Shia Dissociation from Usuli School - Dr. Alsyyed Abu

Mohammad Naqvi 2013

This book is about the history of the conflict between Shia sects, how different sects originated and what are the basic beliefs of world known Usuli Shia sect i.e. State religion of Iran, and how it differs from the True Shia religion. Usuli sect was founded only 10 centuries ago, and only 5 or 6 so-called Shia scholars accepted it in 4th and 5th Hijra century. After that for many centuries Shia scholars and public hated this man-made religion. Only few centuries ago Allama Hilli and his company propagated it again, and he was the first to call himself Ayatollah (which is forbidden in Islam). Baqir Behbahani used power and all other tactics to suppress the Shia religion and occupied shia institutions and mosques, so Usuli sect dominated. What are the true teachings of Shia Islam. The religion presented and practiced by Iranian government is not the Tru Shia Islam, infact they are the biggest enemies of Allah, Infallibles asws and Muslims.

Ancient Elements of Spirituality Within the Heart of Tasawwuf - Shiloh Lamp Fall 2014-04-07

In Tasawwuf, which is a branch of Islamic knowledge which focuses on the spiritual development of the Muslim, the heart has been singled out as being the leader of the body and the closest place that a person can meet Allah. A prerequisite for approaching the Proximity of Allah is to turn your heart away from the

common pursuits of the world towards Allah. It has been stated that if you draw your heart closer to Allah, then Allah will draw the hearts of the believers closer to you. We must remember the situation that happened to Moses: Moses said to his people: "O my people! Why do ye vex and insult me, though ye know that I am the apostle of Allah (sent) to you?" Then when they went wrong, Allah let their hearts go wrong. Allah does not guide those who are rebellious transgressors. Allah knows what is in the hearts of His creatures and tests their hearts. Those hearts that are turned towards Allah and repent, will have their hearts purged of any imbalance and be purified through Allah's Mercy and Grace. Through repentance and purification, the heart which is like the king of the body, directs the purification of the members of the body as a king directs the servants of their kingdom. But if the heart is defiled with dark spots from bad deeds and defects of character without

repentance, it becomes corrupt, rusted and like a hard and heavy stone. The concept of purification of the heart, the attainment of virtues and illumination of the heart are the main themes of the messengers and warners of Allah. Tasawwuf allows us to turn our hearts away from the carnal world and materialism by providing us with the necessary resources to turn our hearts in remembrance towards Allah, obtain noble character and allow our hearts to find rest. A purified and illuminated heart returns back to Allah ready to receive Allah's satisfaction. The main theme within the message of the messengers, warners and friends of Allah is summed up by the Seal of the Messengers when he stated: "I have not been sent as a Messenger, except to perfect character." The perfection of character is done through purging the blameworthy traits (akhlaq madhmuma). A pure heart is obtained through the purification of the heart (tazkiyah an-nafs). And, the

attainment of virtues is done through adab (pious propriety) and the spiritual sciences (malakah al-nafs and ilm al-akhlaq). Tasawwuf is the application of speculative wisdom (al-hikmat al-nadariyyah) and practical wisdom (al-hikmat al-'amaliyyah) by a master teacher (marabout) that engages the student (talibe) in what is necessary to allow them to walk the straight path to Allah through an inner journey and outer experience directly related to the purpose of being in harmony with creation.

The Interpretation of The Meaning of The Hadith

Volume 5 - Virtues of Charity - Nasoha Bin Saabin
2021-02

I believe there is a great need in the whole world for the correct interpretation of the Holy Quran and Hadith to be written in English. Currently, there is a great misunderstanding about Islam

among Muslims and non-Muslims globally. The misunderstanding of the meaning of the Holy Quran and Hadith among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims. The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non-Muslims. The wrong actions of the Muslims have led to many miseries and wars among Muslims. The wrong actions of Muslims have also led to many wars and clashes between Muslims and non-Muslims. In order to avoid miseries, wars and clashes from taking place between the whole mankind in the whole world, the whole mankind in the whole world need to understand the true teaching of Islam. There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran and Hadith. With the grace of Allah, I have completed the interpretation of

the Holy Quran with 84 books, and Hadith with 7 books. The series of the interpretation of the hadith consist of 7 books that are Virtues of Tabligh or Dakwah, Virtues of Solat, Virtues of Solat Tahajud, Virtues of The Holy Quran, Virtues of Charity, Virtues of Ramadhan and Virtues of Pilgrimage. Among all the 7 above orders of Allah, the first 5 books focus on the order of Allah that should be done daily, fasting should be done in the month of Ramadhan every year and pilgrimige to Mekah should be done once in a lifetime for those who are able to do it financially, healthy and safely and all these orders are to be done in the way of Prophet Muhammad saw and with the intention to please Allah. Besides the 84 books on the interpretation of the Holy Quran, these 7 books of Hadith should be read daily in every mosque and in every house in the whole entire world in order to have the correct mindset on the orders of Allah, and when the mankind will practice all the orders of Allah what has

