The Conversation That Matters Most - Dewitt Rowe 2010-05-03

In *The Conversation That Matters Most*, DeWitt Rowe takes his readers on a unique and fascinating journey of self-exploration and discovery. The author not only guides us toward a complete reevaluation of how we view success; he convinces us that the way we define it and pursue it must also be reexamined. How often do we stop and question the assumptions that have defined us? Are we more intelligent than we have been led to believe? Do our idiosyncrasies make us strange...or simply unique? How often do we make a decision based on what's expected of us, rather than on our innate sense of what works? DeWitt delves into areas that are rarely discussed, areas that reward us with a richness of comprehension, awareness, discovery, and wisdom. Every page is a reminder of the control we have over our lives if only we can understand how to use that control in a positive and result-oriented manner. Utilizing this book's guides and lessons, we can be assured of a fuller and more satisfying life.

Pirate Journey - Philip Anderson 2013-01-25

Dave Adams is a teenager standing at a crossroads in his life. He's lonely, a bully in need of direction. Through the pages of an ancient, leather-bound journal, Dave makes contact with an ancestor, James Adams, captain of a seventeenth century sailing-ship. Captain Adams is also straddling a fence, and the life of an honest sea-going merchant pales in comparison to the excitement and opportunities available for a captain willing to do what it takes to get ahead. Will the captain's decisions take him and his crew where they want to go? And how will those decisions affect Dave as he makes his way through high school and finds his first summer job? *Pirate Journey* explores the parallel lives of a scurvy sea captain and a high school bully as they make decisions and face the consequences of their choices, both good and bad.

Embracing Greatness - Sophia Ellen Falke 2017-06-21

Embracing Greatness: A Guide for Living the Life You Love takes the lid off previously held beliefs you have about yourself and the world around you. In this book, you'll learn how to shine a conscious light of inquiry and understanding on those beliefs. The process revealed in *Embracing Greatness* helps you uncover the special contributions you're meant to make in the world and action steps toward them. Get ready to transform your life - your relationships; your physical, emotional, and spiritual health; your financial freedom; your joy in life; your business and creative expression; and the ability to do what you want, when you want, where you want, and with whom you want. Find out more at www.EmbracingGreatness.com.

Even before its publication, here's what people who received advance copies said about *Embracing Greatness: A Guide for Living the Life You Love*. "Sophia Falke has nailed it! In her own inimitable way Sophia helps you discover the beauty and purpose in your uniqueness ... Please read this book!" Mike Rayburn, CSP, CPAE, Hall of Fame Keynote Artist. "If you're ready to live the life you would love, ... You will forever thank yourself for reading and applying this wonderful book." Mary Morrissey, International Speaker, Best-Selling Author, CEO Consultant. "Embracing Greatness is for anyone who wants to discover and cast aside long-held barriers to personal success." Kathleen Quinlan, MSW, LCSW, Author/Producer of *The Land of Love*. "As a business owner who left corporate life to start my own business, I was inspired by Sophia's message..." Deborah Armstrong, Small Business Owner. "Embracing Greatness is like taking a walk on a warm spring day with a much respected mentor while getting the pep-talk of a lifetime. Filled

with inspiration, doable exercises, and heartwarming stories of real people making tremendous positive changes, this personal-growth handbook is a true gem!" Cate Montana, MA, Author of *The E Word: Ego, Enlightenment & Other Essentials*.

The Path to Real and Lasting Inner Peace - Jane Milardo 2012-05-23

The Path to Real and Lasting Inner Peace outlines how anyone can achieve true peace of mind, greater happiness and satisfaction in life. While it is written by an experienced psychotherapist, it is geared toward anyone who is open and ready to make positive life changes and is motivational and inspiring!

