The Thief - Megan Whalen Turner 1996-10-31

Nothing is overdone and not a word is out of place in this auspicious debut," wrote Kirkus in a starred review of *Instead of Three Wishes*, the first book by Megan Whalen Turner. Her second book more than fulfills that promise. The king's scholar, the magus, believes he knows the site of an ancient treasure. To attain it for his king, he needs a skillful thief, and he selects Gen from the king's prison. The magus is interested only in the thief's abilities. What Gen is interested in is anyone's guess. Their journey toward the treasure is both dangerous and difficult, lightened only imperceptibly by the tales they tell of the old gods and goddesses. Megan Whalen Turner weaves Gen's stories and Gen's story together with style and verve in a novel that is filled with intrigue, adventure, and surprise.

Simply Revelation - Edward L. Brownlee
2017-06-01

There are signs all around the world that are pointing to the tribulation period to come. Within the last decade, the world has seen a rise in earthquakes, violent storms, hurricanes, and weird weather patterns, and all seem to get worse as each year goes by. We see monetary problems all around the world. We have seen wars and heard rumors of war. Drought and famine have been present in the world or the struggle of power within some nations. We have seen the cruelty of man upon man in this world and how painful it is. As the cup of iniquity of this world rises, so is the coming judgment of this world by God. Do you want to know why the antichrist will not rule the world? What is the real reason behind the mark of the beast? How will God send his angels to preach the everlasting Gospel for the last time? Why does

Jesus come on a secret mission? How will Jesus, the saints, and angels return to the earth to save Israel? The book of Revelation is jam-packed with so much information, and its sometimes hard to understand what it all means. Simply Revelation breaks down the chapters in Revelation in a way that's easy to understand. Learn what brings on the confirming of the covenant with many nations by the antichrist. Understand how the two witnesses control the environment of the world in the first half of the tribulation period. Simply Revelation will bring you clarity to God's coming judgment!

The Merchant of Venice - William Shakespeare
2003-04-28

The New Cambridge Shakespeare appeals to students worldwide for its up-to-date scholarship and emphasis on performance. The series

features line-by-line commentaries and textual notes on the plays and poems. Introductions are regularly refreshed with accounts of new critical, stage and screen interpretations. This second edition of *The Merchant of Venice* retains the text and Introduction prepared by M. M. Mahood and features a new introductory section by Charles Edelman. Where Mahood focuses in her Introduction on the expectations of the play's first audience and on our modern experience of seeing and hearing the drama performed, Edelman explores the play's sexual politics. He also foregrounds recent scholarship on the position of Jews in Shakespeare's time and surveys the international scope and diversity of theatrical interpretations of the text in the 1980s and 1990s. He pays particular attention to the ways in which directors and actors tackle the troubling figure of Shylock.
