August - Tracy Letts 2010-07-09

One of the most bracing and critically acclaimed plays in recent Broadway history, August; Osage County a portrait of the dysfunctional American family at its finest - and absolute worst. When the patriarch of the Weston clan disappears one hot summer night, the family reunites at the Oklahoma homestead, where long-held secrets

are unflinchingly and uproariously revealed.

[Physics of the Impossible](#) - Michio Kaku

2008-03-11

Teleportation, time machines, force fields, and interstellar space ships—the stuff of science fiction or potentially attainable future technologies? Inspired by the fantastic worlds of Star Trek, Star Wars, and Back to the Future,

renowned theoretical physicist and bestselling author Michio Kaku takes an informed, serious, and often surprising look at what our current understanding of the universe's physical laws may permit in the near and distant future. Entertaining, informative, and imaginative, *Physics of the Impossible* probes the very limits of human ingenuity and scientific possibility.

Last Olympian, The (Percy Jackson and the Olympians, Book 5) - Rick Riordan 2009-05-02

All year the half-bloods have been preparing for battle against the Titans, knowing the odds of victory are grim. Kronos's army is stronger than ever, and with every god and half-blood he recruits, the evil Titan's power only grows. While the Olympians struggle to contain the rampaging monster Typhon, Kronos begins his advance on New York City, where Mount Olympus stands virtually unguarded. Now it's up to Percy Jackson and an army of young demigods to stop the Lord of Time.

Infinite Jest - David Foster Wallace 2009-04-13

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, *Infinite Jest* explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, *Infinite Jest* bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." -- Sven Birkerts, *The Atlantic*

How Would You Move Mount Fuji? - William Poundstone 2003-05-01

For years, Microsoft and other high-tech companies have been posing riddles and logic puzzles like these in their notoriously grueling job interviews. Now "puzzle interviews" have become a hot new trend in hiring. From Wall Street to Silicon Valley, employers are using tough and tricky questions to gauge job candidates' intelligence, imagination, and problem-solving ability -- qualities needed to survive in today's hypercompetitive global marketplace. For the first time, William Poundstone reveals the toughest questions used at Microsoft and other Fortune 500 companies -- and supplies the answers. He traces the rise and controversial fall of employer-mandated IQ tests, the peculiar obsessions of Bill Gates (who plays jigsaw puzzles as a competitive sport), the sadistic mind games of Wall Street (which reportedly led one job seeker to smash a forty-third-story window), and the bizarre excesses of

today's hiring managers (who may start off your interview with a box of Legos or a game of virtual Russian roulette). *How Would You Move Mount Fuji?* is an indispensable book for anyone in business. Managers seeking the most talented employees will learn to incorporate puzzle interviews in their search for the top candidates. Job seekers will discover how to tackle even the most brain-busting questions, and gain the advantage that could win the job of a lifetime. And anyone who has ever dreamed of going up against the best minds in business may discover that these puzzles are simply a lot of fun. Why are beer cans tapered on the end, anyway?

Consumer Behavior - Delbert Hawkins 2009

Friction - Anna Lowenhaupt Tsing 2011-10-23
A wheel turns because of its encounter with the surface of the road; spinning in the air it goes nowhere. Rubbing two sticks together produces heat and light; one stick alone is just a stick. In both cases, it is friction that produces

movement, action, effect. Challenging the widespread view that globalization invariably signifies a "clash" of cultures, anthropologist Anna Tsing here develops friction in its place as a metaphor for the diverse and conflicting social interactions that make up our contemporary world. She focuses on one particular "zone of awkward engagement"--the rainforests of Indonesia--where in the 1980s and the 1990s capitalist interests increasingly reshaped the landscape not so much through corporate design as through awkward chains of legal and illegal entrepreneurs that wrested the land from previous claimants, creating resources for distant markets. In response, environmental movements arose to defend the rainforests and the communities of people who live in them. Not confined to a village, a province, or a nation, the social drama of the Indonesian rainforest includes local and national environmentalists, international science, North American investors, advocates for Brazilian rubber tappers, UN

funding agencies, mountaineers, village elders, and urban students, among others--all combining in unpredictable, messy misunderstandings, but misunderstandings that sometimes work out. Providing a portfolio of methods to study global interconnections, Tsing shows how curious and creative cultural differences are in the grip of worldly encounter, and how much is overlooked in contemporary theories of the global.

