Recognizing the artifice ways to get this books **Gli Zii Di Sicilia Leonardo Sciascia Google Libri** is additionally useful. You have remained in right site to begin getting this info. acquire the Gli Zii Di Sicilia Leonardo Sciascia Google Libri associate that we present here and check out the link.

You could purchase guide Gli Zii Di Sicilia Leonardo Sciascia Google Libri or acquire it as soon as feasible. You could quickly download this Gli Zii Di Sicilia Leonardo Sciascia Google Libri after getting deal. So, past you require the ebook swiftly, you can straight acquire it. Its consequently no question easy and thus fats, isnt it? You have to favor to in this tell

**Mussolini's War** - John Gooch  
2020-12-01

A remarkable new history evoking the centrality of Italy to World War II, outlining the brief rise and triumph of the Fascists, followed by the disastrous fall of the Italian military campaign. While staying closely aligned with Hitler, Mussolini remained carefully neutral until the summer of 1940. At that moment, with the wholly

unexpected and sudden collapse of the French and British armies, Mussolini declared war on the Allies in the hope of making territorial gains in southern France and Africa. This decision proved a horrifying miscalculation, dooming Italy to its own prolonged and unwinnable war, immense casualties, and an Allied invasion in 1943 that ushered in a terrible new era for the country. John Gooch's

new history is the definitive account of Italy's war experience. Beginning with the invasion of Abyssinia and ending with Mussolini's arrest, Gooch brilliantly portrays the nightmare of a country with too small an industrial sector, too incompetent a leadership and too many fronts on which to fight. Everywhere—whether in the USSR, the Western Desert, or the Balkans—Italian troops found themselves against either better-equipped or more motivated enemies. The result was a war entirely at odds with the dreams of pre-war Italian planners—a series of desperate improvisations against an allied force who could draw on global resources, and against whom Italy proved helpless.

### **Towards a Unified Italy -**

Salvatore DiMaria 2018-07-18  
Since unification in 1860, Italy has remained bitterly divided between the rich North and the underdeveloped South. This book examines the historical, literary, and cultural contexts that have informed and inflamed the debate on the Southern Question for over a

century. It brings together analysis of cinema, literature, and newspaper archives to reconsider the myths and stereotypes that both Northerners and Southerners deploy in their narratives. Salvatore DiMaria offers a masterful assessment of the entangled issues that have produced the South's image as impoverished and backwards, such as organized crime, illiteracy, and mass emigration. Documenting the state's largely failed efforts to bring the South into its socio-economic fold, DiMaria also points to the future, arguing that the European Union and globalization are transformative forces that may finally produce a unified Italy. *Il piacere di essere un altro. Conversazioni* - Roberto Andò 2022-10-21T00:00:00+02:00 Roberto Andò con Salvatore Ferlita *Il piacere di essere un altro* Fotografie di Lia Pasqualino "Nello stesso periodo, setacciando i libri che erano in casa, mi sono imbattuto nelle opere di Elio Vittorini e di Leonardo

Sciascia, tra cui *Conversazione in Sicilia*, *Le parrocchie di Regalpetra* e i racconti contenuti nella raccolta *Gli zii di Sicilia*, libri che mi hanno trasmesso l'urgenza della scrittura. Era la prima volta che mi capitava di leggere qualcosa che aveva a che fare col mistero del luogo in cui vivevo. Una sorta di resa dei conti con la Sicilia. La scrittura di Sciascia mi ha dato la certezza che prima o poi avrei scritto anch'io, così come, più tardi, la visione di certi film mi ha spinto a diventare regista. Uno tra tutti, Salvatore Giuliano di Francesco Rosi. Siamo noi, con la nostra immaginazione, a creare le condizioni che siglano gli incontri che saranno decisivi nella nostra vita." Roberto Andò si racconta per la prima volta in un libro che è il viaggio di una vita nella scrittura e nel cinema. A partire dall'incontro fatale, a quindici anni sul set di Vittorio De Sica, con la vocazione naturale a raccontare storie, una passione alimentata dall'amicizia con i grandi scrittori - Sciascia,

Consolo, Del Giudice -, dall'influenza dei grandi registi italiani (Fellini e Rosi su tutti) e dei maestri di Hollywood. Una storia che parte dalla Sicilia e all'isola sempre, inevitabilmente, ritorna, in una ricerca senza confini, inesausta, sul senso della verità e della bellezza che attraversano il cinema, il teatro, la letteratura, la vita stessa.

