Questions for Rebel Girls - Rebel Girls 2021-10-19

Questions for Rebel Girls sparks lively discussions with more than 500 kid-friendly questions inspired by real rebel women from the best-selling Good Night Stories for Rebel Girls series. Jane Goodall devoted her life to studying chimpanzees. If you dedicated your life to one type of animal, what would it be? When cyclist Alfonsina Strada began racing, she was so unstoppable that newspapers nicknamed her “the devil in a dress.” What would your cycling nickname be? Celia Cruz is the Queen of Salsa music. Beyoncé is a pop superstar. Roxanne Shante is an amazing rapper. And Joan Jett is all about rock and roll. If you could be a singing sensation, what type of music would you sing? If you could perform a duet with anyone in the world, who would you pick? If you could meet any woman from any country and any time in history, who would it be? What would you ask her? Would you rather ask questions or answer them? Luckily, with Questions for Rebel Girls, you can do both! Girls love to explore their feelings, uncover their personality, and decode the world around them. One way to do that is to explore their answers to provocative questions about anything and everything. Questions for Rebel Girls introduces readers to extraordinary women throughout history and asks them to imagine themselves in similar scenarios. Designed to ignite exciting discussions between little rebels and their siblings, friends, and grown-ups, Questions for Rebel Girls is packed with more than 500 entertaining and thought-provoking questions—including some questions submitted by young fans of Good Night Stories for Rebel Girls.

Elves on the Fifth Floor - Francesca Cavallo 2021-09-28

In the city of R., nothing bad ever happens, because the residents maintain the status quo at all costs. But the children of R. have had enough. When a new family--two moms and their three kids--arrive just before Christmas, they team up with the local kids on a magical adventure to save Christmas and bring community back to the city of R.

Good Night Stories for Rebel Girls - Francesca Cavallo 2018-06-19

While still inspiring rebel girls of the world to dream bigger, aim higher, and fight harder, this sequel is bigger than each of us, bigger than our individual hopes, and certainly bigger than our fears.

Junko Tabei Masters the Mountains - Rebel Girls 2020-03-10

From the world of Good Night Stories for Rebel Girls comes the historical novel based on the life of Junko Tabei, the first female climber to summit Mount Everest. Junko is bad at athletics. Really bad. Other students laugh because they think she is small and weak. Then her teacher takes the class on a trip to a mountain. It’s bigger than any Junko’s ever seen, but she is determined to make it to the top. Ganbatte, her teacher tells her. Do your best. After that first trip, Junko becomes a mountaineer in body and spirit. She climbs snowy mountains, rocky mountains, and even faraway mountains outside of her home country of Japan. She joins clubs and befriends fellow climbers who love the mountains as much as she does. Then, Junko does something that’s never been done before... she becomes the first woman to climb the tallest mountain in the world. Junko Tabei Masters the Mountains is the story of the first woman to climb Mount Everest. Even more than that, it's a story about conquering fears, personal growth, and never shying away from a challenge. My Journey to the Stars (Step into Reading) - Scott Kelly 2020-08-04

An easy-to-read autobiography of NASA astronaut Scott Kelly, in jacketed hardcover, that takes readers on his awe-inspiring journey from childhood to his record-breaking year among the stars. A autobiography of NASA astronaut Scott Kelly! Scott wasn't sure what he wanted to be when he grew up. He struggled in school and often got in trouble with his twin brother, Mark. Then one day Scott discovered a book about test pilots and astronauts that set him on a new path. His new focus led him to fly higher and higher, becoming first a pilot and then an astronaut, along with his brother--the first twin astronauts in history. But his greatest accomplishment of all was commanding the International Space Station and spending nearly a year in space, which set the record for the longest spaceflight by an American. This story of an ordinary boy who grew up to do extraordinary things will amaze and inspire young readers.

