Commentary on the Whole Bible - Matthew Henry 1961

Each chapter is summed up in its contents, each paragraph reduced to its proper heads, the sense given, and largely illustrated with practical remarks and observations.

On the Whole Bible - Matthew Henry 1995-07

Born the son of a clergyman on October 18, 1662, Matthew Henry was ordained into the British Presbyterian Church where he held the pastorate in Chester from 1687 to 1712. He was widowed, married again and had 10 children, three whom died in infancy. Henry died in 1714. Henry began work on his commentary as "Notes On The New Testament" in 1704 and the monumental work was completed shortly before his death in 1714. Remembered as a caring pastor, a passionate lover of the Word of God, and a man of great personal integrity, Matthew Henry has left his mark on the hearts of countless Christians who seek a deeper understanding of the riches that Scripture contains. This edition of Matthew Henry's Commentary on the Whole Bible uses the King James text and is abridged from the original six volumes while faithfully retaining all of the vibrant themes of that classic work. Everything here is in Matthew Henry's own words and nothing relevant to today's reader has been omitted.

The First Book of Moses, Called Genesis - 1999

Hailed as "the most radical repackaging of the Bible since Gutenberg", these Pocket Canons give an up-close look at each book of the Bible.

Genesis 1-15 - 1987

Theology of Work Bible Commentary - Theology of Work Project 2015
Business, education, law, service industries, medicine, government wherever you work, in whatever capacity, the Scriptures have something to say about it. This "Theology of Work Bible Commentary "is an in-depth Bible study tool put together by a group of biblical scholars, pastors, and workplace Christians to help you discover what the first part of the Old Testament from Creation to Abraham and the Patriarchs to the Exodus from Egypt and the Law of Moses says about work. "

Genesis - John Goldingay 2020-08-18

Highly regarded Old Testament scholar John Goldingay offers a substantive and useful commentary on the book of Genesis that is both critically engaged and sensitive to the theological contributions of the text. This volume, the first in a new series on the Pentateuch, complements the successful Baker Commentary on the Old Testament: Wisdom and Psalms series (series volumes have sold over 55,000 copies).

Each series volume will cover one book of the Pentateuch, addressing important issues and problems that flow from the text and exploring the contemporary relevance of the Pentateuch. The series editor is Bill T. Arnold, Paul S. Amos Professor of Old Testament Interpretation at Asbury Theological Seminary.

Hosea-Jonah - Douglas K. Stuart 1987

The Book of Job, among the greatest masterpieces of world literature, deserves a commentary alert both to the windings of its arguments and to the massive theological problem it raises: the conflict of faith and experience, that is, does it have to do primarily with the why of suffering, or is the chief issue rather the problem of the moral order of the world, of the principles on which it is governed? While many feel that Job is too long, full of windy and tedious words, Professor David J .A. Clines shows in detail how every element is essential and how only the interweaving of literary and theological perspectives can reveal the richness of the writing. To this end, he supplies a uniquely comprehensive General Bibliography (as well as pericope bibliographies), unrestricted by scholarly apartheid, which includes works of sermons and popular devotions valuable for their theological and spiritual insights. A verse-by-verse commentary, this volume never loses sight of the forest for the trees and, especially in the Explanation sections, constantly surveys the progress of the Book of Job. A particular focus is the unraveling of the arguments and the identification of the distinctive viewpoints of the book's speakers. The textual Notes, which center on explaining why the English versions of Job differ so amazingly from one another, support the author's carefully worded Translation. In his Introduction, Professor Clines says: "Reading and close-reading the Book of Job, the most theologically and intellectually intense book of the Old Testament, is a perennially uplifting and not infrequently euphoric experience. The craftsmanship in the finest details, the rain of metaphors, the never-failing imagination of the poet are surpassed only by the variety and delicacy of the theological ideas and the cunning of this most open of texts confronting its readers with two new questions along with any answer."