*Inquisition and Inquiry* - Anne Mullen 2000

This study focuses on the narrative form which figured prominently in Sciascia's literary production in the 1970s and 1980s, that is, *inchiesta*, the non-fiction investigative essay, based principally on Manzoni's *Storia della colonna infame* [The Column of Infamy]. In his *inchieste* Sciascia investigates episodes in history, from the time of the Inquisition through to his own contemporary times, where intolerance and injustice outmatch human weakness and fear. This study considers Sciascia's commingling of detective and investigative

writing, and his attempts at historiography. One striking feature of his narrative technique is his reliance on literature to interpret the past.

**Andrea Camilleri** - Lucia Rinaldi 2014-01-10

This is the first comprehensive reference work in English dedicated to the writing of world-famous Italian mystery writer Andrea Camilleri. It includes entries on plots, characters, dates, literary motifs, and themes from the bestselling author's detective stories and television crime dramas, with special attention given to the serialized policeman Inspector Salvo Montalbano, Camilleri's most famous character. It also equips the reader with background information on Camilleri's life and career and provides a guide to the writings of reviewers and critics.

**La Storia senza redenzione** - Giuseppe Lupo

2021-04-09T00:00:00+02:00

Il confronto tra Meridione e letteratura nel periodo dell'Unità d'Italia ai nostri

giorni, soprattutto per quanto attiene alla nozione di Storia: un tema a cui gli scrittori meridionali si sono dimostrati particolarmente sensibili, ma che hanno elaborato in maniera contraddittoria e problematica. Quel che trapela da questa indagine è che gli scrittori meridionali non hanno creduto nella Storia (intesa vichianamente come conquista di modernità e di progresso), arrivando a teorizzare la negazione o a scavalcarla rifugiandosi nell'utopia. Ripercorrendo i temi cruciali del meridionalismo - l'Unificazione del 1861, la Questione meridionale, le trasformazioni della società industriale, l'emigrazione, l'epoca del postmoderno - viene qui offerta una chiave interpretativa da cui emerge un dato trascurato dagli studi precedenti: a eccezione di pochi nomi, gli intellettuali del Sud si sono fermati alla denuncia dei fatti, anziché costruire una cultura progettuale in grado di riscattare o redimere gli umili. *Contesting the Monument: The*

*Anti-illusionist Italian  
Historical Novel: No. 10* - Ruth  
Glynn 2017-12-02

"In the second half of the twentieth century, the Italian historical novel provided an unrivalled number of best sellers and publishing 'phenomena'. The success of the genre is closely related to a more general interest in revisiting the past in the light of a changed understanding of the nature, or philosophy, of history. This study aims to explore the particularly marked increase in the production and popularity of the historical novel in the period between the mid-1960s and the early 1990s, with reference to current debates on the nature of history. It presents a theoretical framework which establishes the centrality of philosophy of history to the development of the genre. The employment of this framework opens out the discussion of literary change to the consideration of historiographical developments and wider critical debate. The theoretical insights gained

inform the close textual analysis provided in the chapters dealing with novels written by five of Italy's foremost contemporary writers: Leonardo Sciascia, Vincenzo Consolo, Sebastiano Vassalli, Umberto Eco, and Luigi Malerba."

*Italy and the Second World War* - 2018-06-05

Italy in the Second World War: Alternative Perspectives brings together fifteen international scholars to offer new contributions to the study of Italian war experience, both civilian and military, during the Second World War.