Madam C.J. Walker Builds a Business - Rebel Girls 2019-11-12

From the world of Good Night Stories for Rebel Girls comes a story based on the real life of Madam C. J. Walker, America's first female self-made millionaire. Sarah is the first person in her family who wasn't born into slavery in Delta, Louisiana. But being free doesn't mean that Sarah doesn't have to work. She cooks, she cleans, she picks cotton, she does laundry, and she babysits. And when she works, she wraps up her hair. One day, Sarah's hair starts to fall out! It's itchy, crunchy, patchy, and won't grow. Instead of giving up, Sarah searches for the right products. And then she invents something better than any shampoo or hair oil she's used before. Her hair grows and grows! That's when she decides to rebrand herself as "Madam C. J. Walker," and begins her business empire. Madam C. J. Walker Builds a Business is the story of a leader in the hair care industry, but it's also an inspiring tale about the importance of empowering women to become economically independent. Dr. Wangari Maathai Plants a Forest - Rebel Girls 2020-03-10

From the world of Good Night Stories for Rebel Girls comes a historical novel based on the life of Dr. Wangari Maathai, the Nobel Peace Prize-winning activist and environmentalist from Kenya. Wangari lives in the lush, green, land of rural Kenya where the soil is perfect for planting, the trees tower into the sky, and the streams are full of mysterious creatures. All day, she plays beneath her favorite fig tree, and at night she gathers around the fire with her family to listen to her mother's stories. Then Wangari grows up and goes away to school, and things start changing at home. Farmers chop down the trees. Landslides bury the stream. The soil becomes overworked and dry, and nothing will grow. People go hungry. After all her studies, Dr. Wangari Maathai realizes there is a simple solution to these problems: plant a forest full of trees. *Dr. Wangari Maathai Plants a Forest* is the story of environmentalist and activist Dr. Wangari Maathai, who became the first African woman to receive the Nobel Peace Prize. It's also a story about the importance of making your voice heard, and using that voice to protect the natural world. This historical fiction chapter book includes additional text on Dr. Wangari Maathai's lasting legacy, as well as educational activities designed to encourage caring for the planet and believing in the power of one. [The Fix](#) - Michelle P. King 2020-03-03

In the vein of #Girldboss and Nice Girls Don't Get the Corner Office, discover how to thrive at work from the head of the Global Innovation Coalition for Change at UN Women with this "passionate, practical roadmap for addressing inequality and finally making our workplaces work for women" (Arianna Huffington). For years, we've been telling women that in order to succeed at work, they have to change themselves first—lean in, negotiate like a man, don't act too nice or you'll never get the corner office. But after sixteen years working with major Fortune 500 companies as a gender equality expert, Michelle King has realized one simple truth—the tired advice of fixing women doesn't fix anything. The truth is that workplaces are gendered; they were designed by men for men. Because of this, most organizations unconsciously carry the idea of an "ideal worker," typically a straight, white man who doesn't have to juggle work and family commitments. Based on King's research and exclusive interviews with major companies and thought leaders, *The Fix* reveals why denying the fact that women are held back just because they are women—what she calls gender denial—is the biggest obstacle holding women back at work and outlines the hidden sexism and invisible barriers women encounter at work every day. Women who speak up are seen as

pushy. Women who ask for a raise are seen as difficult. Women who spend hours networking don't get the same career benefits as men do. Because women don't look like the ideal worker and can't behave like the ideal worker, they are passed over for promotions, paid less, and pushed out of the workforce, not because they aren't good enough, but because they aren't men. In this fascinating and empowering book, King outlines the invisible barriers that hold women back at all stages of their careers, and provides readers with a clear set of takeaways to thrive despite the sexist workplace, as they fight for change from within. Gender equality is not about women, and it is not about men—it is about making workplaces work for everyone. Together, we can fix work, not women.

[Well-Behaved Women Seldom Make History](#) - Laurel Thatcher Ulrich 2008-09-23

From admired historian—and coiner of one of feminism's most popular slogans—Laurel Thatcher Ulrich comes an exploration of what it means for women to make history. In 1976, in an obscure scholarly article, Ulrich wrote, "Well behaved women seldom make history." Today these words appear on t-shirts, mugs, bumper stickers, greeting cards, and all sorts of Web sites and blogs. Ulrich explains how that happened and what it means by looking back at women of the past who challenged the way history was written. She ranges from the fifteenth-century writer Christine de Pizan, who wrote *The Book of the City of Ladies*, to the twentieth century's Virginia Woolf, author of *A Room of One's Own*. Ulrich updates their attempts to reimagine female possibilities and looks at the women who didn't try to make history but did. And she concludes by showing how the 1970s activists who created "second-wave feminism" also created a renaissance in the study of history.