Genesis - R. Kent Hughes 2004-10-26

The book of Genesis contains some of the most beautiful and well-known stories in the Bible: the garden, the flood, the tower of Babel, and the lives of the patriarchs. But these are more than just good stories. They lay the groundwork for God's relationship with humanity and for his plan for our salvation, making Genesis foundational to understanding everything else that happens in the Bible. Genesis reveals much about human nature and the nature of God. From the actions of the first man and woman, we see where our rebellious, sinful nature originates. And through the whole book we see the hand of a sovereign God who is loving and merciful, but also just and holy. Time and again in Genesis, God showers his grace upon undeserving humanity, giving us our first tastes of God's enduring faithfulness that shines throughout the entire Bible. R. Kent Hughes, respected pastor and author of many other commentaries in the Preaching the Word series, takes readers back to the beginning of the Bible and moves through Genesis with careful exegesis. He explores the superbly crafted structure of the book as well as the weighty themes it contains. For those who preach, teach, and study God's Word, this exceptionally detailed work will reveal much about the beginnings of God's great story. Part of the Preaching the Word series.

Ephesians - Andrew T. Lincoln 1990

The Book of Job, among the greatest masterpieces of world literature, deserves a commentary alert both to the windings of its arguments and to the massive theological problem it raises: the conflict of faith and experience, that is, does it have to do primarily with the why of suffering, or is the chief issue rather the problem of the moral order of the world, of the principles on which it is governed? While many feel that Job is too long, full of windy and tedious words, Professor David J .A. Clines shows in detail how every element is essential and how only the interweaving of literary and theological perspectives can reveal the richness of the writing. To this end, he supplies a uniquely comprehensive General Bibliography (as well as pericope bibliographies), unrestricted by scholarly apartheid, which includes works of sermons and popular devotions valuable for their theological and spiritual insights. A verse-by-

verse commentary, this volume never loses sight of the forest for the trees and, especially in the Explanation sections, constantly surveys the progress of the Book of Job. A particular focus is the unraveling of the arguments and the identification of the distinctive viewpoints of the book's speakers. The textual Notes, which center on explaining why the English versions of Job differ so amazingly from one another, support the author's carefully worded Translation. In his Introduction, Professor Clines says: "Reading and close-reading the Book of Job, the most theologically and intellectually intense book of the Old Testament, is a perennially uplifting and not infrequently euphoric experience. The craftsmanship in the finest details, the rain of metaphors, the never-failing imagination of the poet are surpassed only by the variety and delicacy of the theological ideas and the cunning of this most open of texts confronting its readers with two new questions along with any answer."

Genesis - Bill T. Arnold 2008-10-06

This commentary is an innovative interpretation of one of the most profound texts of world literature: the book of Genesis. The first book of the Bible has been studied, debated, and expounded as much as any text in history, yet because it addresses the weightiest questions of life and faith, it continues to demand our attention. The author of this new commentary combines older critical approaches with the latest rhetorical methodologies to yield fresh interpretations accessible to scholars, clergy, teachers, seminarians, and interested laypeople. It explains important concepts and terms as expressed in the Hebrew original so that both people who know Hebrew and those who do not will be able to follow the discussion. 'Closer Look' sections examine Genesis in the context of cultures of the ancient Near East. 'Bridging the Horizons' sections enable the reader to see the enduring relevance of the book in the twenty-first century.

Selections from the Book of Psalms - 1999

Exodus, Volume 3 - Dr. John I. Durham 2018-04-24

The Word Biblical Commentary delivers the best in biblical scholarship,

from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship. Overview of Commentary Organization Introduction—covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes: Pericope Bibliography—a helpful resource containing the most important works that pertain to each particular pericope. Translation—the author's own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. Notes—the author's notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation.

Form/Structure/Setting—a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment—verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. Explanation—brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: (1) within the context of the book itself; (2) its meaning in the OT or NT; (3) its place in the entire canon; (4) theological relevance to broader OT or NT issues. General Bibliography—occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

Genesis 1-11 - Anwarul Azad 2022-09-07

Genesis is the book of beginnings; and creation begins with light. Most religious people live with shuttered windows, receiving light only from their own people and their own tradition. Genesis 1-11 calls us to recognize all peoples as created by God and under the rainbow covenant of his light. This commentary opens windows on seeds of truth from Genesis 1-11 which are planted in the various environments “in front of the text” - including the New Testament, rabbinic tradition, the Qur’an, and Bangladeshi culture. It examines those seeds in their original seedbed, discerning how their truths will unfurl from the fragrant Genesis 1-11 bud of theology through the blessings given to Eve, Noah, and Abraham. Windows on the Text is a ground-breaking Bible commentary series written by followers of Jesus in Muslim contexts. It develops biblical insight in deliberate conversation with the Qur’an, the Hadith, and local Islamic cultures. Confident that the Bible in its entirety speaks directly into Muslim contexts, it opens new windows into the holy word of God to equip and empower believers to live out their faith in loving service and clear communication within their communities.