Son of Sedonia - Ben Chaney 2012-12

Imagine growing up in the largest slum on the planet in the year 2080AD. Twenty million people are your neighbors, huddled together in an ocean of rusted dwellings made from whatever Sedonia City, the towering metropolis in the distance, decides to throw away. Gang members, known as the T99s, are the heads of your community: smuggling tech, trafficking drugs, and fighting a constant guerilla war against the City's bio-augmented EXO police force. There is little hope for survival. None for escape to a better life beyond the half-mile high Border between city and slum. This is Matteo's world. A bright kid, but sick and weak since childhood, he is painfully dependent on Jogun: loving older brother, and hardened soldier for the T99s. When a luxury transport from Sedonia's aerial traffic crash-lands in Rasalla, it threatens to change Matteo and Jogun's fate forever. And all fates are connected. The Dwellers of Rasalla, bound by family in the scrap, ashes, and dirt. The Citizens of Sedonia, oblivious to danger in the buzzing twilight of the Neuro-Social Revolution. The EXOs, placing themselves in harm's way to perform their duty to protect their homes and fellow officers. And the Ruling Elite, whose long-buried secrets and desperate plans could spell the end of civilization...or a new beginning. Son of Sedonia is an action-filled science fiction epic with a soul and a clear message. Its characters live, breathe, suffer, and love in their different worlds, each brought to the brink as the Third-World collides with the First. Their future could well be ours.

Designing Your Life Plan - Luz N. Canino-Baker 2013-11

When you step back and look at your life, do you see an ever-widening gulf between where you are and where you want to be? Do you feel stuck? Do you feel like your dreams are slowly slipping away? No matter where you are on your path, Designing Your Life Plan will jolt you out of the routines and ruts of your day to day, spurring you on to set a clear plan for your future-one that will take you places you never thought you could go. Luz Canino-Baker, your encouraging but firm guide on this journey, shows you how to build and carry out a Life Plan, offering pieces of her own history and the stories of others along the way. Each chapter ends with a practical workbook-style exercise designed to take you tangible steps closer to your goals. Forged during Canino-Baker's years as an executive and life coach, the lessons and exercises in this book will energize you, excite you, and set you on the path to the bright future you may have feared could never be realized.

Change the Workgame - Serilda Summers-McGee 2016-08-27

Research shows that diverse workgroups are more productive, creative and innovative than homogeneous groups. In a global marketplace, and with the rapidly changing racial makeup of America, having a high function, diverse workforce is imperative for your organization's success. Change the WorkGame has been designed to show you how establish a diverse workforce throughout all strata of your organization and how to sustain your progress. As a human resources executive, diversity and inclusion consultant, and a member

of historically marginalized communities, I have experienced wildly unsuccessful diversity and inclusion strategies; and advised, coached, and led wildly successful diversity and inclusion initiatives. Business leaders and department heads have used the steps outlined in this how-to guide to successfully recruit and retain diverse talent. Chris, a small business owner, says, "the diversity recruitment steps listed in the book, matched with real life scenarios really helps bring to life not only how to go about recruiting and retaining a diverse workforce, but why it is important." I promise that if you follow the 7 steps outlined in Change the WorkGame, you will increase the diversity of your workforce within 6 months following the activation of the last step and you will increase employee satisfaction by enhancing your managers and the inclusivity of your workplace. Don't wait to activate your diversity initiative. Don't wait to make your workforce stronger, nimbler, more creative, and more dynamic. Don't wait to establish an inclusive work environment where everyone feels respected, appreciated and heard. Be the person to take the lead towards Change. If not you, then who!? The workforce diversity and inclusion strategies and scenarios you are about to read have been proven to create positive and long lasting results for leaders. These strategies will help ALL employees inside your organization, but will specifically help you recruit and retain underrepresented employees. Each chapter will give you new insights towards enhancing your workforce and your workplace. Let me show you how to be the Change for your company.

Heart of the Streets - Chenae Glaze 2013-10-07

Corinne is running from the pain of her past but she can't seem to run fast enough. Jabari thought he had it all but even with everything, something is still missing. Follow Corinne and Jabari through the streets of Atlanta as she offers him a loyalty he's never had and he showers her in a love she never knew existed!

Anxiety Warrior - Elke Scholz 2018-06

Anxiety Warrior Volume One came from seeing so many people in my private practice looking for strategies to lower anxiety. Anxiety Warrior Volume Two has delved deeper into more resources, and shares heart-felt, heroic stories of people like us. Together they make a complete resource for managing and lowering anxiety.

Kweller Prep SAT Grammar - Douglas Kovel 2016-12-26

This book provides a comprehensive review of the grammar skills needed for success on the redesigned SAT. It is suitable for students who have not previously completed an extensive study in grammar. This book includes: 1) A review of grammar fundamentals and parts of speech. 2) An explanation of grammar rules covered on the new SAT. 3) An overview of common ways in which certain errors are tested. 4) Drills designed to help you identify and correct errors. 5) Answers and explanations to all practice questions.