been mentioned in the Holy Quran and Hadith in the way shown by Prophet Muhammad saw and with the intention to please Allah, only then the entire mankind will have the correct belief in Allah and in the orders of Allah. When the entire mankind have the correct belief and mindset towards Allah and the orders of Allah, only then the entire mankind will have the correct actions or deeds. When the entire mankind will have the correct deeds only then the entire mankind in this world will be able to live with peace and happiness in this world and the hereafter. Prof. Nasoha Bin Saabin

Commander of Invisible Army of Allah - Sheikh Yasin Muhammad Yaqeenullah

Prophet Muhammad Peace Be Upon Him - The Sincere Seeker Collection 2020-09-15

How would one know their role and life purpose unless one receives clear and practical instructions of what God wants and expects of him or her?

Here comes the need for Prophethood. Thus, God has sent thousands of Messengers and Prophets to mankind to convey His Message and communicate to us. Every nation on Earth received a Prophet. They all preached the same general Message that there is only one deity worthy of worship. He is the One and Only God, without a partner, son, daughter, or equal. God sent Messengers and Prophets to guide humanity from worshipping created beings and to worship their Creator, the Creator of all things. The Prophets came to teach their people about who their Creator is, how to build a relationship with Him, and how to love Him. The Prophets taught their people that life is only a test, where the successful will enter Paradise eternally, and the

unsuccessful will enter the ultimate punishment in the afterlife. Out of the Infinite Mercy and Love of God, God continued to send Messengers with Books from God to guide humanity-- starting with Prophet Adam, including Noah, Abraham, Ishmael, Jacob, Moses, Prophet Jesus, and Prophet Muhammad, peace be upon them all. Many of the Prophets are found in Jewish and Christian traditions. All the previous Messengers and Books other than the Holy Quran and Prophet Muhammad were sent down only to a specific group of people and were only meant to be followed for a particular period. For example, Prophet Jesus, peace be upon him, was one of God's mightiest Messengers, who was sent down with the same general Message of all the previous Prophets but was only sent to the Children of Israel-- the nation that lived before us, as their final Prophet because they were disobeying the commandments of God and veering away from the laws sent down by the previous

Messenger, Moses, peace be upon him. Whenever God would send Messengers with Revelation, after they passed, people would distort and change the Revelations of God. What was pure Revelation from God-- would be polluted with myths, words of men, superstitions, irrational philosophical ideologies, and idol worship. The religion of God was lost in a plethora of religions. Such as how Prophet Jesus, peace be upon him, was sent to reform the previous Message sent before him by the previous Messenger, Moses, peace be upon him. Prophet Muhammad came to reform Prophet Jesus' Message since it was distorted by his followers and did not survive in its original form. When humanity was in the depth of the dark ages, God the Almighty sent his last and final Messenger to mankind, Prophet Muhammad, peace be upon him, and his final Revelation, the Holy Quran, to redeem humanity. The Holy Quran and the final Messenger, peace be upon him, affirmed

everything that was revealed to all the previous Messengers in the past. Unlike the past Messengers and Books, Prophet Muhammad, peace be upon him, was sent to all of humanity, and there will be no Messenger or Prophet after him, nor will there be a Book after the Holy Quran, as both are meant to be followed by all people, not just a particular group of people, nor are they meant for a particular timeframe; both are meant to be followed by everyone until the end of time. Prophet Muhammad-A summarized story of God's Last and Final Prophet aims to introduce Prophet Muhammad, peace be upon him, derived from early Islamic Sources, helping you better understand who Prophet Muhammad, peace be upon him was and to instill a love for him. Studying the story and life of Prophet Muhammad, peace be upon him, is the best way to develop that love for our Prophet. Studying the life of Prophet Muhammad, peace be upon him, is an obligation given to us by our Creator and

helps us better understand God's final Book, the Holy Quran, and its context.