Genesis, Revised Edition - Gerhard von Rad 1973-05-01

This volume, a part of the Old Testament Library series, explores the book of Genesis. The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys. The contributors are scholars of international standing.

Genesis 1-15 - Gordon J. Wenham 1987

Worship in the Early Church - Ralph P. Martin 1974

Refers to New Testament teachings while delineating the nature of early Christian worship of God. Bibliogs.

Job 1-20, Volume 17 - David J. A. Clines 2017-12-12

The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The

result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship. Overview of Commentary Organization Introduction—covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes: Pericope Bibliography—a helpful resource containing the most important works that pertain to each particular pericope. Translation—the author’s own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. Notes—the author’s notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation.

Form/Structure/Setting—a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Holy Bible - Zondervan Publishing House 2013-01-21

A reasonably priced, quality black hardcover pew and ministry Bible featuring a large 12-point font.

The Gospel According to John - 1999

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

The Book of Leviticus - Gordon J. Wenham 1979-10-05

Leviticus used to be the first book that Jewish children studied in the synagogue. In the modern church it tends to be the last part of the Bible that anyone looks at seriously. Because Leviticus is largely concerned with subjects that seem incomprehensible and irrelevant today — rituals for sacrifice and regulations concerning uncleanness — it appears to have nothing to say to twenty-first-century Christians. In this excellent commentary on Leviticus, Gordon Wenham takes with equal seriousness both the plain original meaning of the text and its abiding theological value. To aid in reconstructing the original meaning of the text, Wenham draws from studies of Old Testament ritual and sacrifice that compare and contrast biblical customs with the practices of other Near Eastern cultures. He also closely examines the work of social anthropologists and expertly utilizes the methods of literary criticism to bring out the biblical author's special interests. In pursuit of his second aim, to illumine the enduring theological value of Leviticus, Wenham discusses at the end of each section how the Old Testament passages relate to the New Testament and to contemporary Christianity. In doing so, he not only shows how pervasive Levitical ideas are in the New Testament but also highlights in very practical ways the enduring claim of God's call to holiness on the lives of Christians today.

The Book of Origins - Philip Eveson 2001

As its name implies, Genesis is a book of origins. In it we are told of the origin of the universe, the beginnings of the human race and the birth of

the Israelite nation. But it is more than an early record of origins. It is part of God's Word to us, what the apostle Paul calls "God-breathed" Scripture. Here we are given infallible instruction concerning where we all came from and why things are the way they are. The book of Genesis is also crucially important for our understanding of the rest of Scripture. It introduces us to the true and living God, to the beginnings of sin, its consequences and how it has affected the whole created order. - Publisher.

Commentary on Genesis - James Burton Coffman 1985

The Book of Genesis - 1870

Genesis 1-15, Volume 1 - Gordon John Wenham 2017-10-10

The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. ESV Study Bible - Crossway 2008-10-15

The ESV Study Bible was created to help people understand the Bible in a deeper way. Combining the best and most recent evangelical Christian scholarship with the highly regarded ESV text, it is the most comprehensive study Bible ever published. The ESV Study Bible features more than 2,750 pages of extensive, accessible Bible resources, including completely new notes, full-color maps, illustrations, charts, timelines, and articles created by an outstanding team of 93 evangelical Christian scholars and teachers. In addition to the 757,000 words of the ESV Bible itself, the notes and resources of the ESV Study Bible comprise an additional 1.1 million words of insightful explanation and teaching—equivalent to a 20-volume Bible resource library all contained in one volume. (Please note this edition does not come with free access to the Online ESV Study Bible resources.)

