Three. This is my number. It's the exact sum of reasons I continue to go on. One: To strengthen my body. Make it strong. Make it a machine. Make it so that what happened before can never, ever, happen again. Two: To help others find their own strength so that what happened to me, what happened to my Olivia, doesn't happen to them. And three: My favorite -- to find the bastards that took my life away and make them pay for what they did. This is what my life is now. A dead man, inside a scarred body, living only for revenge.

Aftershock - Sylvia Day
2014-03-01

#1 New York Times Bestselling Author Sylvia Day, America's premier author of provocative fiction delivers the dramatic finale to a series set within the inner circle of glamour, sex and privilege. Now an original

movie from PassionFlix. When it came to playing games, my lover Jax was a master strategist. He pulled strings behind the closed doors of D.C.'s most powerful political players, and somehow still found time to nearly sideline my career. What he didn't know was that when I didn't like the rules, I threw them out and made my own. I wasn't going to let Jax get away with it. I wasn't going to let him get away at all. I loved Jax enough that it was impossible to give up. Jax loved me enough that giving up was the only end he'd consider. He didn't think I could swim with the sharks. It was entirely my pleasure to show him that I'd already dived in...

Just One Night: Part 1 - Elle Casey 2014-02-27

NEW YORK TIMES and USA TODAY BESTSELLING AUTHOR, ELLE CASEY, brings readers PART 1 in the 6-part contemporary romance serial novel, JUST ONE NIGHT. Jennifer is sexually frustrated and disillusioned with love, a very dangerous combination.

Convinced there's no such thing as Prince Charming, and against her best friend's better judgment, she places a personal ad seeking a one-night stand. No strings, no commitments, no second dates. Her goal? To restore her faith in men by setting up a single night of fantasy that can never be tainted by reality. William is a busy executive, newly arrived in the United States from England. He doesn't have the time nor the inclination to share his life with anyone, to have obligations outside of work, or to become entangled in a relationship with an emotional basket case of a woman who's desperately seeking her Prince Charming. But he does see the value in having an attractive woman on his arm for networking purposes ... This ebook is Part 1 of the contemporary romance serial novel, JUST ONE NIGHT, approximately 25,000 words or 100 paper pages long. The story continues with Parts 2-6. Content warning: Due to sexy

situations and content, this book is definitely not appropriate for younger readers. HERE'S WHAT READERS ARE SAYING ABOUT JUST ONE NIGHT, PART 1: "As usual, Elle Casey delivers. Honeymoon - James Patterson
2005-02-01

In his sexiest, scariest novel yet, James Patterson deftly confirms that he always "takes thrills to the next level" (Pittsburgh Tribune-Review). When FBI agent John O'Hara first sees Nora Sinclair, she seems perfect. She has the looks. The career. The clothes. The wit. The sophistication. The tantalizing sex appeal. The whole extraordinary package-and men fall in line to court her. She doesn't just attract men, she enthralls them. So why is the FBI so interested in Nora Sinclair? Mysterious

things keep happening to people around her, especially the men. And there is something dangerous about Nora when Agent O'Hara looks closer-something that lures him at the same time that it fills him with fear. Is there something dark hidden among the unexplained gaps in her past? And as he spends more and more time getting to know her, is he pursuing justice? Or his own fatal obsession? With the irresistible attraction of the greatest Hitchcock thrillers, Honeymoon is a sizzling, twisting tale of a woman with a deadly appetite and the men who dare to fall for her.

City of Iron and Dust - J.P. Oakes
2021-07-06

Fast-paced and razor-sharp dark fantasy for readers of Nicholas Eames, Anna Smith Spark and Robert Jackson Bennett "A fantastic book, full of wit and sharp humor, City of Iron and Dust careens through a modernized faerie at a breakneck pace, full of verve and unforgettable characters. Oakes spins a smart, electric, and sometimes snarky tale,

showing that the beating heart of modern fantasy is alive and well." – John Hornor Jacobs, author of *A Lush and Seething Hell* and *The Incorruptibles*

The Iron City is a prison, a maze, an industrial blight. It is the result of a war that saw the goblins grind the fae beneath their collective boot heels. And tonight, it is also a city that churns with life. Tonight, a young fae is trying to make his fortune one drug deal at a time; a goblin princess is searching for a path between her own dreams and others' expectations; her bodyguard is deciding who to kill first; an artist is hunting for his own voice; an old soldier is starting a new revolution; a young rebel is finding fresh ways to fight; and an old goblin is dreaming of reclaiming her power over them all. Tonight, all their stories are twisting together, wrapped up around a single bag of Dust—the only drug that can still fuel fae magic—and its fate and theirs will change the Iron City forever.

In the All-Night Café - Stuart David 2015-05-01

"One afternoon in 1994, I had an idea." So begins Stuart David's magical, evocative memoir about the indie pop band Belle and Sebastian. Determined to make his living writing stories and songs, Stuart had spent several years scraping by on the dole in his small, industrial home town. Then he had the fateful idea to learn bass guitar, and to head for Glasgow in search of like-minded artists. Within one extraordinary year he had helped create one of the most influential, beloved bands of all time. Set against the vivid background of early nineties Glasgow, *In the All-Night Café* describes Stuart's fortuitous meeting with the group's cofounder Stuart Murdoch in a course for unemployed musicians. It tells of their adventures in two early incarnations of Belle and Sebastian and culminates in the recording of their celebrated debut album, *Tigermilk*. This portrait of the group and its origins will resonate with anyone who has put together--or thought of

putting together--a band. It is a story of a group of friends who wanted to create a different kind of music, and how--against all expectations--they succeeded. Written with wit, affection and a novelist's observant eye, *In the All-Night Café* brings to life the early days of this most enigmatic and intriguing of bands. Stuart David is a Scottish musician, songwriter and novelist. After cofounding Belle and Sebastian, he went on to front Looper. He is the author of the novels *Nalda Said*, *The Peacock Manifesto*, and *A Peacock's Tale*.