It's All in the Mind - K. J. Rabane 2016-04-10

The body of a dancer is found in a flat a stone's throw away from the house where Mitchell Brooks lives, but it might just as well be a million miles away. Traumatised by events he experienced as a news cameraman Mitch is trapped in his house where every day becomes the same. He spends his days living through the lives of others, his sister, his doctor, and the friends who call to see him, until one day a stranger rings his bell. Afterwards, it seems he can't avoid being sucked in to the events surrounding the murder until he makes a disturbing discovery.

Digital Influencer - John E. Lincoln 2016-02-05

Featured on Forbes as a "marketing book you have to read before your competition!" As seen on Forbes, Entrepreneur Magazine, Inc. Magazine, Search Engine Land, Marketing Land and more. Take control now! Learn how to become an influencer from veteran UCSD teacher, online marketing consultant and CEO, John Lincoln. This book as exact, step-by-step strategies to reaching influence status. Get it now! It is all for a good cause. 100% of proceeds from the first 1,000 books sold will be donated to families where a member is struggling with cancer. Help us reach our goal. Digital Influencer Book Description | by John Lincoln, MBA, CEO, Entrepreneur, UCSD Teacher Who will you be in life? Will you be a follower? Or will you be an influencer? Definition Digital Influencer: An online persona with the power to stimulate the mindset and affect the decisions of others through real or perceived authority, knowledge, position, distribution or relationships. This book does not hold anything back. But neither can you if you want to be an influencer. You have to fully dedicate yourself, otherwise it is impossible. Too often, people believe that influencers are born, not made, and that we can't learn how to do what they do. Wrong! You can become an influencer and

do so much more quickly if you are focused and know the right steps to take. This practical guide to becoming an influencer in your industry will explain what influence is and how it works. It will show you how to grow your following, build credibility and develop your identity as an authority in your field. It will provide direction in how to educate yourself, create compelling content, harness the power of social media and engage with your community. It will teach you how to build an online persona that is so powerful, a simple social media update or blog post will be able to affect change in your industry. This process works. I have done this for myself and hundreds of clients. This book is your shortcut to reaching influencer status fast. Instead of wasting decades or even your entire life trying to figure out what you need to do, I'm just going to tell you how it works. I'll also help you develop a personal plan. I am going to start off by giving you some important background information and concepts that are critical to know if you want to become an influencer. As we progress, I will give you more specifics regarding tools, strategies and even a timeline. This book is the complete guide to become a leader and influencer in your industry. Buy it now, it will be one of the best investments you have ever made in your career and life. Short Bio - John Lincoln John Lincoln is CEO of Ignite Visibility and a digital marketing teacher at the University of California San Diego. Lincoln has worked with over 400 online businesses and has generated millions in revenue for clients. He is a noted author on Search Engine Land, Marketing Land, Search Engine Journal and Entrepreneur Magazine and has been featured on Forbes, CIO Magazine, Good Morning San Diego, the Union Tribune and more. Lincoln has been awarded top conversion rate expert of the year, top SEO of the year, best social media campaign of the year and top analytics column of the year. In 2014 and 2015, Ignite Visibility was named #1 SEO company in California and top 2 in the nation.

Turning This Thing Around - Keith Maginn 2012-12-22

Turning This Thing Around is an inspiring memoir of overcoming personal struggles. This brutally honest, deeply personal account of redemption takes readers on a moving spiritual journey. Confronted with a myriad of obstacles—a debilitating arthritic disease, narcolepsy, anxiety and depression—the author was outwardly happy, but inwardly miserable. Pushed to the lowest point of his life, Maginn shares how he gradually turned things around and used his experiences to grow as a person. Supplemented by heartfelt poetry by the author and with quotes from Gandhi to Dr. Wayne Dyer to Eckhart Tolle, Turning This Thing Around has universal themes that speak to nearly everyone, as we all must face challenges as part of being human. It is a self-help memoir of sorts: the author discusses not only what he overcame, but also how he did so—and how others can, too. Unlike many popular memoirs on the market, this is a story that more people can relate to. Maginn was not raised in an eccentric family (Jeannette Walls in *The Glass Castle*, memoirs by Augusten Burroughs), nor did he travel to Italy, India and Indonesia, as Elizabeth Gilbert did in *Eat, Pray, Love*. Rather, Turning This Thing Around is a story of a normal young man's resiliency when battling extraordinary circumstances.