Genesis - Walter Brueggemann 2010-01-25

In his clear and readable, style Walter Brueggemann presents Genesis as a single book set within the context of the whole of biblical revelation. He sees his task as bringing the text close to the faith and ministry of the church. He interprets Genesis as a proclamation of God's decisive dealing with creation rather than as history of myth. Brueggemann's

impressive perspective illuminates the study of the first book of the Bible. Interpretation: A Bible Commentary for Teaching and Preaching is a distinctive resource for those who interpret the Bible in the church. Planned and written specifically for teaching and preaching needs, this critically acclaimed biblical commentary is a major contribution to scholarship and ministry.

Genesis (2-Volume Set--1 And 2) - Gordon John Wenham 2017-08-29
WBC series delivers the best in biblical scholarship, from the leading scholars who share a commitment to Scripture as divine revelation. It emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology.

Genesis 1-15 - Gordon John Wenham 2014-12-23

The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship. The Gospel According to Mark - 1999-01-01

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

Rethinking Genesis 1-11 - Gordon Wenham 2015-03-13

Genesis 1-11 contains some of the best-known stories in the world. To modern Westerners they may look like no more than entertaining tales that children can enjoy, but modern adults cannot take seriously. However, when read in the context of the ancient Orient, Genesis 1-11 looks very different. It turns out to be a truly revolutionary document. In retelling the history of the ancient world, it puts a new spin on it by introducing an all-powerful, all-knowing, unique God whose greatest concern is human welfare. The God who appears in Genesis 1-11 is the God presupposed by all the Old Testament writers, indeed by the New Testament as well. The gripping tales of Genesis thus provide the theological spectacles for a sympathetic reading of the Bible. They are the gateway to a valid understanding of its message and can even help modern believers construct a worldview that integrates both the

discoveries of modern science and the insights of Christian theology.

Genesis - Bruce K. Waltke 2016-11-22

This landmark commentary marshals the vast experience and brilliant insights of one of today's most revered Old Testament scholars. To those familiar with the work of Bruce K. Waltke, the significance and value of Genesis will be instantly apparent. Others who are unfamiliar with Waltke have only to read the first few chapters to understand why he has earned the reputation of a scholar's scholar, and why this masterful volume stands like a monolith among Old Testament commentaries. Exploring the first book of the Bible as "theological literature," Waltke illuminates its meanings and methods for the pastor, scholar, teacher, student, and Bible-lover. Genesis strikes an unusual balance by emphasizing the theology of the Scripture text while also paying particular attention to the flow and development of the plot and literary techniques--inclusion, irony, chiasm, and concentric patterning--that shape the message of the "book of beginnings". Genesis Models the way to read and interpret the narratives of the book of Genesis Provides helpful exegetical notes that address key issues and debates surrounding the text Includes theological reflections on how the message addresses our contemporary theological and social issues, such as ecology, homosexuality, temperance, evil, prayer, and obedience Addresses critical interpretive issues, such as authenticity, date, and authorship For all the author's formidable intellect and meticulous research, Genesis is amazingly accessible. This is no mere study tool. Lucidly and eloquently written, it is a work of the heart that helps us not only to understand deeply God's Word in its context, but also to consider how it applies to us today.

Divine Simplicity - Steven J. Duby 2015-12-17

Steven J. Duby examines the doctrine of divine simplicity. This discussion is centered around the three distinguishing features: grounding in biblical exegesis, use of Thomas Aquinas and the Reformed Orthodox; and the writings of modern systematic and philosophical theologians. Duby outlines the general history of the Christian doctrine of divine simplicity and discusses the methodological traits and essential contents

of the dogmatic account. He substantiates the claims of the doctrine of divine simplicity by demonstrating that they are implied and required by the scriptural account of God. DUBY considers how simplicity is inferred from God's singularity and aseity, as well as how it is inferred from God's immutability and infinity, and the Christian doctrine of creation. The discussion ends with the response to major objections to simplicity, namely that the doctrine does not pay heed to the plurality of the divine attributes, that it eradicates God's freedom in creating the world and acting toward us; and that it does not cohere with the personal distinctions to be made in the doctrine of the Trinity.

Genesis 1-11 - John W. Rogerson 2004-11-24

John Rogerson traces the interpretation of Genesis 1-11 through to its present engagement with contemporary issues, before going on to examine the hermeneutical debate currently centred on the text, and to discuss it from the more familiar perspective of the historical-critical method, with particular attention to translation, source-critical and inter-literary questions.

