Asian Tigers Economic Success - A. L. M. Fazlur Rahman 2001

Guns & Thighs - Ram Gopal Varma 2015-12-01

In these delightfully candid musings about his life and his cinema, RGV reveals the man behind pioneering Telugu and Hindi films such as Shiva, Rangeela, Satya, Sarkar, Bhoot and Company. Discussing a wide range of subjects, from the influences and circumstances that drew him to films to his cinematic techniques, his successful and unsuccessful films, his Bollywood idols, his relations with the media and the controversies dogging him, *Guns & Thighs* is as much about RGV's life and philosophy of life as about his films and the Indian film world. Characteristically, he pulls no punches, whether he's talking about movies, women or the media. Even when it comes to his own films, he embraces his failures as much his successes and dissects them with rare honesty and humility. Refreshingly contrarian and politically incorrect, this book discloses a perspective as colourful and larger than life as Indian films. It is not for RGV fans alone but for all those passionate about cinema and the people associated with it.

Caste and nature - Mukul Sharma 2017-09-25

Rarely do Indian environmental discourses examine nature through the lens of caste. Whereas nature is considered as universal and inherent,

caste is understood as a constructed historical and social entity. Mukul Sharma shows how caste and nature are intimately connected. He compares Dalit meanings of environment to ideas and practices of neo-Brahmanism and certain mainstreams of environmental thought. Showing how Dalit experiences of environment are ridden with metaphors of pollution, impurity, and dirt, the author is able to bring forth new dimensions on both environment and Dalits, without valourizing the latter's standpoint. Rather than looking for a coherent understanding of their ecology, the book explores the diverse and rich intellectual resources of Dalits, such as movements, songs, myths, memories, and metaphors around nature. These reveal their quest to define themselves in caste-ridden nature and building a form of environmentalism free from the burdens of caste. The Dalits also pose a critical challenge to Indian environmentalism, which has, until now, marginalized such linkages between caste and nature.

Dilip Kumar - Dilip Kumar 2014-07-28

An authentic, heartfelt and compelling narrative - straight from the horse's mouth - that reveals for the first time numerous unknown aspects of the life and times of one of the greatest legends of all time who stands out as a symbol of secular India. Dilip Kumar (born as Yousuf Khan), who began as a diffident novice in Hindi cinema in the early 1940s, went on to attain the pinnacle of stardom within a short time. He came up with spellbinding performances in one hit film after another - in his almost six-decade-long career - on the basis of his innovative capability, determination, hard work and never-say-die attitude. In this unique volume, Dilip Kumar traces his journey right from his birth to the present. In the process, he candidly recounts his interactions and relationships with a wide variety of people not only from his family and the film fraternity but also from other walks of life, including politicians. While seeking to set the record straight, as he feels that a lot of what has been written about him so far is 'full of distortions and misinformation', he narrates, in graphic detail, how he got married to Saira Banu, which reads like a fairy tale! Dilip Kumar relates, matter-of-factly, the event that changed his life: his meeting with Devika Rani, the boss of Bombay Talkies, when she offered him an acting job. His first film was *Jwar Bhata* (1944). He details how he had to learn everything from scratch and how he had to develop his own distinct histrionics and style, which would set him apart from his contemporaries. After that, he soon soared to great heights with movies such as *Jugnu*, *Shaheed*, *Mela*, *Andaz*, *Deedar*, *Daag* and *Devdas*. In these movies he played the tragedian with such intensity that his psyche was adversely affected. He consulted a British psychiatrist, who advised him to switch over to comedy. The result was spectacular performances in laugh riots such as *Azaad* and *Kohinoor*,

cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, *Voices Revived* makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1961.

Panther's Moon and Other Stories - Ruskin Bond 2015-06-01

Ten unforgettable tales of fascinating human encounters with animals and birds—of a man-eater that terrorizes an entire village; the strange and wonderful trust that develops between a fierce leopard and a boy; revengeful monkeys who never forgive a woman who grows dahlias; a crow who genuinely thinks human beings are stupid; and many others—that create a world in which men and wild creatures struggle to survive despite each other: a world where, in the end, one is not quite sure which side one is on. *Panther's Moon and Other Stories* is another marvellous collection of stories from India's most-loved author that will once again amuse, enchant, and delight readers of all ages.

New Lamps for Old - Aurobindo Ghose 1974

Twist In The Tale - Aditi De 2005-04-18

Timeless tales from all over India From Bengal to Bastar and Kashmir to Coorg, there are stories that have been handed down generations: bedtime stories for children, fireside stories for travellers, who have heard these tales, wondered at them and repeated them to others. In *A Twist in the Tale: More Indian Folktales*, Aditi De collects forty such stories from various parts of India and retells them with dollops of humour. A friendless crocodile, a timid mouse and a vain fox are among some of the eccentric characters that appear in this book. There is also a clever princess, a hapless priest with heron feathers flying out of his mouth, and galleries of rogues. Strange happenings are not uncommon, so a nail tree grows out of nail clippings and a beetle saves a man from the dungeons. Full of the details of everyday life, festivities and food, these ageless stories have seldom been so exciting and such fun. Accompanied by Uma Krishnaswamy's brilliant illustrations, this book will introduce the magic of Indian folktales to a new generation of readers.
