Back to Venice - Michael Grant 2011-05-26

Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation-and a very wealthy man.

Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's *The Scream*. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and reacquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiuser and curiuser from there. During his stay-which is sometimes zany and sometimes frightening-he meet his hero, Michelangelo, who teaches him the true meaning of art.

Family Destruction - Tyron Hayes 2017-08-03

This novel is just a figment of my imagination and does not depict the views of my personal opinion. In memory of the dearly departed, I would like to bow my head in a moment of silence for all the fallen soldiers who didn't get a chance to see life for the way it was meant to be viewed. For our predecessors who've been misguiding our young minds of the ghettos for far too long. For those who helped to prevent prosperity from ever reaching its full potential. For the many demons of their own destruction, who truly believe that genocide is the only way to properly represent their neighborhoods with pride. For the athletic, or intellectual being, who seem -to have missed their true calling for dedicating so much of their lives to the lost cause of gang violence, we say no more! If we don't stand for something, we will eventually start falling for anything. It's time to wake up, and build up to the expectation of our own

greatness! If not, the very future of our children, and our children's, children's lives will one day depend on it...

Meeting Rich - Caleb J. Kruse 2016-03-13
In 1997, the world was rocked with the news of

Rich Mullins' passing. Christians everywhere paused their lives to mourn the loss. Radio stations paid tributes. Newspapers dedicated articles. Friends, family members, fans and fellow musicians came together to remember this man that had impacted their lives. I was with my family when I heard. I was standing in our driveway. It seemed strange, because just a few hours prior, I saw Rich Mullins alive, leaving our house. My last conversation with him took place the night before in our living room. I still hadn't yet wrapped my mind around the fact that this legend had somehow come to stay at our house. Now... he was gone? The world listened in sad silence, trying to find out what they could. We listened too, and knew there were details to the story the world wouldn't hear. Years have gone by, and I've always felt compelled to write down the story of Rich, staying in our home for the last three weeks of his life as a guest. I know how good things can be forgotten, and I haven't wanted to forget how this has impacted me. Not

long ago I picked up a pen. I knew that I probably never would if I didn't simply make a move. I began to write down what I remembered. Now, I want to share with you what this story has meant to me. Welcome to Meeting Rich. A liturgy. A legacy. A man with a guitar in my living room. "It is a beautiful description of the great and complex man Rich was". - Michael Aukofer