Tribalry - Jared Stewart 2015-03-20

What's the secret to success? Like many talented business owners, Jack Green thought it was long hours, do-it-yourself dedication, and cut-throat competition. But he learns how wrong he was when time starts running out for his struggling business. In the middle of a sleepless night, Jack is given the chance to change things when he is thrust into an adventure with an extraordinary group of mentors who teach him the powerful secrets of Tribalry: the art of building connection and community. Tribalry is a humorous, insightful parable that will leave you ready to roll up your sleeves and start building your own tribe today.

The Crazy Clan Dossier - Phillippe Aradox 2015-02-05

From 1986-1994 a group of friends banded together and used their love of horror movies and heavy metal to pull outlandish pranks on their classmates. First featured in the published memoirs this now is the photographic images and memories of days gone by

The Art of Agile Development - James Shore 2008

For those considering Extreme Programming, this book provides no-nonsense advice on agile planning, development, delivery, and management taken from the authors' many years of experience. While plenty of books address the what and why of agile development, very few offer the information users can apply directly.

Write to Dream - Brad Killmeyer 2015-08-13

Write to Dream is for dreamers, high achievers, and for people that are looking for a change. Unlike other journals, this book is not simply about recording the day's events but provides you with an easy-to-follow routine which lays the foundation for your success. In the end, you will not get a grade, you will get results. "I consistently followed Brad's principals in Write to Dream. I set goals, prioritized my day, and kept a positive attitude. These teachings lead me to a first place award in a business competition, in which my partner and I won \$1,500 to start our business." Caleb High School Student "Write to Dream is more than a journal, it provides outstanding guidance and support for students trying to reach their potential. Angela High School Student "Write to Dream holds students accountable for their actions, teaches time management, and makes sure that each day starts and ends in a positive way." Kurt Mahan Teacher, Brownsville High School, PA Brad Killmeyer is a youth speaker and the owner of Formulate Your Future, LLC. Through his personal story and experiences, Brad helps entertain and inspire high school students to overcome challenges and use those challenges to their advantage, deal with judgment from others and learn how to not let those judgements effect them, and much more! For more information on Brad Killmeyer and to learn how you can reserve him for your next high school, college, or organizational event, visit BradKillmeyer.com.

"Gimme a Hug" - George Kouri 2014-07-28

What do three-year-olds, teddy bears, and great leaders have in common? They all know the value of lots of hugs. Sure, kids and teddy bears are natural huggers, but leaders, managers, executives? Obviously, in the workplace, we are talking about metaphorical hugs—the small, everyday acts of recognition that make employees feel appreciated, validated, and recognized for the efforts and contributions they make for the success of the business. Great managers know that. They know that these small acts of recognition will help them to realize their full potential and the full potential of their people. All of us are driven by a strong need to be appreciated (or "hugged," if you will) rather than rejected and hurt. The power of helping others, of acknowledging others, of making them feel good, of teaching and inspiring them, the power of thanking them, of simply being nice to them—of being able to give them a virtual "hug"—is immense. It's far more rewarding than one can imagine, far more satisfying, and delivers far more tangible and positive results than people realize. Think about it, being scolded, put-down, or even bullied, makes employees shut down, check out, and disengage, with disastrous consequences to the success of the business. Recognition, on the other hand, is a powerful motivator. It's the fuel that drives people to higher levels of achievement, engagement, and fulfillment. Learning easy ways to recognize and appreciate your employees will enhance their dedication, motivation, accountability, and satisfaction on the job and, therefore, will be a potent driver to increase your organization's productivity, minimize mistakes, and improve bottom-line results.

"Gimme a Hug" explains how the basic human need for a "hug" manifests itself in the workplace, the various disguises it hides behind, and how to manage and deal with it to make yourself and the people you interact with better and more fulfilled in many ways. Shows how to become a better manager and get better results from your people, simply by learning to express your appreciation for them and for what they do. Includes lots of simple, proven tips and techniques that you can apply immediately to unlock the true potential in your employees. Features stories and examples, sample dialogues, and practical tools and exercises to help you implement the "give a hug, get a hug" philosophy into your management style.

Teaches you how to recognize and maximize everyday, on-the-job "coaching moments," and how to provide constructive feedback to your employees. "Gimme a Hug" proves and demonstrates that this "hug" thing is not a "soft and mushy" issue but rather a major element and management technique that will generate far better bottom-line results and create a real culture of success "Gimme a Hug" reveals how small, simple, everyday acts of recognition can make a big difference in your business, and to the people who work there."