[Ada Lovelace Cracks the Code](#) - Rebel Girls 2019-11-12

From the world of Good Night Stories for Rebel Girls comes a story based on the exciting real-life adventures of Ada Lovelace, one of the world's first computer programmers. Growing up in nineteenth century London, England, Ada is curious about absolutely everything. She is obsessed with machines and with creatures that fly. She even designs her own flying laboratory! According to her mother, Ada is a bit too wild, so she encourages Ada to study math. At first Ada thinks: Bleh! Who can get excited about a subject without pictures? But she soon falls in love with it. One day she encounters a mysterious machine, and from that moment forward Ada imagines a future full of possibility—one that will eventually inspire the digital age nearly two hundred years later. *Ada Lovelace Cracks the Code* is the story of a pioneer in the computer sciences, and a testament to women's invaluable contributions to STEM throughout history. This historical fiction chapter book also includes additional text on Ada Lovelace's lasting legacy, as well as educational activities designed to teach simple coding and mathematical concepts. Stories for Boys Who Dare to Be Different 2 - Ben Brooks 2020-10-13

Boys can be anything they want to be! In this sequel to the New York Times bestseller *Stories for Boys Who Dare to Be Different*, Ben Brooks introduces seventy-six more boys and men who will inspire young readers to live boldly and true to themselves. What do environmental activist Xiuhtezcatl Martinez, philosopher Socrates, and singer Ed Sheeran all have in common? Each of them defied expectations -- going against the grain and pursuing their dreams despite a seemingly impossible barrage of obstacles and difficulties. Their stories are incredible, as are those of tap dancer Evan Ruggiero, Pokémon creator Satoshi Tajiri, the brave Chernobyl Divers, and the other inspirational boys who fill the pages of this extraordinary book. Together, their stories offer young boys the welcome alternative message that masculinity can mean many things -- that it's okay to be sensitive, to be bold, and to follow their hearts.

Good Night Stories for Rebel Girls: 100 Real-Life Tales of Black Girl Magic is the fourth volume of the New York Times bestselling Good Night Stories for Rebel Girls series which originally launched in 2016. Good Night Stories for Rebel Girls: 100 Real-Life Tales of Black Girl Magic is published by Rebel Girls, a global, multi-platform empowerment brand dedicated to helping raise the most inspired and confident global generation of girls through content, experiences, products, and community. About Black Girl Magic CaShawn Thompson, a proud third-generation native of Washington, DC, came up with the concept "Black Girls Are Magic" when she was a little girl growing up with her mother, grandmother, and aunts. It sprang forth fully formed from the mind of a poor little Black girl who didn't yet have the words to describe the brilliance she saw in the women in her family, but had heard countless tales of fairies, witches, and magicians. It was just magic to her. And it still is. Black Girls Are Magic became wildly popular in 2013 after CaShawn began using the phrase online (it was later shortened to the hashtag #BlackGirlMagic) to uplift and praise the accomplishments, beauty, and other amazing qualities of Black women.

Flying High - Michelle Meadows 2020-12-29

A lyrical picture book biography of Simone Biles, gymnastics champion and Olympic superstar. Before she was a record-breaking gymnast competing on the world stage, Simone Biles spent time in foster care as a young child. Nimble and boundlessly energetic, she cherished every playground and each new backyard. When she was six years old, Simone's family took shape in a different way. Her grandparents Ron and Nellie Biles adopted Simone and her sister Adria. Ron and Nellie became their parents. Simone was also introduced to gymnastics that same year, launching a lifelong passion fueled by remarkable talent, sacrifice, and the undying support of her family. From her athletic early childhood to the height of her success as an Olympic champion, *Flying High* is the story of the world's greatest gymnast from author Michelle Meadows and illustrator Ebony Glenn.
