*Bitchcraft* - Kerry Colburn 2019

Spells to empower the modern woman to exact revenge and take charge For the modern woman who wants to unleash her inner bitch, this magical book offers simple spells and incantations to exact revenge on anyone who deserves it--an evil ex, a coworker who stole her

thunder, the stylist who ignored what 'just a trim' means, the rude idiot who won't stop talking through the movie--the list sadly never ends. This enchanting collection emboldens women to use their own power to take matters into their own hands, with sassy spells for home, work, love, and more. A driver cut you off?

There's a spell for that. Someone on the subway stepped on your shoe and didn't apologize? Just recite an incantation! Boss won't approve your vacation days? Cast a hex! The bitchy witch can also get her friends in on it with included group-cast spells. Complete with 2-color illustrations and inspirational bitchy quotes, *Bitchcraft* is a cheeky twist on witchcraft for the modern woman.

**Mama Gena's School of Womanly Arts** -

Regena Thomashauer 2002-05-01

Mama Gena's School of Womanly Arts shows women how celebrating their sensuality can help them achieve their dreams—"think of it as *The Power of Positive Thinking* as interpreted by Anais Nin" (*The New York Times*). Relationship expert Regena Thomashauer teaches the lost "womanly arts" of identifying your desires,

having fun no matter where you are, knowing sensual pleasure, befriending your inner bitch, flirting (in a way that makes your day, not just his), and more—because making pleasure your priority can actually help you reach your goals. So if you need a refresher course in fun—and you know you do—come to Mama.

**Reform Your Inner Mean Girl** - Amy Ahlers  
2019-11-05

Bestselling authors Christine Arylo and Amy Ahlers show women how to take their self-bullying Inner Mean Girls to reform school with their internationally recognized seven-step program. There is a silent epidemic spreading like wildfire among women—and no one seems to be talking about it. It's in our boardrooms, classrooms, and living rooms on every continent, and it's creating depression, stress, and isolation. Who is this culprit? Meet your Inner Mean Girl, the judgmental, critical, and belittling inner bully that almost every woman hears running through her mind on a daily basis. The

Inner Mean Girl creates undue anxiety, cajoles you into making bad choices, and then berates you when they don't work out. But there is a cure. Reform Your Inner Mean Girl introduces the universal seven-step program that helps women transform their relationships with themselves from self-sabotage to self-love. With a mix of play, humor, creativity, and self-inquiry, Reform Your Inner Mean Girl transforms a woman's self-bullying thoughts, emotions, actions, and feelings, and helps her get in touch with a much more powerful voice—her Inner Wisdom. After graduating, women can finally make choices that create more happiness, peace, love, and success.

*How to Ditch the Bitch* - Leanne Ellington

2014-03-15

It's not every day that you come across an idea so obvious, so simple and yet so powerfully impactful as those presented within the pages of this short book. How To Ditch The Bitch is a truly powerful antidote to all of the naysaying,

negative, and downright nasty things that you've most likely been saying TO yourself ABOUT yourself for as long as you can remember. Things related to how you look (or don't look), how smart (or dumb) you are, how gifted (or untalented) you feel, how valued (or worthless) you rate yourself to be and, in fact, every single horrible, nasty or downright bitchy judgment or comment you've ever thought or said about yourself. Much more than a simple 'be kind to yourself' or 'believe you're worth it' platitude offered by so many others working within the women's self-help genre, this little gem goes deeper by drawing on the latest findings in neuroscience as it relates to self-confidence, self-perception and self-esteem and helps women who are struggling to create change to finally rid themselves of the guilt, shame, and failure labels that are keeping them stuck where they are and living lives they don't love. Written in a clean, clear and highly consumable format, the book speaks to women in language they will

understand and simply 'get' right from the start. By transforming negative thoughts, words and actions from a 'mindset thing' thing to the personalization of their qualities through 'The Bitches', women will finally come to understand why they feel the way they do, where those feelings come from and, perhaps most importantly, what to do about them in order to create rapid yet long-lasting change. In creating *How To Ditch The Bitch*, coach Leanne Ellington has undoubtedly created a giant leap for womankind that will certainly be marked as a turning point in moving women from living lives that they loathe to experiencing lives that they love. If you read the book cover to cover, do the exercises as laid out by Leanne and take the subsequent actions based upon what you find, a better life is not just possible or even probable. It's guaranteed!