**I parchi letterari in Sicilia** -  
Caterina Barilaro 2004

**The Invention of Sicily** -  
Jamie Mackay 2021-07-13

Sicily is at the crossroads of the Mediterranean, and for over 2000 years has been the gateway between Europe, Africa and the East. It has long been seen as the frontier between Western Civilization and the rest, but never definitively part of either. Despite being conquered by

empires - Romans, Byzantines, Arabs, Normans, Hapsburg Spain - it remains uniquely apart. The island's story maps a mosaic that mixes the story of myth and wars, maritime empires and reckless crusades, and a people who refuse to be ruled. In this riveting, rich history Jamie Mackay peels away the layers of this most mysterious of islands. This story finds its origins in ancient myth but has been reinventing itself across centuries: in conquest and resistance. Inseparable from these political and social developments are the artefacts of the nation's cultural patrimony - ancient amphitheatres, Arab gardens, Baroque Cathedrals, as well as great literature such as Giuseppe di Lampedusa's masterpiece *The Leopard*, and the novels and plays of Luigi Pirandello. In its modern era, Sicily has been the site of revolution, Cosa Nostra and, in the twenty-first century, the epicentre of the refugee crisis. *The Invention of Sicily* is a dazzling introduction to the island, its history and its

people.

**Italian Literature in North America** - Canadian Society for Italian Studies 1990

**ANNO 2021 LA CULTURA ED I MEDIA QUARTA PARTE - ANTONIO**

GIANGRANDE

Antonio Giangrande, orgoglioso di essere diverso. ODI OSENTAZIONE ED IMPOSIZIONE. Si nasce senza volerlo. Si muore senza volerlo. Si vive una vita di prese per il culo. Noi siamo quello che altri hanno voluto che diventassimo. Facciamo in modo che diventiamo quello che noi avremmo (rafforzativo di saremmo) voluto diventare. Rappresentare con verità storica, anche scomoda ai potenti di turno, la realtà contemporanea, rapportandola al passato e proiettandola al futuro. Per non reiterare vecchi errori. Perché la massa dimentica o non conosce. Denuncio i difetti e caldeggio i pregi italici. Perché non abbiamo orgoglio e dignità per migliorarci e perché non sappiamo apprezzare, tutelare

e promuovere quello che abbiamo ereditato dai nostri avi. Insomma, siamo bravi a farci del male e qualcuno deve pur essere diverso!

**Magnus Pius** - Kathryn Welch  
2012-12-31

Sextus Pompeius Magnus Pius, son of Pompey the Great, fits uneasily - or not at all - into the grand narrative of the civil war of 49-31BC. Modern scholars tend to exclude him or mention him without asking what or whom he represented. Ronald Syme, the father of international orthodoxy in this field, famously remarked that Sextus was 'in reality an adventurer' who was 'easily represented as a pirate'. He was wrong. Sextus Pompeius plays havoc with key elements of the accepted narrative. His military success destroys the myth of continuous Caesarian victory. His commitment to rescuing the victims of Triumviral violence belies claims that only the Caesarian side represented clementia and justice. The naval strategy by which he conducted the war demonstrates his commitment

to the same cause and ethics as his father and his father's allies. Welch argues that, far from being a 'side-show' or a 'bit player', Sextus Pompeius was integral to the fight for the res publica. She solves the 'problem' by placing him at the centre of the story of Rome's transition from Republic to Empire and so reveals a very different landscape that emerges as a result.

**Italian Quarterly** - Carlo Luigi Golino 1983

### **The Culture of**

**Reconstruction** - Nicholas Hewitt 1989-01-31

### **Neorealism and the "New"**

**Italy** - Simonetta Milli

Konewko 2016-08-20

Neorealism and the "New" Italy centers on neorealist Italian artists' use of compassion as a vehicle to express their characters' interactions. Simonetta Milli Konewko proposes that compassion as an emotion may be activated to unify certain individuals and communities and investigates the mechanisms that allowed

compassion to operate during the postwar period. Aiming to produce a deeper understanding of the ways in which Italy is re-encoded and reconstructed, this book explores the formation of Italian identity and redefines neorealism as a topic of investigation.

*Twentieth-century Italian Literature in English Translation* - Robin Healey  
1998-01-01

This bibliography lists English-language translations of twentieth-century Italian literature published chiefly in book form between 1929 and 1997, encompassing fiction, poetry, plays, screenplays, librettos, journals and diaries, and correspondence.