The Haunting of Hill House - Shirley Jackson
2016-09-27

The greatest haunted house story ever written, the inspiration for a 10-part Netflix series directed by Mike Flanagan and starring Michiel Huisman, Carla Gugino, and Timothy Hutton First published in 1959, Shirley Jackson's *The Haunting of Hill House* has been hailed as a perfect work of unnerving terror. It is the story of four seekers who arrive at a notoriously unfriendly pile called Hill House: Dr. Montague, an occult scholar looking for solid evidence of a "haunting"; Theodora, his lighthearted assistant;

Eleanor, a friendless, fragile young woman well acquainted with poltergeists; and Luke, the future heir of Hill House. At first, their stay seems destined to be merely a spooky encounter with inexplicable phenomena. But Hill House is gathering its powers—and soon it will choose one of them to make its own. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Everything Store - Brad Stone 2013-10-15
The authoritative account of the rise of Amazon and its intensely driven founder, Jeff Bezos, praised by the Seattle Times as "the definitive

account of how a tech icon came to life." Amazon.com started off delivering books through the mail. But its visionary founder, Jeff Bezos, wasn't content with being a bookseller. He wanted Amazon to become the everything store, offering limitless selection and seductive convenience at disruptively low prices. To do so, he developed a corporate culture of relentless ambition and secrecy that's never been cracked. Until now. Brad Stone enjoyed unprecedented access to current and former Amazon employees and Bezos family members, giving readers the first in-depth, fly-on-the-wall account of life at Amazon. Compared to tech's other elite innovators -- Jobs, Gates, Zuckerberg -- Bezos is a private man. But he stands out for his restless pursuit of new markets, leading Amazon into risky new ventures like the Kindle and cloud computing, and transforming retail in the same way Henry Ford revolutionized manufacturing. The Everything Store is the revealing, definitive biography of the company that placed one of the

first and largest bets on the Internet and forever changed the way we shop and read.

Out of My Mind - Sharon M. Draper 2012-05

Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time.

White is for Witching - Helen Oyeyemi

2014-02-04

Winner of the Somerset Maugham Award One of Granta's Best Young British Novelists From the acclaimed author of *What Is Not Yours Is Not Yours*, *Gingerbread*, and *Peaces* There's something strange about the Silver family house in the closed-off town of Dover, England. Grand and cavernous with hidden passages and buried secrets, it's been home to four generations of Silver women—Anna, Jennifer, Lily, and now Miranda, who has lived in the house with her twin brother, Eliot, ever since their father converted it to a bed-and-breakfast. The Silver women have always had a strong connection, a

pull over one another that reaches across time and space, and when Lily, Miranda's mother, passes away suddenly while on a trip abroad, Miranda begins suffering strange ailments. An eating disorder starves her. She begins hearing voices. When she brings a friend home, Dover's hostility toward outsiders physically manifests within the four walls of the Silver house, and the lives of everyone inside are irrevocably changed. At once an unforgettable mystery and a meditation on race, nationality, and family legacies, *White is for Witching* is a boldly original, terrifying, and elegant novel by a prodigious talent.

Queen of Air and Darkness - Cassandra Clare

2019-10-08

Dark secrets and forbidden love threaten the very survival of the Shadowhunters in Cassandra Clare's *Queen of Air and Darkness*, the final novel in the New York Times and USA TODAY bestselling *The Dark Artifices* trilogy. *Queen of Air and Darkness* is a *Shadowhunters* novel.

What if damnation is the price of true love? Innocent blood has been spilled on the steps of the Council Hall, the sacred stronghold of the Shadowhunters. Their society now teeters on the brink of civil war. One fragment of the Blackthorn family flees to Los Angeles, seeking to discover the source of the disease that is destroying the race of warlocks. Meanwhile, Julian and Emma take desperate measures to put their forbidden love aside and undertake a perilous mission to Faerie to retrieve the Black Volume of the Dead. What they find there is a secret that may tear the Shadow World asunder and open a dark path into a future they could never have imagined. Caught in a race against time, Emma and Julian must save the world of the Shadowhunters before a deadly curse destroys them and everyone they love.

[Everything I Never Told You](#) - Celeste Ng

2014-06-26

The acclaimed debut novel by the author of Little Fires Everywhere and Our Missing Hearts

“A taut tale of ever deepening and quickening suspense.” —O, the Oprah Magazine “Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family.”

—Entertainment Weekly “Lydia is dead. But they don’t know this yet.” So begins this exquisite novel about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee, and her parents are determined that she will fulfill the dreams they were unable to pursue. But when Lydia’s body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, *Everything I Never Told You* is both a gripping page-turner and a sensitive family portrait, uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another.