**The Book of Bitch** - Ailie Banks 2019-06-17

Writer and artist Ailie Banks is a self-proclaimed bitch. The word has been thrown at her, and the women around her, Ailie's entire life. A bitch is stereotypically thought to be unkind, uncaring and ultimately untrustworthy. But in Ailie's eyes, a bitch is someone who stands firm and speaks their mind in the face of sexist rhetoric. They

don't filter themselves for the comfort of others and they don't give a single damn about meeting societal expectations. From *Ambitious Bitch* to *Zealous Bitch*, *THE BOOK OF BITCH* is an alphabetical tribute to the word sneered through clenched teeth at those who refuse to shrink in the face of oppression. This book shows once and for all that every bitch is multifaceted, every bitch is human and every bitch deserves to be celebrated. 'It's taken me a long time to embrace my inner bitch, but Ailie Banks's incredible illustrations have finally made me proud to say I'm a bitch and that's definitely NOT a bad thing!' Scarlett Curtis, curator of *Feminists Don't Wear Pink* 'I want to be an Ailie Banks kind of bitch. Terrorising bigots, breastfeeding in public, glam while surviving and holding a megaphone - these illustrations are badass and uncompromising. This book just put 'tenacious' back in my vocabulary and on my to-do list.' Bri Lee, author of *Eggshell Skull* 'As a self-identifying, all-encompassing, proud, loud and

powerfully unapologetic bitch, this book speaks to me on too many levels. It has perfect descriptions for the complex narrative that is the life of a bitch, coupled with images that reflect me - chubby, strong, oft-hairy, always beautiful. I feel seen, acknowledged and understood.' Lillian Ahenkan, *FlexMami*

[Nightbitch](#) - Rachel Yoder 2021-07-20

In this blazingly smart and voracious debut novel, an artist turned stay-at-home mom becomes convinced she's turning into a dog. • "A must-read for anyone who can't get enough of the ever-blurring line between the psychological and supernatural that *Yellowjackets* exemplifies." —Vulture One day, the mother was a mother, but then one night, she was quite suddenly something else... An ambitious mother puts her art career on hold to stay at home with her newborn son, but the experience does not match her imagination. Two years later, she steps into the bathroom for a break from her toddler's demands, only to discover a dense

patch of hair on the back of her neck. In the mirror, her canines suddenly look sharper than she remembers. Her husband, who travels for work five days a week, casually dismisses her fears from faraway hotel rooms. As the mother's symptoms intensify, and her temptation to give in to her new dog impulses peak, she struggles to keep her alter-canine-identity secret. Seeking a cure at the library, she discovers the mysterious academic tome which becomes her bible, *A Field Guide to Magical Women: A Mythical Ethnography*, and meets a group of mummies involved in a multilevel-marketing scheme who may also be more than what they seem. An outrageously original novel of ideas about art, power, and womanhood wrapped in a satirical fairy tale, *Nightbitch* will make you want to howl in laughter and recognition. And you should. You should howl as much as you want.

**Skinny Bastard** - Rory Freedman 2009-04-28

For every Skinny Bitch, there's a kick-ass man just as eager to take control of his weight and health. The New York Times bestselling authors now share their tips for turning Dad bods into Skinny Bastards. What's good for the bitch is good for the bastard. Hundreds of thousands of women have been inspired to "use their head" and get real about the food they eat after reading the best-selling manifesto *Skinny Bitch*. But it turns out some men have been reading over their girlfriends' shoulders. Professional athletes such as Milwaukee Brewers' Prince Fielder and the Dallas Mavericks' Jerry Stackhouse have adopted a whole new eating plan because of the book. Now authors Rory Freedman and Kim Barnouin think it's time for the guys to have a book of their own. In *Skinny Bastard*, they'll explain why the macho "meat and potatoes" diet is total crap, why having a gut is un-cool (and a turn-off), and how to get buff on the right foods. Eating well shouldn't be a "girlie" thing-and the Bitches will whip any man

into shape with their straight-talk, sound guidance, and locker room language.

