a tragic accident leaves Ray racked with guilt. Alone once again, Ray discovers that in the depths of despair, resilience and hope are waiting to be found. *The Temple of Gold* launched the career of bestselling novelist and Academy Award-winning screenwriter William Goldman, best known for *Marathon Man* and *The Princess Bride*. No Way to Treat a Lady - William Goldman 1964

Stanley Kubrick and Me - Emilio D'Alessandro 2016-05-17

This intimate portrait by his former personal assistant and confidante reveals the man behind the legendary filmmaker—for the first time. Stanley Kubrick, the director of a string of timeless movies from *Lolita* and *Dr. Strangelove* to *A Clockwork Orange*, *2001: A Space Odyssey*, *Full Metal Jacket*, and others, has always been depicted by the media as the Howard Hughes of filmmakers, a weird artist obsessed with his work and privacy to the point of madness. But who was he really? Emilio D'Alessandro lets us see. A former Formula Ford driver who was a minicab chauffeur in London during the Swinging Sixties, he took a job driving a giant phallus through the city that became his introduction to the director. Honest, reliable, and ready to take on any task, Emilio found his way into Kubrick's neurotic, obsessive heart. He became his personal assistant, his right-hand man and confidant, working for him from *A Clockwork Orange* until Kubrick's death in 1999. Emilio was the silent guy in the room when the script for *The Shining* was discussed. He still has the coat Jack Nicholson used in the movie. He was an extra on the set of *Eyes Wide Shut*, Kubrick's last movie. He knew all the actors and producers Kubrick worked with; he observed firsthand Kubrick's working methods down to the smallest detail. Making no claim of expertise in cinematography but with plenty of anecdotes, he offers a completely fresh perspective on the artist and a warm, affecting portrait of a generous, kind, caring man who was a perfectionist in work and life.

Down and Dirty Pictures - Peter Biskind 2013-01-08

In this “dishy...superbly reported” (Entertainment Weekly) New York Times bestseller, Peter Biskind

chronicles the rise of independent filmmakers who reinvented Hollywood—most notably Sundance founder Robert Redford and Harvey Weinstein, who with his brother, Bob, made Miramax Films an indie powerhouse. As he did in his acclaimed *Easy Riders, Raging Bulls*, Peter Biskind “takes on the movie industry of the 1990s and again gets the story” (The New York Times). Biskind charts in fascinating detail the meteoric rise of the controversial Harvey Weinstein, often described as the last mogul, who created an Oscar factory that became the envy of the studios, while leaving a trail of carnage in his wake. He follows Sundance as it grew from a regional film festival to the premier showcase of independent film, succeeding almost despite the mercurial Redford, whose visionary plans were nearly thwarted by his own quixotic personality. Likewise, the directors who emerged from the independent movement, such as Quentin Tarantino, Steven Soderbergh, and David O. Russell, are now among the best-known directors in Hollywood. Not to mention the actors who emerged with them, like Matt Damon, Ben Affleck, Ethan Hawke, and Uma Thurman. Candid, controversial, and “sensationally entertaining” (Los Angeles Times) *Down and Dirty Pictures* is a must-read for anyone interested in the film world.

A Nazi conspiracy in the heart of modern-day Manhattan—the blockbuster New York Times bestseller that became the classic film thriller. At Columbia University, Thomas “Babe” Levy, a postgrad history student and aspiring marathon runner, is working to clear his late father’s name after the scandal of his suicide, triggered by the McCarthy hearings and accusations of Communist affiliations. In Paraguay, Dr. Christian Szell, former Nazi dentist and protégé of Josef Mengele, has been in exile for decades. Infamous as the “White Angel of Auschwitz,” he’s leaving his South American sanctuary to smuggle a fortune in gems out of New York City. Meanwhile, in London’s Kensington Gardens, an international assassin known only as Scylla has completed a hit. A man with too many secrets and twice as many enemies, Scylla has become a target himself, with only one place left to turn. Then, when Babe’s revered older brother, Doc, pays him a fateful

and unexpected visit, it sets in motion a chain of events plunging Babe into a paranoid nightmare of family betrayal, international conspiracy, and the dark crimes of history. Now, the marathon man is running for his life, and closer to answering a single cryptic and terrifying question: “Is it safe?” William Goldman’s *Marathon Man* was adapted by the author for the award-winning 1976 film starring Dustin Hoffman and Laurence Olivier. Upon its publication, the Washington Post called it “one of the best novels of the year,” and it remains a powerful, horrifying read. In the words of #1 New York Times–bestselling author Harlan Coben: “I found myself racing through it. You could have put a gun to my head, and I wouldn’t have been able to put [Marathon Man] down.” This ebook features a biography of William Goldman.