Genesis 16-50, Volume 2 - Gordon John Wenham 2017-10-10

The Word Biblical Commentary delivers the best in biblical scholarship, from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship. Overview of Commentary Organization Introduction—covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes: Pericope Bibliography—a helpful resource containing the most important works that pertain to each particular pericope. Translation—the author's own translation of the biblical text,

reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. Notes—the author's notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation.

Form/Structure/Setting—a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment—verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. Explanation—brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: (1) within the context of the book itself; (2) its meaning in the OT or NT; (3) its place in the entire canon; (4) theological relevance to broader OT or NT issues. General Bibliography—occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

Genesis - David Guzik 2018-04-02

Verse-by-verse commentary on the book of Genesis.

Word Biblical Themes Collection - Leslie C. Allen 2020-07-14

A companion series to the acclaimed Word Biblical Commentary. Finding the great themes of the books of the Bible is essential to the study of God's Word and to the preaching and teaching of its truths. These themes and ideas are often like precious gems: they lie beneath the surface and can only be discovered with some difficulty. While commentaries are useful for helping readers understand the content of a verse or chapter, they are not usually designed to help the reader to trace important subjects systematically within a given book of Scripture. The Word Biblical Themes series helps readers discover the important themes of a book of the Bible. This series distills the theological essence of a given book of Scripture and serves it up in ways that enrich the preaching, teaching, worship, and discipleship of God's people. Volumes

in this series: Written by top biblical scholars Feature authors who wrote on the same book of the Bible for the Word Biblical Commentary series Distill deep and focused study on a biblical book into the most important themes and practical applications of them Give reader's an ability to see the "big picture" of a book of the Bible by understanding what topics and concerns were most important to the biblical writers Help address pressing issues in the church today by showing readers see how the biblical writers approached similar issues in their day Ideal for sermon preparation and for other teaching in the church Volumes in the Word Biblical Themes: 15-Volume Set include: Exodus by John I. Durham Joshua by Trent C. Butler 1 and 2 Kings by T. R. Hobbs 1 and 2 Chronicles by Roddy L. Braun Psalms by Leslie C. Allen Isaiah by John D. W. Watts Daniel by John Goldingay Hosea-Jonah by Douglas Stuart Micah-Malachi by Ralph L. Smith John by George R. Beasley-Murray 1 and 2 Corinthians by Ralph P. Martin Philippians by Gerald F. Hawthorne 1 and 2 Thessalonians by Leon Morris 1 Peter by J. Ramsey Michaels 2 Peter and Jude by Richard J. Bauckham Word Biblical Themes are an ideal resource for any reader who has used and benefited from the Word Biblical Commentary series, and will help pastors, bible teachers, and students as they seek to understand and apply God's word to their ministry and learning.

She Reads Truth - Raechel Myers 2016-10-04

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about

two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

Creation and Blessing - Allen P. Ross 1997-02-01

Creation and Blessing is an exceptionally helpful guide for pastors and teachers. Its literary, exegetical, and theological analyses will enrich any exposition of Genesis. The author's purpose is to "help the reader appreciate the major literary and theological motifs that form the theological ideas in the narratives, and to demonstrate how these theological ideas can be developed into clear and accurate expository ideas." To accomplish this goal, he divides Genesis into more than sixty units, discussing each unit's theological ideas, describing its structure, and synthesizing its message, as well as providing an exegetical outline, an expository outline, and a bibliography.

Deuteronomy (2-Volume Set---6A And 6B) - Duane Christensen 2017-08-29

WBC series delivers the best in biblical scholarship, from the leading scholars who share a commitment to Scripture as divine revelation. It emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology.

Creation, Catastrophe & Calvary - John Templeton Baldwin 2000

"In this scientific age, what difference does it make whether I believe the world was created in six literal days and that the world was destroyed by a global flood?" In answering these questions, Creation, Catastrophe, and Calvary shows how these beliefs are related to key issues such as the forgiveness of our sins and Sabbath observance. - Foreword; Introduction; Meet the Authors; An Angel's Worldview; The "Days" of