Wikinomics - Don Tapscott 2008-04-17

The acclaimed bestseller that's teaching the world about the power of mass collaboration. Translated into more than twenty languages and named one of the best business books of the year by reviewers around the world, *Wikinomics* has become essential reading for business people everywhere. It explains how mass collaboration is happening not just at Web sites like Wikipedia and YouTube, but at traditional companies that have embraced technology to breathe new life into their enterprises. This national bestseller reveals the nuances that drive wikinomics, and share fascinating stories of how masses of people (both paid and volunteer) are now creating TV news stories, sequencing the human genome, remixing their favorite music, designing software, finding cures for diseases, editing school texts, inventing new cosmetics, and even building motorcycles.

An Attempt at Exhausting a Place in Paris -

Georges Perec 2010

By Georges Perec.

The Stone Angel - Margaret Laurence

2010-10-08

The film adaptation of Margaret Laurence's *The Stone Angel*, starring acclaimed actresses Ellen Burstyn and Ellen Page, and introducing Christine Horne, opens in theatres May 9, 2008. This special fortieth-anniversary edition of Margaret Laurence's most celebrated novel will introduce readers again to one of the most memorable characters in Canadian fiction. Hagar Shipley is stubborn, querulous, self-reliant, and, at ninety, with her life nearly behind her, she makes a bold last step towards freedom and independence. As her story unfolds, we are drawn into her past. We meet Hagar as a young girl growing up in a black prairie town; as the wife of a virile but unsuccessful farmer with whom her marriage was stormy; as a mother who dominates her younger son; and, finally, as an old woman isolated by an uncompromising pride and by the stern virtues she has inherited from her pioneer ancestors. Vivid, evocative,

moving, The Stone Angel celebrates the triumph of the spirit, and reveals Margaret Laurence at the height of her powers as a writer of extraordinary craft and profound insight into the workings of the human heart.

iOS Forensic Analysis - Sean Morrissey

2011-09-22

iOS Forensic Analysis provides an in-depth look at investigative processes for the iPhone, iPod Touch, and iPad devices. The methods and procedures outlined in the book can be taken into any courtroom. With never-before-published iOS information and data sets that are new and evolving, this book gives the examiner and investigator the knowledge to complete a full device examination that will be credible and accepted in the forensic community.

Investing 101 - Michele Cagan 2016

This hands-on lesson in investing keeps you engaged as you learn how to build a portfolio and expand your savings.

100 Moral Stories - Akramulla Syed 2017-05-27

This book is one of the many Islamic publications distributed by Mustafa Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Mustafa Organization is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your involvement and support. Its objectives are numerous, yet its main goal is to spread the truth about the Islamic faith in general and the Shi`a School of Thought in particular due to the latter being misrepresented, misunderstood and its tenets often assaulted by many ignorant folks, Muslims and non-Muslims. Organization's purpose is to facilitate the dissemination of knowledge through a global medium, the Internet, to locations where such resources are not commonly or easily accessible or are resented, resisted and fought!

Delirium - Lauren Oliver 2011-08-02

The first book in Lauren Oliver's New York Times bestselling trilogy about forbidden love, revolution, and the power to choose. In an alternate United States, love has been declared a dangerous disease, and the government forces everyone who reaches eighteen to have a procedure called the Cure. Living with her aunt, uncle, and cousins in Portland, Maine, Lena Haloway is very much looking forward to being cured and living a safe, predictable life. She watched love destroy her mother and isn't about to make the same mistake. But with ninety-five days left until her treatment, Lena meets enigmatic Alex, a boy from the Wilds who lives under the government's radar. What will happen if they do the unthinkable and fall in love?

Art & Fear - David Bayles 2001

The Housekeeper and the Professor - Yoko Ogawa 2009-02-03

He is a brilliant math Professor with a peculiar problem--ever since a traumatic head injury, he

has lived with only eighty minutes of short-term memory. She is an astute young Housekeeper--with a ten-year-old son--who is hired to care for the Professor. And every morning, as the Professor and the Housekeeper are introduced to each other anew, a strange and beautiful relationship blossoms between them. Though he cannot hold memories for long (his brain is like a tape that begins to erase itself every eighty minutes), the Professor's mind is still alive with elegant equations from the past. And the numbers, in all of their articulate order, reveal a sheltering and poetic world to both the Housekeeper and her young son. The Professor is capable of discovering connections between the simplest of quantities--like the Housekeeper's shoe size--and the universe at large, drawing their lives ever closer and more profoundly together, even as his memory slips away. Yoko Ogawa's *The Housekeeper and the Professor* is an enchanting story about what it means to live in the present, and about the

curious equations that can create a family.