*The Poetics of the Margins* - Rossella M. Riccobono 2010

This volume contains a selection of the proceedings of a conference on European problems of identity titled Europe and its Others, which was held in St Andrews in July 2007. It looks at some of the histories and stories that connect the European margins

to an imagined or imaginary centre of this complex continent as seen mostly from within, and with self-reflective insights from literary, socio-historical and cinematic perspectives. By following the marginal route created by the essays, the volume juxtaposes, as in a mosaic, a range of artistic discourses produced in many European languages. Each of these discourses highlights a different perception of belonging or not belonging to Europe; and each of these discourses brings to the fore in its respective society a fresh perspective on new European territories seen not as 'the other' but rather as contiguous tiles in a mosaic of idiosyncrasies. Lying one next to the other, these territories engage in dialogue poetically - harmoniously or dissonantly - in an attempt to create through their juxtaposition an enigmatic poetic discourse of the margins.

**Sicily and the Mediterranean** - Claudia Karagoz 2015-08-12

The island of Sicily has for

centuries been a meeting point where civilizations transformed one another and gave life to the cultural developments at the foundation of European modernity. The essays collected here explore Sicily as a place where these cultural interactions have produced conflict but also new material and intellectual exchange.

**Leonardo Sciascia** - Joseph Farrell 1995

"In this, the first critical study of Sciascia to appear in English since his death, Joseph Farrell examines the various aspects of his work as novelist, critic, essayist, journalist and acerbic political observer to show how the historical and cultural complexities of Sicily shaped his wider vision of life." "A tenacious opponent of the Mafia, Sciascia recreated the detective story both to give voice to his opposition and to continue his own quest for an order founded on the values the Mafia contradicts - justice, truth and reason. His output falls into two categories, works of historical and contemporary fiction, and 'essay-

investigations' which delve into mysteries from his own time and from the past. Sciascia always confronted the central political and moral issues of the day, and with most of his work now available in translation, this is a timely study of an important and influential Italian writer."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. *Italy at the Millennium* - Paolo Janni

*Encyclopedia of Italian Literary Studies* - Gaetana Marrone  
2006-12-26

The Encyclopedia of Italian Literary Studies is a two-volume reference book containing some 600 entries on all aspects of Italian literary culture. It includes analytical essays on authors and works, from the most important figures of Italian literature to little known authors and works that are influential to the field. The Encyclopedia is distinguished by substantial articles on critics, themes,

genres, schools, historical surveys, and other topics related to the overall subject of Italian literary studies. The Encyclopedia also includes writers and subjects of contemporary interest, such as those relating to journalism, film, media, children's literature, food and vernacular literatures. Entries consist of an essay on the topic and a bibliographic portion listing works for further reading, and, in the case of entries on individuals, a brief biographical paragraph and list of works by the person. It will be useful to people without specialized knowledge of Italian literature as well as to scholars.

*Gli zii di Sicilia* - Leonardo Sciascia

2013-06-12T00:00:00+02:00  
Pubblicato nel 1958 nei Gettoni di Vittorini, poi riproposto nel 1960 con l'aggiunta di un importante racconto - "L'antimonio", che è un po' un romanzo interrotto -, "Gli zii di Sicilia" è la prima apparizione di Sciascia come narratore puro, fabulatore di storie che qui sono della Sicilia e della

Spagna. Con voce sommessa e ferma, con una sorta di energia compressa, raccolta in sé, lo Sciascia narratore disegna il suo primo territorio. E subito si riconoscono certi tratti essenziali: l'attenzione alle cose e al dettaglio, il confronto perenne fra la Sicilia e il mondo (il libro si avvia con quell'evento favoleggiato che fu lo sbarco degli Alleati), la lucidità nel cogliere i paradossi, gli inganni e le beffe della Storia.

Challenging the Mafia

Mystique - Rino Coluccello  
2016-04-29

The Sicilian Mafia, or Cosa Nostra, is one of the most intriguing criminal phenomena in the world. It is an unparalleled organised criminal grouping that over almost two centuries has been able not only to successfully permeate licit and illicit economy, politics and civil society, but also to influence and exercise authoritative power over both the underworld and the upper-world. This criminal phenomenon has been a

captivating conundrum for scholars of different disciplines who have tried to explain with various paradigms the reasons behind the emergence and consolidation of the mafia.

### Challenging the Mafia

Mystique provides an analysis of the changes the Sicilian mafia has undergone, from legitimisation to denunciation. Rino Coluccello highlights how, from the very emergence of the organised criminal groups in Sicily, a culture existed that was protective and tolerant of the mafia. He argues that the various conceptualisations of the mafia that dominated the public and scientific debate in the nineteenth and more than half of the twentieth century created a mystique, which legitimised the mafia and contributed to their success. This book will be of great interest to scholars and students of organised crime, Italian politics and Italian literature.