The Ideal Muslim - Muhammad Al-Hashimi 2018-05-10

The true Islamic personality as defined by the Qur'an and Sunnah presents a comprehensive overview of the way in which the Prophet (peace and blessings of Allah be upon him) and his Companions lived. This picture of the practical aspects of a truly Islamic lifestyle serves as a timely reminder for all of us. At a time when unIslamic and antiIslamic influences are spreading, via modern technology, to the heartlands of Islam and even to the remotest regions, a Muslim needs to hold firm to the distinct character of our faith, as prescribed by Allah and revealed through His Prophet (peace and blessings of Allah be upon him). Dr. Muhammad 'Ali alHashimi presents a wellthought out guide to the Islamic lifestyle. He starts with the Muslim's relationship with his Lord, which is the most important aspect of his life, and

provides the foundation for all his other relationships. From there, he outlines how the Muslim should relate to every person in his life, starting with himself and his family, and moving on, by stages, to encompass every member of the community or society. Each point is supported by extensive quotations from the Qur'an and the Sunnah of Prophet Muhammad (peace and blessings of Allah be upon him).

[Talk to Allah](#) - Ayesha Syahira

When was the last time we really poured our feelings out to Allah? **** We have been taught that the only time we can communicate with Allah is when we are making du'a to Him. Even then, it comes with a set of restrictive rules that puts a 'barrier' between Allah and us. The things we recite

are verses that we were told to memorise, but rarely do we truly talk to Allah about the troubles that are weighing down our hearts. Because it feels awkward. Thus when we are down and sad, we seek other means for comforting ourselves, but often they offer only temporary respite. We forget that true comfort lies only with Allah. **** In this book, author Ayesha Syahira takes you on a journey of spiritual discovery; of reconnecting with Allah wholeheartedly. The author focuses on nurturing the lifestyle of talking to Allah; of finding comfort by making du'a to Him at any time of the day.

Measures of Spirituality/Religiosity (2018) - Arndt Büssing
2019-04-30

The interest in the topic of spirituality as a more or less independent dimension of quality of life is continuously growing, and research questions are beginning to change as the field of religiosity changes, becoming more diverse and pluralistic.

Addressing new topics in health research also relies on standardized questionnaires. The number of instruments intended to measure specific aspects of spirituality is growing, and it is particularly difficult to evaluate the new instruments. This Special Issue will focus on some of the established instruments (updating them to different languages and cultures), but will also describe the features and intentions of newly-developed instruments, which may potentially be used in larger studies to develop knowledge relevant to spiritual care and practice. This Special Issue will serve as a resource on the instruments used to study the wide range of organized religiosity, the individual experience of the divine, and an open approach in the search for meaning and purpose in life.

Holy Quran's Judgement - - Sheihul Mufliheen M.S.M Abdullah 2013-06-10

The Spiritual Leader explains with copious evidence the views held by other religions too that the truth La Ilaha Illallah, that being the lifeline of Tawheed and that there is no Ilah (creation) but Allah. He has thrown a challenge to anyone who can disprove this truth offering a handsome reward. Until now no one has come forward to take up his challenge. Allah is an arbitrary name and it does not point to something static or stationery. This name denotes something beyond time and space and the reach of human knowledge and has manifested as the whole universe. If one becomes aware of this truth, peace and tranquility will be eternal in his heart and mind.

Heart Softeners - Shaykh

Muhammad Ibn Salih Al-Uthaymeen 2018-11

In the name of Allah, the Most Merciful and Most Compassionate. Praise to the One Who completed this religion and sent guidance through His Messenger

salAllahu 'alayhi wa sallam. To begin: Every so often our daily lives preoccupy us and turn us away from Allah's promise.

When we walk out of our homes, turn on the radio, TV, or Internet, we are distracted by the evils we see and hear. As result of immorality and unashamed disobedience, our hearts grow hard and distant from Allah and His Messenger's call. We know the message of Islam is true, but we are weak due to the rigidity of our heart, spirit and mind. In times like these, we need something to penetrate that stiffness. We need a remedy to soften that hardness and the inflexibility of our choices. Disunity and harshness afflicts this Ummah today.

Consequently, many people have turned away from brotherhood, caring, and even Islam itself. Their hearts have transformed into dwellings of complete hatred for a sinner, disdain toward the weak Muslim, and jealousy of their successful brother or sister. I have selected some ahaadeeth from the most authentic book

after the Qur'aan to soften the hearts in our chests. I used Shaykh Muhammad ibn Saalih Al-'Uthaymeen's explanations for the ahaadeeth selected. The ahaadeeth selected come from a book in Imam Al-Bukhari's collection titled Riqaq: Heart Softeners. This chapter brings tears to one's eyes, fear to one's mind, and most importantly it diminishes the rigidity in one's heart. I ask Allah to make the translation and compilation solely for His pleasure. I pray to Allah for acceptance of this deed and His mercy in the Hereafter.