Understanding Psychology - Richard A. Kasschau
1994-03-01

Understanding Psychology provides a solid introduction to the field of psychology - and to the link between the brain and behavior.

Combining high-interest content and a strong visual orientation, this text is designed to dispel misconceptions about psychology while helping students to understand the relevant, practical uses of psychology in their day-to-day lives.

The Handmaid's Tale - Margaret Atwood
1986-02-17

Before The Testaments, there was The Handmaid's Tale: an instant classic and eerily prescient cultural phenomenon, from "the patron saint of feminist dystopian fiction" (New York Times). The Handmaid's Tale is a novel of such power that the reader will be unable to forget its images and its forecast. Set in the near future, it describes life in what was once the United States and is now called the Republic of

Gilead, a monotheocracy that has reacted to social unrest and a sharply declining birthrate by reverting to, and going beyond, the repressive intolerance of the original Puritans. The regime takes the Book of Genesis absolutely at its word, with bizarre consequences for the women and men in its population. The story is told through the eyes of Offred, one of the unfortunate Handmaids under the new social order. In condensed but eloquent prose, by turns cool-eyed, tender, despairing, passionate, and wry, she reveals to us the dark corners behind the establishment's calm facade, as certain tendencies now in existence are carried to their logical conclusions. The Handmaid's Tale is funny, unexpected, horrifying, and altogether convincing. It is at once scathing satire, dire warning, and a tour de force. It is Margaret Atwood at her best.

Minima Moralia - Theodor Adorno 2018-07-10
A reflection on everyday existence in the 'sphere of consumption of late Capitalism', this work is

Adorno's literary and philosophical masterpiece. Built from aphorisms and reflections, he shifts in register from personal experience to the most general theoretical problems.

Reading Comprehension for Kindy Kids - Intelligent Australia Productions 2007-01-01

Semantics - James R. Hurford 2007-04-19
This practical coursebook introduces all the basics of semantics in a simple, step-by-step fashion. Each unit includes short sections of explanation with examples, followed by stimulating practice exercises to complete in the book. Feedback and comment sections follow each exercise to enable students to monitor their progress. No previous background in semantics is assumed, as students begin by discovering the value and fascination of the subject and then move through all key topics in the field, including sense and reference, simple logic, word meaning and interpersonal meaning. New study guides and exercises have been added to

the end of each unit to help reinforce and test learning. A completely new unit on non-literal language and metaphor, plus updates throughout the text significantly expand the scope of the original edition to bring it up-to-date with modern teaching of semantics for introductory courses in linguistics as well as intermediate students.

Uprising - Margaret Peterson Haddix 2007-09-25

In 1927, at the urging of twenty-one-year-old Harriet, Mrs. Livingston reluctantly recalls her experiences at the Triangle Shirtwaist factory, including miserable working conditions that led to a strike, then the fire that took the lives of her two bestfriends, when Harriet, the boss's daughter, was only five years old. Includes historical notes.

The Shock Doctrine - Naomi Klein 2010-04-01
The bestselling author of No Logo shows how the global "free market" has exploited crises and shock for three decades, from Chile to Iraq In

her groundbreaking reporting, Naomi Klein introduced the term "disaster capitalism." Whether covering Baghdad after the U.S. occupation, Sri Lanka in the wake of the tsunami, or New Orleans post-Katrina, she witnessed something remarkably similar. People still reeling from catastrophe were being hit again, this time with economic "shock treatment," losing their land and homes to rapid-fire corporate makeovers. The Shock Doctrine retells the story of the most dominant ideology of our time, Milton Friedman's free market economic revolution. In contrast to the popular myth of this movement's peaceful global victory, Klein shows how it has exploited moments of shock and extreme violence in order to implement its economic policies in so many parts of the world from Latin America and Eastern Europe to South Africa, Russia, and Iraq. At the core of disaster capitalism is the use of cataclysmic events to advance radical privatization combined with the privatization of

the disaster response itself. Klein argues that by capitalizing on crises, created by nature or war, the disaster capitalism complex now exists as a booming new economy, and is the violent culmination of a radical economic project that has been incubating for fifty years.

The CRPG Book: A Guide to Computer Role-Playing Games - Felipe Pepe 2019-09

Reviews over 400 seminal games from 1975 to 2015. Each entry shares articles on the genre, mod suggestions and hints on how to run the games on modern hardware.