[The Palgrave Handbook of Cold War Literature](#) - Andrew Hammond 2020-09-04

This book offers a

comprehensive guide to global literary engagement with the Cold War. Eschewing the common focus on national cultures, the collection defines Cold War literature as an international current focused on the military and ideological conflicts of the age and characterised by styles and approaches that transcended national borders. Drawing on specialists from across the world, the volume analyses the period's fiction, poetry, drama and autobiographical writings in three sections: dominant concerns (socialism, decolonisation, nuclearism, propaganda, censorship, espionage), common genres (postmodernism, socialism realism, dystopianism, migrant poetry, science fiction, testimonial writing) and regional cultures (Asia, Africa, Oceania, Europe and the Americas). In doing so, the volume forms a landmark contribution to Cold War literary studies which will appeal to all those working on literature of the 1945-1989 period, including specialists in

comparative literature,  
postcolonial literature,  
contemporary literature and  
regional literature.

*Postmodern Ethics* - Elizabeth  
Wren-Owens 2009-05-05

Postmodern Ethics offers a new perspective on debates surrounding the role of the intellectual in Italian society, and provides an original reading of two important Italian contemporary writers, Leonardo Sciascia and Antonio Tabucchi. It examines the ways in which the two writers use literature to engage with their socio-political environment in a climate informed by the doubts and scepticism of postmodernism, after traditional forms of impegno had been abandoned. Postmodern Ethics explores ways in which Tabucchi and Sciascia further their engagement through embracing the very factors which problematized traditional committed writing, such as the absence of fixed truths, the inability of language to fully communicate ideas and intertextuality. Postmodern

Ethics provides an innovative new reading of Tabucchi's works. It challenges the standard view in critical literature that his writing may be divided into 'engaged' texts which dialogue with society and 'postmodern' texts which focus on literary interiority, suggesting instead that socio-political engagement underpins all of his works. It also offers a new lens on Sciascia's writing, unpacking why Sciascia, unlike his contemporaries, is able to maintain a belief in literature as a means of dialoguing with society. Postmodern Ethics explores the ways in which Tabucchi and Sciascia approach issues of terrorism, justice, the anti-mafia movement, immigration and the value of reading in connected yet distinct ways, suggesting that a close genealogy may be drawn between these two key intellectual figures.

*Le sconfitte non contano* -  
Marcello Sorgi 2013-02-06

Nino è un giovane soldato siciliano che, dopo l'armistizio dell'8 settembre 1943, decide

di tornare a casa a piedi dalla Toscana, attraversando l'Italia distrutta dai bombardamenti. A Palermo, l'amministrazione americana ha lasciato un clima di euforia, in cui si mescolano miseria e illusioni, ma dove il rapporto tra gli ufficiali Usa che comandano le truppe occupanti e i boss della mafia del latifondo è sempre più stretto. Da qui, dal rifiuto del vecchio potere che risorge accanto al nuovo, nasce la conversione a sinistra di Nino e la sua nuova vita di giovane avvocato impegnato nei grandi processi che scandiscono gli anni della Repubblica, in un'epoca segnata dalla guerra contro i feudi dei capimafia, dalle battaglie intellettuali e artistiche che vedono protagonisti personaggi come Danilo Dolci, Pertini, Calamandrei, dal cinema di Visconti e Rosi, dal ping-pong intellettuale tra Sciascia, Bobbio e Galante Garrone, dal '68 siciliano, dalla nascita della Sellerio, dagli amici ammazzati dalla mafia. Marcello Sorgi segue con attenzione tutte le avventure di questo eccentrico

siciliano e racconta la sua filosofia di vita, l'entusiasmo contagioso degli anni del dopoguerra insieme alla grande passione politica e civile di una generazione che ha cercato di consegnare un mondo migliore ai propri figli. Ed è in questo profondo e intenso dialogo tra l'autore, Marcello, e il protagonista del libro, suo padre Nino, che il lettore assiste a un esercizio di memoria collettivo, dove l'affetto e l'ironia servono a raccontare non solo la storia di una famiglia, ma anche quella di una certa sinistra siciliana in cui confluivano l'azionismo piemontese, il cattolicesimo impegnato e il cinema di denuncia. Una sinistra estrosa, poetica, irregolare, antimafiosa e, sotto sotto, antitaliana.