*The Bitch in Your Head* - Dr. Jacqueline Hornor Plumez 2015-05-01

Do you ever find yourself thinking, how could you be so stupid, you look fat, or you're a horrible mother? Are you afraid people will find out you've fooled them into thinking you're competent? If you're guilty of expressing these types of discouraging messages, then you have a bitch in your head. This self-critical behavior can wreak havoc with your life—it can keep you from getting the love you want, the raise you deserve, or even a good night's sleep. Dr. Plumez began to notice a pattern with her patients being too hard on themselves. She found that gentler approaches didn't work, but when she told them they were being a bitch—to themselves!—they

finally recognized their self-defeating attitude and how much it was weighing them down. With this book, Dr. Plumez can help you banish the bitch. It identifies the different types of "bitches"—work, marriage, parenting, and so on—and provides effective tools and techniques to combat the forms of self-destruction described. Once you begin to encourage rather than criticize, you will find that your career, social life, and relationships almost magically improve.

**Release Your Inner Bitch** - Rose Stadler  
2004-11-01

This book was written in an effort to show how to identify faults in defensive alignment, and

with the use of audibles, the means to attack those weaknesses instantaneously! Using the veer offense as a basis, it illustrates a simple progression system that any quarterback can follow, and any teammate can understand. This revolutionary system gives an intelligent advantage to offensive play calling. It offers an offensive scheme that has been cultivated over time and invites cognitive involvement by each team member. When players walk to the line, they approach it with a certain intellectual awareness, and the confidence in knowing that whatever play is called, it will have a great opportunity for success. It gives players ownership, keeps them mentally aware, and most importantly, "it makes the game fun!" "It was a lot of fun exploiting the defense. T-Reads was a great weapon because the defense really never knew what we were doing." Greg Aylsworth All-State Quarterback "It's an amazing system for high school athletes. It was so nice to have the decision-making process in the hands of

the players. It was awesome!" Brian Maurer All-State Quarterback "Calling the play after the defense is set is a huge advantage. It's like being able to see in the future. It was so much fun!"

**Taming Your Alpha Bitch** - Christy Whitman  
2012-01-31

In many areas women have earned the equality we've been fighting for. We've broken through glass ceilings and achieved great success. We've shown that we can prosper by our own means. And we've become influential, respected leaders.

Yet many of us find ourselves unhappy, anxious, overwhelmed. Where's the pot of gold at the end of our "I can do it just like a man" rainbow? The problem is that while we can be as successful as a man, we don't get there through a masculine approach. Being a "damsel in distress" is not the way to make your dreams come true, but neither is being the hyper-aggressive Alpha Bitch. In this New York Times bestselling book, transformation leaders Christy Whitman and Rebecca Grado reveal how when women try to claim power through a forceful "take no prisoners" approach it ultimately works against us and undermines our best efforts to create the life of our dreams. In fact, wielding Alpha Bitch force is ironically disempowering, because it introduces conflict, struggle, and competition into our personal and professional relationships, blocking women from creating the life we desire. How do you change from being a controlling, competitive, and disruptive Alpha Bitch to being an Empowered Female who is allowing,

collaborative, and balanced? Enter the Laws of the Universe: • The Law of Attraction • The Law of Allowing • The Law of Pure Potentiality • The Law of Oneness • The Law of Balance and Harmony • The Law of Sufficiency and Abundance Taming the Alpha Bitch will show you how to use these laws to create freedom, joy, and abundance in your life. By using this knowledge, you put yourself in the ideal position for attracting those things you want with ease and effortlessness, not struggle and pain.

**Boss Bitch** - Nicole Lapin 2017-03-21

New York Times bestselling author Nicole Lapin is back with a sassy and actionable guide empowering women to be the boss of their own lives and careers. You don't need dozens or hundreds of employees to be a boss, says financial expert and serial entrepreneur Nicole Lapin. Hell, you don't even need one. You just need to be confident, savvy, and ready to get out there and make your success happen. You need to find your inner Boss Bitch — your most

confident, savvy, ambitious self—and own it. A Boss Bitch is the she-ro of her own story. She is someone who takes charge of herself and her future and embraces being a “boss” in all senses of the word: whether as the boss of her own life, a boss at work, or the literal boss of her own company (or all three). Whichever she chooses, being a Boss Bitch isn’t something to apologize for—it’s something to be proud of! We all have what it takes to be a boss bitch, says Lapin. The problem is: we don’t learn how to do it in school. Even if we study business, we’re not getting enough real-deal business education. Until now. Here, Lapin draws on raw and often hilariously real stories from her own career and experiences starting businesses—the good, the bad, and the ugly—to show what it means to be a “boss” in twelve easy steps. In her refreshingly honest and relatable style, she first shows how to embrace the boss-of-you mentality by seizing the power that comes from believing in yourself and expanding your personal skillset. Then she

