*Alpha* - Jasinda Wilder 2015-03-13

The first time it happened, it seemed like an impossible miracle. Bills were piling up, adding up to more money than I could ever make. Mom's hospital bills. My baby brother's tuition. My tuition. Rent. Electricity. All of it on my shoulders. And I had just lost my job. There was no hope, no money in my account, no work to be found. And then, just when I thought all hope was lost, I found an envelope in the mail. No return address. My name on the front, my address. Inside was a check, made out to me, in the amount of ten thousand dollars. Enough to pay the bills and leave me some left over to live on until I found a job. Enough to let me focus on classes. There was no name on the check, just "VRI Inc.," and a post office box address for somewhere in the city. No hint of identity or reason for the check or anything. No mention of repayment, interest, nothing... except a single word, on the notes line: "You." If you receive a mysterious check, for enough money to erase all your worries, would you cash it? I did. The next month, I received another check, again from VRI Incorporated. It too contained a single word: belong." A third check, the next month. This time, two words. Four letters. "To me." The checks kept coming. The notes stopped. Ten thousand dollars, every month. A girl gets used to that, real quick. It let me pay the bills without going into debt. Let me keep my baby brother in school and Mom's hospice care paid for. How do you turn down what seems like free money, when you're desperate? You don't. I didn't. And then, after a year, there was a knock on my door. A sleek black limousine sat on the curb in front of my house. A driver stood in front of me, and he spoke six words: "It's time to pay your debt." Would you have gotten in? I did. It turns out \$120,000 doesn't come free.

**Prophecy** - A. E. Via 2017-09-18

An Enemies to Lovers Shifter, Vampire True Mates story. Justice Volkov is the youngest Alpha Zenith to ever lead the wolf shifters. Following in his father's large paw prints was a responsibility he met head on. Now at age thirty-three, he is alpha of the alphas. As a direct descendant of the original Siberian pack, his wolf is bigger and stronger than Justice, himself is sometimes able to control. His wolf howled long and hard but Justice kept it inside. It felt like a bass drum beating against his rib cage. The harsh breaths, angry snarls and the determined pacing inside him was overtaking him. Justice takes his role of leadership and his legacy very seriously. He has little time for romance, not to mention a true mate. His packs are his priority. With a human government trying to regulate them, an uprising of rogue shifters, and a violent team of scientists trying to experiment on them, Justice has his hands way too full. Chadwick 'Wick' Bentley is not enthusiastic when the captain of his escort tells him he has to leave his comfortable London home and go back to the States. As the Vampire King, he has no choice but to get his species back in line before they cause anymore chaos. At over one-hundred years old, Wick is no one to trifle with, but his smooth, charismatic manner makes him quite unique, despite the negative reputation vampires have. Wick has had nothing but time up to this point. He doesn't feel the need to make issues pressing. Nothing is urgent in his life. Until he meets Justice. His beloved. "Natural enemies can't be mates." Or so Justice thought. He knows his skepticism and rejection is hurting his mate, so while he fights their connection, Wick gets help from a source very close to Justice to help him win his beloved's heart. Wick is a force all on his own, but when he's blessed with a special gift from the Mother herself, not even Justice's powerful wolf can prevent the prophecy from being fulfilled. This story DOES NOT contain/mention MPREG. No multiple pairings. No cliffhangers. It ends with a very HFN. Warning: This book is MM paranormal: If you DO NOT like hot, alpha men shifting into large wolves, or vampires feeding from their mates, this may not be your read.
