**Wars of the Iroquois** - George T. Hunt 2004-09-14

Back in print. George T. Hunt's classic 1940 study of the Iroquois during the middle and late seventeenth century presents warfare as a result of depletion of natural resources in the Iroquois homeland and tribal efforts to assume the role of middlemen in the fur trade between the Indians to the west and the Europeans.

**Hidden in Plain Sight** - Daniel J. K. Beavon 2005-01-01

The history of Aboriginal people in Canada taught in schools and depicted in the media tends to focus on Aboriginal displacement from native lands and the consequent social and cultural disruptions they have endured. Collectively, they are portrayed as passive victims of European colonization and government policy, and, even when well intentioned, these depictions are demeaning and do little to truly represent the role Aboriginal peoples have played in Canadian life. *Hidden in Plain Sight* adds another dimension to the story, showing the extraordinary contributions Aboriginal peoples have made and continue to make to the Canadian experience. From treaties to contemporary arts and literatures, Aboriginal peoples have helped to define Canada and have worked to secure a place of their own making in Canadian culture. For

this volume, editors David R. Newhouse, Cora J. Voyageur, and Daniel J.K. Beavon have brought together leading scholars and other impassioned voices, and together, they give full treatment to the Aboriginal contribution to Canada's intellectual, political, economic, social, historic, and cultural landscapes. Included are profiles of several leading figures such as actor Chief Dan George, artist Norval Morrisseau, author Tomson Highway, activist Anna Mae Pictou Aquash, and politician Phil Fontaine, among others. Canada simply would not be what it is today without these contributions. The first of two volumes, *Hidden in Plain Sight* is key to understanding and appreciating Canadian society and will be essential reading for generations to come.

VICTIMES AU BANC DES ACCUSÉS - Pierre Marion 2013-11

Le gérant de crédit d'une institution bancaire du Québec se fait enlever un soir d'été en 1977. Les ravisseurs l'emmènent à une cinquantaine de kilomètres de là, l'enferment dans un cachot souterrain et exigent de ses employeurs qu'ils paient une forte rançon pour sa libération. Les

autorités mandatent un groupe d'élite pour diriger l'enquête qui piétinera pendant des mois. La stratégie utilisée soumettra l'otage et ses proches à des pressions insupportables tant de la part des policiers que de certains médias. Cette approche suscitera éventuellement chez les lecteurs et auditeurs des doutes quant à l'identité des coupables et entachera ainsi à jamais la réputation de plusieurs personnes. L'affaire sera finalement résolue par un policier, ancien gardien de prison, doté d'un sens de l'observation et d'une conscience professionnelle remarquables. Ce livre raconte l'histoire de l'enlèvement, de l'enquête et de ses conséquences telles que perçues et subies par l'otage et sa famille. C'est Pierre Marion, le fils de l'otage qui raconte l'histoire. Il a choisi de le faire à la troisième personne en changeant son nom et celui de la plupart des personnages afin que leur identité ne distraie pas le lecteur de la trame du récit et de la grande détresse vécue par les victimes.

**Allumette Island Massacre and Three Other Canadian Crime Stories** - Keith Landry 2019-12-16

There are four compelling true Canadian crime stories from the past, as reported in daily newspapers by journalists who cleverly and diligently wrote accounts of ghastly crimes for their readership. The first occurred in the 1930s in Western Quebec. It is a true story of a man who shot to

death five members of his own family. The investigation, trials and hanging were the most followed crime news of the 1930s. The incidents, places and characters are real. Readers will be mesmerized by the investigators' efforts to solve the case to satisfy a jury to convict, and the real courtroom drama that took place to reach justice. The second took place in Ontario. Two young men paid a high price for brazenly trying to beat the establishment. The story portrays their personalities and characters for the reader to try to understand what motivated them to act. The third story takes place in Saskatchewan, is about a man who chose a destructive lifestyle, resulting in two followers joining him in a robbery and then ruthless murder. The final story, in Alberta, is about a young man who strayed at a young age into a criminal life and finally murder. The story tells of his escape and subsequent capture. Characters' names were changed in the last three stories. The cover page photo is credited to P.199 of Wiki Media. Copyright(c) Keith H Landry, 2019 All rights reserved.