offers candid no-nonsense advice on how to kill it as the boss at work whether you have a high-up role or not. And finally, for those who want to take the plunge as an entrepreneur, she lays out the nuts and bolts of how to be the boss of your own business—from raising money and getting it off the ground to hiring a kickass staff and dealing office drama to turning a profit. Being a rock star in your career is something that should be worn as a badge of honor. Here Lapin shows how to crush it in our careers like like a Boss Bitch!

**Finding Your Inner Bitch** - Pamela J Maxson  
2019-07-17

Your inner bitch is the true you - the you that has been there all along but has perhaps intentionally gone into hiding or has been buried by internal and external messages about how we should behave. She is the you that is willing to stand up for yourself. She is an empowered, thoughtful woman, who understands how her path, bumps and all, made her who she is and who has a vision for her path forward. Our inner bitch is true to self, in tune with what she believes and wants, compassionate, sure of herself and her values, which allows her to more fully and generously hear others and live a genuine and wholehearted life. When you find her, she will help you live your most fulfilled,

authentic life. She will help you know what you want and how to work towards that while being compassionate and thoughtful. So you can step fully into your life. Now. Not later. No more slogging through your days to get to an elusive 'someday' when you can live your life and do what you want. This book will help you get in touch with who you are and encourage you to be confident sharing your true self, to help you understand and embrace that you are worthy of being heard. Finding your inner bitch is a journey of discovery, excavation, release, nurture, and celebration, so she, and you, can thrive. Years of hiding can lead to a myriad of issues, including self-doubt, low self-esteem, anxiety, and unhealthy behaviors. You have one life. Don't wait to live it. Who is the essential you? How can you express her? What is it that you want out of life? How can you live your best life? And if you live your best life, what are the amazing consequences? Who would be watching and learning from you? Who would benefit from

this beyond yourself? We need the unleashed thoughts and power of all people.

**It's Not Really About the Hair** - Tabatha Coffey 2011-01-25

Fans of the hit Bravo show Tabatha's Salon Takeover tune in for the straight-shooting, unvarnished commentary of its ballsy, stylish, and savvy star. Though millions admire Tabatha Coffey's unflinching honesty and never-say-die attitude, some do not and have even taken to name-calling. Refusing to let others define her, she has reclaimed the word "bitch," transforming it to fit the person she is: Brave, Intelligent, Tenacious, Creative, and Honest. In *It's Not Really About the Hair*, this deeply private woman shares the experiences of her own life to encourage you to get in touch with your own inner bitch. Tabatha reveals how she used her strength and openness to help define her signature look, personal relationships, life choices, and tenacious work ethic—one that in her own words likens her to "a pit bull with a

bone." Here are the people and the circumstances that have led her to a place of honesty, self-assurance, satisfaction, and success—from her tough-minded mum to her famous mentors, her peers, and clients. Part memoir, part business manual, and part coaching guide on achieving self-acceptance and love, *It's Not Really About the Hair* teaches you that it's all right to be who you are, stand up for what you believe in, and do what makes you happy without being defined by others. Tabatha Coffey's raw, funny, shocking, and always inspirational story will encourage you to celebrate the long-lasting and most important beauty of all—the true beauty that is you.

*Rich Bitch* - Nicole Lapin 2015-03-01

Talking about money sucks; but so does being broke. Do your eyes glaze over just thinking about the mumbo-jumbo of finance? Do you break out into hives at the thought of money? Well, sister, you are not alone. In *RICH BITCH*, money expert and financial journalist Nicole Lapin lays out a 12-Step Plan in which she shares her experiences, mistakes and all, of getting her own finances in order. No lecturing, just help from a friend. And even though money is typically an off-limits conversation, nothing is off-limits here. Lapin rethinks every piece of financial wisdom you've ever heard and puts her own fresh, modern, sassy spin on it. Sure, there are some hard-and-fast rules about finance, but when it comes to your money, the only person who can spend it is you. Should you invest in a 401(k)? Maybe not. Should you splurge on that morning latte? Likely yes. Instead of nickel-and-diming yourself, Nicole's advice focuses on investing in yourself so you don't have to stress over the little things. But in order to do that, you

have to be able to speak the language of money. After all, money is a language like anything else, and the sooner you can join the conversation, the sooner you can live the life you want, RICH BITCH rehabs whatever bad habits you might have and provides a plan you can not only sustain, but thrive with. It's time to go after the rich life you deserve, and confident enough to call yourself a RICH BITCH.

