The Real Odessa - Uki Goñi 2022-03-11

The groundbreaking expose of an international conspiracy to protect Nazi war criminals—now with new material and an introduction by Phillip Sands. As Russian forces closed in on Berlin, and Hitler's premiership drew to a close, many Nazi officials fled Germany. In this startling, meticulously researched account, acclaimed journalist Uki Goni unravels the complex international network that led them to Argentina. Goni demonstrates how numerous war criminals—including Adolf Eichmann, Joseph Mengele, Erich Priebke, and many others—made their escape with the support of the Vatican and President Juan Peron, as well as significant assistance from Scandinavia, Switzerland, and Italy. Both riveting and rigorous, this remarkable investigation sheds light on both a disquieting episode in Europe's history, and the ties between Argentinian Catholic Nationalism and Fascist movements in

Europe.

Corporate Acquisitions and Mergers in Argentina - Pablo A. Artagaveytia 2022-03-21
Derived from Kluwer's multi-volume Corporate Acquisitions and Mergers, the largest and most

detailed database of M&A know-how available anywhere in the world, this work by a highly experienced partner in the leading international law firm Marval O'Farrell & Mairal provides a concise, practical analysis of current law and practice relating to mergers and acquisitions of public and private companies in Argentina. The book offers a clear explanation of each step in the acquisition process from the perspectives of both the purchaser and the seller. Key areas covered include: structuring the transaction; due diligence; contractual protection; consideration; and the impact of applicable company, competition, tax, intellectual property, environmental and data protection law on the acquisition process. Corporate Acquisitions and Mergers is an invaluable guide for both legal practitioners and business executives seeking a comprehensive yet practical analysis of mergers and acquisitions in Argentina. Equivalent analyses of M&A law and practice in some 50 other jurisdictions, all contributed by leading law firms, are accessible on-line at www.kluwerlawonline.com under Corporate Acquisitions and Mergers.

The Complete Travel Detective Bible - Peter Greenberg 2007-10-02

This ultimate "physician's desk reference" for travelers addresses the questions, anxieties, concerns, and desire for essential information that are common to seasoned and novice travelers alike. Peter Greenberg, best-selling author, trusted Today show travel editor, and the man that writer Paul Theroux calls "the liberator and defender of the traveling public," offers an encyclopedic look at every aspect of the travel process, both domestically and internationally, from the true definition of travel terms to in-depth explanations of how things really work. Do you want to know which airline seats are the best and worst? How you can vacation in a lighthouse, a monastery, or even a converted prison? Which countries require you to get visas before you visit? Or won't let you in even if you have a passport? Which airlines are the worst "bumping" offenders? How you can avoid hidden fees? The Complete Travel Detective Bible offers up answers to these questions and much more. Everything is cross-referenced and each chapter is filled with useful charts, lists, and diagrams, making for an easily

accessible format. Greenberg, who has been to more than 146 countries, is an expert without equal at outplaying the travel industry at its own games, securing the best fares, accommodations, and service at the lowest possible prices. He shares every one of these hard-won, ingenious insider secrets in this book, making *The Complete Travel Detective Bible* the ultimate word on travel today.

Importing Into the United States - Border Protection U S Customs and 2015-10-12

This edition of *Importing Into the United States* contains material pursuant to the Trade Act of 2002 and the Customs Modernization Act, commonly referred to as the Mod Act. *Importing Into the United States* provides wide-ranging information about the importing process and import requirements. We have made every effort to include essential requirements, but it is not possible for a book this size to cover all import laws and regulations. Also, this publication does not supersede or modify any provision of those laws and regulations. Legislative and administrative changes are always under consideration and can occur at any time. Quota limitations on commodities are also subject to change. Therefore, reliance solely on the information in this book may not meet the "reasonable care" standard required of importers.
