Bloodlands - Timothy Snyder
2012-10-02

From the author of the international bestseller *On Tyranny*, the definitive history of Hitler's and Stalin's politics of mass killing, explaining why Ukraine has been at the center of Western history for the last century. Americans call the Second World War "the Good War." But before it even began, America's ally Stalin had killed millions of his own citizens—and kept killing them during and after the war. Before Hitler was defeated, he had murdered six million Jews and nearly as many other Europeans. At war's end, German and Soviet killing sites fell behind the Iron Curtain, leaving the history of mass killing in darkness. Assiduously researched, deeply humane, and utterly definitive, *Bloodlands* is a new kind of European history, presenting the mass murders committed by the Nazi and Stalinist

regimes as two aspects of a single story. With a new afterword addressing the relevance of these events to the contemporary decline of democracy, *Bloodlands* is required reading for anyone seeking to understand the central tragedy of modern history and its meaning today. Dove Arising - Karen Bao
2015-02-24

Phaet Theta has lived her whole life in a colony on the Moon. She's barely spoken since her father died in an accident nine years ago. She cultivates the plants in Greenhouse 22, lets her best friend talk for her, and stays off the government's radar. Then her mother is arrested. The only way to save her younger siblings from the degrading Shelter is by enlisting in the Militia, the faceless army that polices the Lunar bases and protects them from attacks by

desperate Earth-dwellers. Training is brutal, but it's where Phaet forms an uneasy but meaningful alliance with the preternaturally accomplished Wes, a fellow outsider. Rank high, save her siblings, free her mom: that's the plan. Until Phaet's logically ordered world begins to crumble... Suspenseful, intelligent, and hauntingly prescient, *Dove Arising* stands on the shoulders of our greatest tales of the future to tell a story that is all too relevant today.