### **Reading and Writing the Mediterranean** - Vincenzo

Consolo 2006-01-01

Vincenzo Consolo is counted by many critics among the most significant voices in contemporary world literature. This volume makes available for the first in English an edited and annotated volume of

Consolo's short stories, essays, and other writings pertaining to the diverse cultures and histories of Sicily and the Mediterranean basin. The Mediterranean region holds a particular fascination for Consolo, who seeks through his writing to recover the memory of a Sicilian and Mediterranean history, which he feels is presently being threatened by the forces of late-capitalist Western culture. His writings about the region also voice a commitment to questions of ethics and human rights, which have been brought to the fore by recent tensions dividing this area and forcing a mass exodus of its people. At a time when this part of the world is under threat from unbridled globalization as well as dangerous forms of ethnic and religious fundamentalism, Consolo's words offer an insightful rethinking of regionalism within a global hierarchy of values. They remind us of the necessity of moderation and contingency, and in so doing, attempt to recover a moral and ethical

dimension for our collective life.

*Servi disobbedienti* - Leonardo Sciascia e Michele Pantaleone: vite parallele - Gino Pantaleone

2016-12-07T00:00:00+01:00

L'analisi peculiare e raffinata di Sciascia, quella cruda e senza peli sulla lingua di Pantaleone hanno fatto di questi due scrittori due icone scomode, mettendoli da un lato sotto gli occhi dei riflettori, dall'altro tra le sbarre della gogna sino a portarli all'isolamento. Questo libro rivisita oggi, dell'uno e dell'altro, il personale percorso culturale, politico e letterario rendendo una testimonianza fondamentale. Come scrive infatti Gaetano Savatteri nella sua prefazione, "ricostruire la tensione e le difficoltà del tempo passato, ricordando che dobbiamo ringraziare Pantaleone e Sciascia per averci spiegato, con rigore e metodo, cos'era la mafia (o, addirittura, che esisteva la mafia, quando cardinali, politici e magistrati ne negavano perfino l'esistenza), è il merito di questo lavoro, essenziale per

non perdere la memoria. Anche, e soprattutto, quando la memoria è fatica e responsabilità”.

'A cramanza. La Sicilia degli anni '50 vista con gli occhi di un fanciullo - Giuseppe Carcione 2018-12-14

Il libro ripercorre la vita, il lavoro e gli svaghi di una comunità vista con gli occhi di un adolescente durante gli anni della rinascita economica in un piccolo paese di montagna. Le scoperte e i cambiamenti che il protagonista fa vengono descritti tenendo conto dei grandi sacrifici degli anni cinquanta imposti alla società contadina e artigianale, reduce di un conflitto mondiale, ma decisa a riscattarsi e a creare, con determinazione, il futuro dei propri figli.

*Between Hollywood and Moscow* - Stephen Gundle 2000-11-13

In the postwar years, Italy underwent a far-reaching process of industrialization that transformed the country into a leading industrial power. Throughout most of this period, the Italian Communist Party

(PCI) remained a powerful force in local government and civil society. However, as Stephen Gundle observes, the PCI was increasingly faced with challenges posed by modernization, particularly by mass communication, commercial cultural industries, and consumerism. Between Hollywood and Moscow is an analysis of the PCI's attempts to cope with these problems in an effort to maintain its organization and subculture. Gundle focuses on the theme of cultural policy, examining how the PCI's political strategies incorporated cultural policies and activities that were intended to respond to the Americanization of daily life in Italy. In formulating this policy, Gundle contends, the Italian Communists were torn between loyalty to the alternative values generated by the Communist tradition and adaptation to the dominant influences of Italian modernization. This equilibrium eventually faltered because the attractive aspects of Americanization and pop

culture proved more influential than the PCI's intellectual and political traditions. The first analysis in English of the cultural policies and activities of the PCI, this book will appeal to readers with an interest in modern Italy, the European left, political science, and media studies.

Libri e scrittori di via

Biancamano - AA.VV.

