Economics for Prophets - Walter L. Owensby
1988

Owensby has written this book to help Christians take part more confidently and effectively in the dialogue on ethics and economics. *Economics for Prophets* is an introduction to the subject (it assumes no previous exposure to economics studies or jargon) that takes a helpful three-step approach. It explains some of the basic concepts of our economic system, explores how these concepts function in the real world, and critiques both the concepts and their practical working out from a biblical-theological-ethical perspective.