Certain Personal Matters - Herbert George Wells 1898

This early edition of H.G. Wells features the author's amusing commentary and opinion about the customs and issues of his time.

The Ylem - Tatiana Vila 2011-05-05

An ancient book, a seventeen-year-old girl and an exotic boy from a supernatural world hold the key to freedom for a long-oppressed race, but that freedom could come at the cost of the human world. Seventeen-year-old Kalista is suffering from a broken heart, so when her playwright father proposes they move their

lives from New York to New Mexico because he is in need of inspiration Kalista is 100% on-board with him. New Mexico proves to be the perfect balm for her wounds and she is just starting to feel some of her old spunk when Tristan Winfield comes into her life and pulls all of her barriers down. Kalista is captivated by Tristan's unusual silver eyes and feels an inexplicable connection to him, which begins to manifest itself in her dreams with bizarre images of a waterfall and an orb. While searching for an explanation for her troubling dreams, Kalista discovers an ancient book which holds the secrets of a supernatural race of creatures. But when Killings hit town, she realizes her finding has come at a high price. She's in the middle of a power struggle now, and a secret seems to be wrapped within the pages of that book. A secret she's part of...

Habit Stacking - Tom Shepherd 2017-10-30

The Best Guide to Habits and Habit Stacking Anywhere Do You Want to Feel Better and Get More Done Each Day? Study after study finds there is one trait that sets the most successful people apart from the rest of us. That one trait isn't wearing the same shirt everyday or some secret workout formula. The one trait that successful people have is that they know how to form good habits that stick. If you have ever struggled to keep a New Year's resolution or if you have a hard time meeting your goals, you need this book. This book will teach you how to form good habits, how to make them stick, and what habits you should be forming. The power of habit stacking is that by slowly introducing small habits into your life you start to build synergies. You will begin to be getting more out of each habit every time you stack another, small good habit on top of it. It will seem like magic, but habit stacking is based on science. Inside this book you will learn: What is a habit and why do you want to form them? How to form good habits How habit stacking works The best way to schedule your day How playing music improves your focus The power of changing your mindset Why you should plan your meals How to make active listening a habit How to meditate in the shower And Much More This book will show you more than 150 habits that you can use to improve your productivity, make you happier, build stronger relationships, and make more money. Unlike many self-development books, Habit Stacking: 150+ Habits for Improved Productivity and Greater Joy provides you with actionable tips that will help you get the most out of each day. This book will start making a difference in your life from the first chapter. If you follow the step-by-step process laid out inside this book you will quickly notice how much more time you have and how much better you feel. Each small habit you add to your routine increases the quality of your life exponentially. If you want to get the most out of life, you need to buy this book right away. You have never read a habit book as powerful or as easy to apply as this one. Don't Waste Another Second Wishing You Were More Disciplined. Get This Life Changing Book Right Now. *M. D. Dreams* - Jarita Hagans 2016-02-01

MD Dreams is part autobiography, part how-to guide for those who are interested in becoming a medical doctor. It contains real world experiences, study tips for the MCAT and USMLE, interview and application guidance, a survival guide (Future Doctor Checklist), sample personal statement and CV. It also contains a resource list of helpful websites, books and programs personally curated by the physician-author.

30 Days to Better Agile - Angela Druckman 2012

Getting Results the Agile Way - J. D. Meier 2010

How to Setup a Linux Web Server - Michael Wright 2014-01-16

This book shows you how to build your own Linux Web server with Ubuntu Linux and host your own website at home for free without having to pay a web hosting company like GoDaddy or Web.com. Whether you are ten years old or 80, even if you have never worked with Linux before and you are not that good with computers, you can setup a Linux Web Server by following the simple, easy-to-follow steps in this book. Setup an Ubuntu Linux Server from scratch. Create your own domain name. Make a simple web page. Get your server to be seen by the Internet. Use FTP to edit your web pages. Process HTML form submissions.

Program a MySQL database to store a guest book. Use PHP to integrate your web page with MySQL. Add a visitor counter to your web page. Setup Free Dynamic DNS Forwarding Backup your MySQL Databases Use Linux, MySQL and PHP security features. Accept payment with PayPal buttons.