How To Be a Bitch - Marissa Tindall 2019-10-10  
How To Be a Bitch: How Women Who Have It All Actually Have It All Have you been in a situation where you say things like, "I can't bring this painting out this way, it is not good enough," "I would have loved to take the job but I think I am not ready for it," or, "Why should I show an interest when other people can do it far better than me?" If you have, it shows that your confidence is low and it is holding you back, limiting your choices, and finally giving your power to perfectionism-something that we shouldn't do. This book has the tricks that will empower you as a woman. You will learn how to outgrow your career. It is time to know how to balance everything in your life. There are also aspects of how to develop good habits, persevering and ensuring you attain more productivity. No one is born blank. Nature has created several placeholders in us - there is the

part of us that yearns for the 'Hows.' How do I look attractive? How do I avoid being rude? How do I compare? How do I win over that guy? And, of course, how do I succeed? To each one of these and several others, we have answers. These answers are not carefully thought-out ones - we just happen to know the answers, thanks to society. Society performs one function - it fills in the various blank spaces in our consciousness with different types of ideas, thoughtful and dogmatic. You really cannot blame yourself for having these ideas - not many of us are born geniuses. The ability to sit down and contemplate our affairs very profoundly and critically is something we learn with considerable effort. But because we lack the determination to carry out this exercise, we simply follow the current of society. Do you think I am wrong? Well, let's see, shall we? Shriver - Chris Belden 2015-09-29

In this charming, clever, and darkly satiric novel set at a writers' conference, one man finds himself caught in a whirlwind of literary pretention, a suspect in a criminal investigation, and hopelessly in love with a woman who thinks he's someone else. Mistaken for a famous but reclusive author of the same name, lonely Shriver attends a writers' conference at a small Midwestern liberal arts college. Completely unfamiliar with the novel he supposedly wrote and utterly unprepared for the magnitude of the reputation that precedes him, Shriver is feted, fawned over, featured at stuffy literary panels, and barely manages to play it cool. Things quickly go awry when one of the other guest authors suddenly disappears and Shriver becomes a prime suspect in the investigation. Amidst eager fans, Shriver must contend with a persistent police detective, a pesky journalist determined to unearth his past, and a mysterious and possibly dangerous stalker who

seems to know his secret. But most vexing of all, Shriver's gone and fallen in love with the conference organizer, who believes he's someone else. When the "real" Shriver (or is he?) appears to claim his place among the literati, the conference—and Shriver's world—threaten to unravel. Filled with witty dialogue, hilarious antics, and a cast of bizarre and endearing characters, Shriver is at once a touching love story, a surreal examination of identity, and an affectionate tribute to the power of writing.

*Lucky Bitch* - Denise Thomas 2018-03-20

Can you learn to be lucky? Self-made millionaire Denise Duffield-Thomas not only believes this is possible, she knows it's possible. From being broke, hating her office job and generally having a life that made her completely miserable, Denise went on to travel the world and make all

of her dreams come true within the space of a few years. She attracted more than half a million dollars- worth of free travel, scholarships, prizes and bank errors in her favour, and in this book she reveals how you can do the same. Whether you're already lucky and want to attract even more into your life, or you feel like your luck is just about to run out, *Lucky Bitch* will show you how to take action in areas of your life that are lacking in magic. With her trademark humour and encouragement, Denise gives clear and effective instructions based on the principles of the Law of Attraction to get you closer to living your dream life. You'll also learn the 'Ten Lucky Bitch Commandments' and how to use them to create luck in all areas of life, including business and money. This book has already changed the lives of tens of thousands of women. Now it has the potential to change yours. If you've been asking for an answer or a miracle, this book is it!
