Girl, Stop Passing Out in Your Makeup - Zara Barrie 2020-05-19

“Self-help meets memoir. Party girl meets wise sage. Beauty meets reality. Zara Barrie is the cool older sister you wish you had. The one that lets you borrow her designer dresses and ripped up fishnets, buys you champagne (she loves you too much to let you drink beer), and colors your lips with bright pink lipstick. She'll take you to the coolest parties, and will stick by your side and she guides you through the glitter, pain, danger, laughter, and what it means to be a f*cked up girl in this f*cked up world (both of which are beautiful despite the darkness). *Girl, Stop Passing Out in Your Makeup* is for the girls that are too much of a beautiful contradiction to be contained. Zara is a gifted writer—one second she'll have you laughing over rich girls agonizing over which Birkin bag to buy, the next second she'll shatter your heart in one sentence about losing one's innocence. Zara is the nuanced girl she

writes for—light, irreverent, snarky, bitchy, funny; and aching, perceptive, deep, flawed, wise, poised, honest—all at once. Perhaps the only thing that can match Zara's unparalleled wit and big sister advice is her candid humor and undeniable talent for the written word. Zara is one of the most prolific and entertaining honest voices on the internet—and her talent is only multiplied in book form. Girl, Stop Passing Out in Your Makeup is for the bad girls, honey.”—Dayna Troisi, Executive Editor, GO Magazine “Reading Zara's writing will make you feel like you're at your cool-as-hell big sister's sleepover party. You will be transfixed by her unflinching honesty and words of wisdom, and she'll successfully convince you to not only ditch the shame you feel about the raw and messy parts of yourself, but to dare to see them as beautiful.”—Alexia LaFata, Editor, New York Magazine “If Cat Marnell and F. Scott Fitzgerald had a literary baby it would be Zara Barrie. She's got Marnell's casual, dark, downright hilarious tone of an irreverent party girl. But then she also has Fitzgerald's talent for making words literally feel like they sparkle on the page. I've always been a fan of Zara's writing but Girl, Stop Passing Out in Your Makeup takes it to the next level. With shimmery words that make her dark stories sparkle, she seamlessly manages to inspire even the most coked-out girl at the party to get her shit together.”—Candice Jalili, Senior Sex & Dating Writer, Elite Daily

The Notebook - Nicholas Sparks 2000-01-05

*Good Sh*t* - Julia Blohberger 2021-12-28

It's time to talk sh*t—literally—with this relatable and humorous interactive handbook that will help you conquer the (ceramic) throne so you can conquer your life. If you grew up in the Western world, you were probably taught that poop is gross. Unspeakable, even. But it's a waste to think of poop as a waste. Bags under our eyes tell us we're not getting enough sleep. Sallow skin, thinning hair, and brittle nails tell us if our diets are imbalanced or if we're overstressed. Poop tells us all of that—and much more. This friendly and conversational handbook from two certified yoga and Ayurveda coaches teaches you how to think of poop as a useful gauge of overall health, and helps you track the effects of simple lifestyle adjustments with:

- A seven-day tracker to observe your current poop health.
- Insights on the impact of diet, exercise, sleep, and stress on your poop, with tips for making improvements in all areas.
- Journal prompts that help you analyze behaviors that lead to good and bad poops.
- A 21-day tracker to help you see the positive impact of lifestyle changes on your poop over time.

*Love Unfu*ked* - Gary John Bishop 2022-01-18

From the New York Times bestselling author of *Unfu*k Yourself* comes tough-love that explains what makes relationships work: you taking responsibility to fix yourself. "Love is patient, love is blind. . ." Until it's not. Then what? No matter how much advice we get or how much work we do on our "stuff," nothing ever seems to make the difference. The truth of it is, you're woefully ill-equipped for one of the most life-defining things you will ever take on—being in a committed relationship. Whether you're currently in one, want to be in one, half in-half out, getting over one, married, single, separated, divorced, or just overwhelmed with the whole thing, let's cut through the morass of relationship schtick and put you back in charge. No flowery BS, no woo-woo strategies, systems, or techniques, just real talk, for real people who want a real relationship in their life that actually works.

[Together We Will Go](#) - J. Michael Straczynski 2022-02-22

The Breakfast Club meets *The Silver Linings Playbook* in this powerful, provocative, and heartfelt novel about twelve strangers who come together to make the most of their final days, from New York Times bestselling and award-winning author J. Michael Straczynski. Mark Antonelli, a failed young writer looking down the barrel at thirty, is planning a cross-country road trip. He buys a beat-up old tour bus. He hires a young army vet to drive it. He puts out an ad for others to join him along the way. But this will be a road trip like no other: His passengers are all fellow disheartened souls who have decided that this will be their final journey—upon arrival in San Francisco, they will find a cliff with an amazing view of the ocean at sunset, hit the gas, and drive out of this world. The unlikely companions include a young woman with a chronic pain sensory disorder and another who was relentlessly bullied

at school for her size; a bipolar, party-loving neo-hippie; a gentle coder with a literal hole in his heart and blue skin; and a poet dreaming of a better world beyond this one. We get to know them through access to their texts, emails, voicemails, and the daily journal entries they write as the price of admission for this trip. By turns tragic, funny, quirky, charming, and deeply moving, *Together We Will Go* explores the decisions that brings these characters together, and the relationships that grow between them, with some discovering love and affection for the first time. But as they cross state lines and complications to the initial plan arise, it becomes clear that this is a novel as much about the will to live as it is the choice to end it. The final, unforgettable moments as they hurtle toward the outcomes awaiting them will be remembered for a lifetime.