The 20 Minute Business Analyst - Mark A. Monteleone 2013-03-25

Who has time to read text books? As a busy business analysis consultant and instructor, my free time is short and precious. That is why I like to read articles. They are brief and to the point. I like quick reference cards for a similar reason - they offer immediate help. I also like humor in the context of the subject. Laughter keeps me interested and awake. If you're busy like me, this book is for you. It is a collection of short business analysis articles, humorous but pertinent stories and quick reference cards. • If you are a business analyst practitioner, these articles will confirm best practices or provide you additional insight as to why they are best practices; no matter how good you are at eliciting and documenting requirements, you can always improve. • If you are a professor at an institution of higher learning, these articles can serve as a source for discussion at both the graduate and undergraduate level.

The Time Travel Journals - Marlene Dotterer 2015-03-23

Re-Invent Yourself! - Cheryl Garrison 2016-08-12

Cheryl Garrison wrote Re-Invent Yourself after meeting numerous women over 50 who were struggling with the reality of growing older. Career change (including downsizing or layoff), empty nest syndrome, failed retirement, failed business, failed relationships and a lack of confidence in the future are just some of the issues facing women over 50. Cheryl begins the book sharing with the reader her personal journey from a "bold and fearless" 20-year-old to a 50something woman who has been defeated by life-altering changes. Re-Invent Yourself is a working guide that chronicles the steps Cheryl took to re-vitalize her life. Why do we stop dreaming after 50something? Why do we think we are too old to start a business or run a marathon? This book answers these questions and then provides resources to help women live out their dreams and aspirations. The book is filled with personal experiences and is divided into 5 chapters, each designed to move the reader closer to creating a Re-Invention Plan which is the objective of the book. Know Yourself - Helps the reader answer the question, "Who are You?" and "What do you Want?." Cheryl believes that at the core of many of the problems women over 50 have is a lack of true identify or an identity that has been lost in the years of giving to others and spending very little time taking care of ourselves. The exercises in this chapter lead women through an assessment of their self-esteem right now and gives techniques for helping them find their true identity. Women completing this chapter will also be able to take a hard look at what they are currently accomplishing in their personal and professional life and begin the process of identifying what they desire to be and do. Heal Yourself- How do we overcome the beliefs that have kept us from succeeding? Cheryl carries the reader through extensive exercises that will help them identify the thoughts that have kept them standing in "cement blocks" and then break through to a life of accomplishment. Re-Invent Yourself- Readers are given the tools needed to take the wants they have identified as important to them and create a lifestyle plan for re-invention. The plan includes goal creation, identifying timelines, budgeting, and accountability in order to ensure that goals become a reality. The reader will create long-term, short-term and immediate goals that support their overall plan. Commit Yourself - The final part of Cheryl's re-invention plan is for the reader to be committed to change. Without making the commitment and being open to change, nothing will change. This chapter encourages the reader to get a digital calendar and keep track of daily progress. The next important part of change is getting an accountability partner who will make the journey with the reader. Finally, surrounding oneself with positive affirmations is an important part in creating lasting and sustained change. Cheryl's goal for the reader after they have completed the book is to celebrate a new life just as she has done. She went from near depression to now writing books, creating training programs, coaching and speaking to women over 50 about living a life of passion and purpose.

Influencer: The New Science of Leading Change, Second Edition - Joseph Grenny 2013-05-17
CHANGE YOUR COMPANY. CHANGE THE LIVES OF OTHERS. CHANGE THE WORLD. An INFLUENCER leads change. An INFLUENCER replaces bad behaviors with powerful new skills. An INFLUENCER makes things happen. This is what it takes to be an INFLUENCER. Whether you're a CEO, a parent, or merely a person who wants to make a difference, you probably wish you had more influence with the people in your life. But most of us stop trying to make change happen because we believe it is too difficult, if not impossible. We learn to cope rather than learning to influence. From the bestselling authors who taught the world how to have Crucial Conversations comes the new edition of Influencer, a thought-provoking book that combines the remarkable insights of behavioral scientists and business leaders with the astonishing stories of high-powered influencers from all walks of life. You'll be taught each and every step of the influence process—including robust strategies for making change inevitable in your personal life, your business, and your world. You'll learn how to: Identify high-leverage behaviors that lead to rapid and profound change Apply strategies for changing both thoughts and actions Marshal six sources of influence to make change inevitable Influencer takes you on a fascinating journey from San Francisco to Thailand to South Africa, where you'll see how seemingly "insignificant" people are making incredibly significant improvements in solving problems others would think impossible. You'll learn how savvy folks make change not only achievable and sustainable, but inevitable. You'll discover breakthrough ways of changing the key behaviors that lead to greater safety, productivity, quality, and customer service. No matter who you are or what you do, you'll never learn a more valuable or important set of principles and skills. Once you tap into the power of influence, you can reach out and help others work smarter, grow faster, live, look, and feel better--and even save lives. The sky is the limit . . . for an Influencer. PRAISE FOR INFLUENCER: "AN INSTANT CLASSIC! Whether you're leading change or changing your life, this book delivers." -- Stephen R. Covey, author of The 7 Habits of Highly Effective People "Ideas can change the world—but only when coupled with influence--the ability to change hearts, minds, and behavior. This book provides a practical approach to lead change and empower us all to make a difference." -- Muhammad Yunus, Nobel Peace Prize Winner "Influencing human behavior is one of the most difficult challenges faced by leaders. This book provides powerful insight into how to make behavior change that will last." -- Sidney Taurel, Chairman and Chief Executive Officer, Eli Lilly and Company "If you are truly motivated to make productive changes in your life, don't put down this book until you reach the last page. Whether dealing with a recalcitrant teen, doggedly resistant coworkers, or a personal frustration that 'no one ever wants to hear my view,' Influencer can help guide you in making the changes that put you in the driver's seat." -- Deborah Norville, anchor of Inside Edition and bestselling author