The Little Prince - Antoine de Saint-Exupéry
2017-11-04

You Are Not So Smart - David McRaney
2012-11-06

Explains how self-delusion is part of a person's psychological defense system, identifying common misconceptions people have on topics such as caffeine withdrawal, hindsight, and brand loyalty.

Understanding Media - Marshall McLuhan
2016-09-04

When first published, Marshall McLuhan's *Understanding Media* made history with its radical view of the effects of electronic communications upon man and life in the twentieth century.

One Of Us Is Lying - Karen M. McManus
2017-06-01

The international bestselling YA thriller by acclaimed author, Karen M. McManus - NOW A MAJOR NETFLIX SERIES. Five students go to detention. Only four leave alive. Yale hopeful Bronwyn has never publicly broken a rule. Sports star Cooper only knows what he's doing in the baseball diamond. Bad boy Nate is one misstep away from a life of crime. Prom queen

Addy is holding together the cracks in her perfect life. And outsider Simon, creator of the notorious gossip app at Bayview High, won't ever talk about any of them again. He dies 24 hours before he could post their deepest secrets online. Investigators conclude it's no accident. All of them are suspects. Everyone has secrets, right? What really matters is how far you'll go to protect them. 'Tightly plotted and brilliantly written, with sharp, believable characters, this whodunit is utterly irresistible' - HEAT 'Twisty plotting, breakneck pacing and intriguing characterisation add up to an exciting single-sitting thrillerish treat' -THE GUARDIAN 'A fantastic murder mystery, packed with cryptic clues and countless plot twists. I could not put this book down' - THE SUN 'Pretty Little Liars meets The Breakfast Club' - ENTERTAINMENT WEEKLY

Species of Spaces and Other Pieces - Georges Perec 1997

This selection of non-fictional work from the

author of *Life, a User's Manual*, demonstrates Georges Perec's characteristic lightness of touch, wry humour and accessibility.

One Up On Wall Street - Peter Lynch
2000-04-03

The manager of a top investment fund discusses how individuals can make a killing in the market through research and investment techniques that confound conventional market wisdom.

ENGLISH FOR ELEMENTARY SCHOOL TEACHERS - 2018-08-14

English for Elementary School Teachers is written to fulfill students' need to learn English as a preparatory for job communication. This book is designed to provide an opportunity to develop students' English skills more communicatively and meaningfully. It consists of twenty eight units. Each unit presents reading, writing, and speaking section. Reading section consists of pre-reading, reading comprehension and vocabulary exercises related to the topic of the text. In writing section, some structures and

sentence patterns are completed with guided writing exercises. Meanwhile, in speaking section students are provided with model and examples followed by practical activities which are presented in various ways. In addition, students are also equipped with listening comprehension skill which is presented in a separate textbook. The materials have been arranged and graded in accordance with their language levels. Above all, to improve the quality of this textbook, criticism and suggestions for better editions are highly appreciated.

A Confederacy of Dunces - John Kennedy Toole
2007-12-01

Winner of the Pulitzer Prize "A masterwork . . . the novel astonishes with its inventiveness . . . it is nothing less than a grand comic fugue."—The New York Times Book Review A Confederacy of Dunces is an American comic masterpiece. John Kennedy Toole's hero, one Ignatius J. Reilly, is "huge, obese, fractious, fastidious, a latter-day

Gargantua, a Don Quixote of the French Quarter. His story bursts with wholly original characters, denizens of New Orleans' lower depths, incredibly true-to-life dialogue, and the zaniest series of high and low comic adventures" (Henry Kisor, Chicago Sun-Times).

Radio Production - Robert McLeish 2015-09-16
Radio Production is for professionals and students interested in understanding the radio industry in today's ever-changing world. This book features up-to-date coverage of the purpose and use of radio with detailed coverage of current production techniques in the studio and on location. In addition there is exploration of technological advances, including handheld digital recording devices, the use of digital, analogue and virtual mixing desks and current methods of music storage and playback. Within a global context, the sixth edition also explores American radio by providing an overview of the rules, regulations, and purpose of the Federal Communications Commission. The sixth edition

includes: Updated material on new digital recording methods, and the development of outside broadcast techniques, including Smartphone use. The use of social media as news sources, and an expansion of the station's presence. Global government regulation and

journalistic codes of practice. Comprehensive advice on interviewing, phone-ins, news, radio drama, music, and scheduling. This edition is further enhanced by a companion website, featuring examples, exercises, and resources: www.focalpress.com/cw/mcleish.