To Do - Knock Knock 2003-11-21

You Must Not Miss - Katrina Leno 2019-04-23

One of Us Is Lying meets Carrie in this suspenseful story of friendship, family, and revenge. Magpie Lewis started writing in her yellow

notebook the day after her family self-destructed. The day her father ruined her mother's life. The day Eryn, Magpie's sister, skipped town and left her to fend for herself. The day of Brandon Phipp's party. Now Magpie is called a slut in the hallways of her high school, her former best friend won't speak to her, and she spends her lunch period with a group of misfits who've all been as socially exiled as she has. And so, feeling trapped and forgotten, Magpie retreats to her notebook, dreaming up a magical place called Near. Near is perfect - a place where her father never cheated, her mother never drank, and Magpie's own life never derailed so suddenly. She imagines Near so completely, so fully, that she writes it into existence, right in her own backyard. At first, Near is a peaceful escape, but soon it becomes something darker, somewhere nightmares lurk and hidden truths come to light. Soon it becomes a place where Magpie can do anything she wants...even get her revenge. *You Must Not Miss* is an intoxicating, twisted tale of magic, menace, and the monsters that live inside us all.

The Entrepreneur's Guide to Keeping Your Sh*t Together - Sherry Walling 2017-12-10

Learn how to stay sane and ensure both you and your business thrive for years. You run a business. And running a business is hard. It can ruin your health. It can ruin your relationships. It can ruin your life. But only if you don't equip yourself for the journey. The responsibility, stress and loneliness of being an entrepreneur are a far cry from your friends who work salaried jobs. The path of least resistance is to let the stress and isolation of starting, running and growing a business infiltrate most aspects of your life. Over and over we've watched our fellow entrepreneurs succumb to the mental toll and chaos of running a business. We've also experienced it firsthand as we've launched and grown our own businesses. Odds are good that you've been overwhelmed at some point. Maybe you've read self help books only to find that books about stress management typically don't take into account the unique experience of entrepreneurs. Or they're 'lifhacks' written by a blogger with no formal training, offering advice based on anecdotes. Why do I need this book? You want to invest in yourself (and consequently, your business). You want to learn proven strategies, tactics and techniques to overcome the challenges that cause you heartburn and headaches. You want to get off the treadmill of stress, anxiety and isolation that entrepreneurship brings. You want to prevent burnout, depression, isolation, and the emergence of damaging coping strategies and self-sabotaging choices. Every aspect of this book is a pairing of psychological expertise with decades of entrepreneurial experience. Author, Seth Godin calls it, "A personal, generous and incredibly useful guide to staying sane and changing the world at the same time. Read it before you think you need it." Here are just a few things you will take away: New ways to deal with the responsibility and fear that go along with being an entrepreneur Why knowing yourself and where you came from is crucial to your success How to succeed as an entrepreneur no matter your personality type How to keep stress from ruining your relationships Dealing with depression, anxiety, burnout, ADHD and other common psychological burdens How to get more things done - and faster - by dealing with procrastination, distraction and muddled priorities How to deal with overwhelming (seemingly) massive failures How to find

personal calm in the midst of chaos And much more... Love the book? Read a review! And join the conversation by joining our Facebook Group: www.facebook.com/groups/zenfounder/

Get It Done - Sam Bennett 2014

"Organized" and "artist" don't usually go together. Creative types are more often seen as sensitive, melodramatic, eccentric, misunderstood, and the like. To labels like this, Sam Bennett says, "Congratulations! You're an artist." And through The Organized Artist Company, she has coached hundreds of artists to overcome procrastination, lack of focus, and time-sucking habits so that they can get their art done and out into the world. Bennett explains why "procrastination is genius in disguise" and then prescribes dozens of wonderfully revelatory exercises. From

"My Heroes" lists to "Could Do" lists (because To-Do lists make Bennett belligerent) to recognizing who you should not talk to about your project and when research has created Analysis Paralysis, each of these actions requires only a 15-minute commitment. But while quickly accomplished, each shifts the reader's thinking and prompts the kind of insights that have the power to turn underperforming geniuses into accomplished artists"--

You Do You - Sarah Knight 2017-11-21

From the New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck* and *Get Your Sh*t Together* comes more straight talk about how to stand up for who you are and what you really want, need, and deserve -- showing when it's okay to be selfish, why it's pointless to be perfect, and how to be "difficult." Being yourself should be easy, yet too many of us struggle to live on other people's terms instead of our own. Rather than feeling large and in charge, we feel little

and belittled. Sound familiar? Bestselling "anti-guru" Sarah Knight has three simple words for you: YOU DO YOU. It's time to start putting your happiness first -- and stop letting other people tell you what to do, how to do it, or why it can't be done. And don't panic! You can do it without losing friends and alienating people. Knight delivers her trademark no-bullsh*t advice about: The Tyranny of "Just Because" The social contract and how to amend it Turning "flaws" into strengths -- aka "mental redecorating" Why it's not your job to be nice Letting your freak flag fly How to take risks, silence the doubters, and prove the haters wrong Praise for Sarah Knight: "Genius." -- Cosmopolitan "Self-help to swear by." -- The Boston Globe "Hilarious... truly practical." -- Booklist