Losing Your Job and Finding Yourself - Nancy Brout 2016-11-29

Whether losing a job by layoff or by choice, this memoir and guide offers solace, insights, and actions to

navigate a transition that can be traumatic, turbulent, and triumphant. Reading Nancy's story is like having a conversation with a trusted confidant and coach.

Disguised Blessings - Chara Davis 2016-11-15

But I'm Not Depressed - Lia Rees 2017-03-28

Brain injury plunged Lia into a world of distortion and chaos, where her own thoughts and senses could no longer be trusted. Searching for medical help, she found doubt and manipulation instead. But I'm Not Depressed is a bleak but ultimately hopeful tale, and a slap in the face to the culture of psychobabble.

I, Athlete - Josh Mathe 2017-02-26

Are you an athlete? Yes - you are! You may not know it yet, or have ever experienced the intoxicating rush of pure movement, but your inner athlete is lying dormant inside you just waiting to be unleashed! Even if you've played sports or undertaken athletic endeavors, have you really opened yourself to the physical and mental power that simmers just under the surface of your consciousness? You are capable of so much more than you think you are - and the best part is you already know that's true! This book was written for you if you have a burning desire to: - Get healthier - Look better - Feel stronger and more accomplished - Do something physical that you've never done before (from walking a 5K to qualifying for an Ironman!) I, Athlete is an inspirational and practical guidebook for how to find and harness your inner athlete. If you want to do more and be more with your body; if you feel like your limits are still out there waiting to be found; if you hear the chanting echoes of your primal ancestors urging you forward - you are in the right place. It is going to be an exhilarating, often uncomfortable, sometimes terrifying, life-altering journey - and I promise you the rewards are bountiful and sweet. Will you join me?

Principle Or Profit - Ryheim Scott 2016-01-06

Ever since Malcolm James was a child, cold blooded murder has played a significant part in his life. Whether it be from both of his parents being brutally assassinated right in front of him, or having blood on his own hands, murder has been his reality. Constantly haunted and consumed by his own actions, the only thing stronger than Malcolm's thirst for blood, is his hunger for money and power! Flooding the crime ridden and gang infested inner city streets of Denver, Colorado with Cocaine and pounds of Kush, grindin, as his "Gang Green" squad of misfits commit robberies, mayhem and murder while on their way to the top. However, the sudden murder of Malcolm's friend and right hand man, not only cause the homicide rate to shoot through the roof, but also derails their mission. All while Malcolm battles with a dark secret brewing deep down inside, at which only "Tear Drop and Buds" are able to recognize and tame. Both OG's in the game graduating to bosses of a mountain west and west coast black underworld syndicate, whom eventually put Malcolm on the payroll as a triggerman, which of course leads to more problems, money, women, and deadly consequences. Why Principle or Profit you ask? Because nine times outta ten every time a life is taken out in these streets, it's a direct result of one or the other. To profit is self explanatory; however, principle could be ones personal belief, or even a weak emotion like jealousy and greed, to killing over territory, a debt, turf, stripes, or other principles of the streets. At the end of the day we all gotta go, so which one are you willing to die for?