2014-10-16

Passione e ricerca, editoria e letteratura, sperimentazione e memoria s'incontrano negli studi qui raccolti in occasione dei 75 anni della casa editrice di Giulio Einaudi. Dalla storia del simbolo, lo struzzo, ai progetti delle collane (con i mitici "Gettoni" di Vittorini) sono svelati aspetti anche inediti, frutto di ricerche d'archivio, di successi come *Il sergente nella neve* di Rigoni Stern, *La Storia della Morante* e *Gli zii di Sicilia* di Sciascia, illuminando - attraverso lettere, illustrazioni e documenti - le scelte editoriali di Saba, Contini, Rodari, Fenoglio, Natalia Ginzburg e altri autori di via

Biancamano, perché, come ha scritto il fondatore, «ogni libro si integra agli altri, ben sapendo che senza questa integrazione, questa compenetrazione dialettica, si rompe un filo invisibile che lega ogni libro all'altro, si interrompe un circuito, anch'esso invisibile, che solo dà significato a una casa editrice di cultura, il circuito della libertà».

Il Socratismo Marottiano -

Rudy Tarantino 2014-03-21

In questo saggio emerge la critica letteraria e di costume di Giuseppe Marotta (Napoli 1902 - ivi 1963), il famoso autore de "L'oro di Napoli". Marotta redige un elenco di scrittori per lui maggiori e minori della letteratura italiana, condannando i metodi della critica accademica. Inoltre affronta anche tematiche sociali, tra le quali sono da ricordare: la parità dei sessi, contro la violenza delle donne, i diritti degli omosessuali, il calcio, la mala sanità, la politica, la stampa, il senso della vita, la fede, l'ateismo.

Sicily - Jeremy Dummett  
2020-05-28

The diversity of Sicily's history and culture is vividly portrayed in this book. In it, key events, places and artists are highlighted in wide-ranging articles presented in four parts: History, Cities, Ancient Sites and Artists. A rich tapestry emerges of an island that has experienced dramatic changes of fortune while becoming a melting-pot of cultural influences from the eastern Mediterranean, North Africa and mainland Italy. Commentary on the monuments and works of art, to be seen today, links Sicily past and present. With this book follow the stories of Dionysius' castle, the foundation of the cathedral at

Monreale, the Sicilian poets who invented the sonnet and the British merchants who made Marsala wine an international brand. Tour the big cities of Catania and Messina, the resorts of Taormina and Cefalù, and the baroque hilltowns of south-eastern Sicily. Explore the ancient sites, among them Segesta, Selinunte and Agrigento. Witness the originality of the island's culture through the profiles of eight artists, sculptors and architects from the Renaissance to the twentieth century including Antonello da Messina, Giacomo Serpotta and Renato Guttuso, as well as Caravaggio, who left some of his last masterpieces on the island. This book complements the author's previous work on Syracuse and Palermo, filling in gaps in the island's story, to form a comprehensive trilogy on Sicily.

Sicily - Andrew Edwards  
2014-03-27

Rising up from the heart of the Mediterranean, Sicily has a rich and ancient history

spanning over 2,000 years. A bounty prized by invaders from the Greeks, Romans and Vandals to the Byzantines, Arabs and Normans, Sicily's violently beautiful landscapes are haunted by a vibrant mix of cultures and her soil has always been fertile ground for the literary and artistic imagination. This compelling guide uncovers the island's multi-faceted personality through those literary figures who have managed to get under her skin - from Pindar, Cicero and Aeschylus to Shakespeare and Cervantes; DH Lawrence, Coleridge and Oscar Wilde to Truman Capote, Tennessee Williams, Ezra Pound and Lawrence Durrell; as well as local writers who have defined the modern Italian novel - Giuseppe Tomasi di Lampedusa and Leonardo Sciascia. Through their words and lives we witness the beauty, pain and power of the Sicilian cultural landscape and discover how the potent mix of influences on the island's society has been preserved forever in literature.

Italian Literature since 1900 in English Translation - Robin Healey 2019-03-14

Providing the most complete record possible of texts by Italian writers active after 1900, this annotated bibliography covers over 4,800 distinct editions of writings by some 1,700 Italian authors. Many entries are accompanied by useful notes that provide information on the authors, works, translators, and the reception of the translations. This book includes the works of Pirandello, Calvino, Eco, and more recently, Andrea Camilleri and Valerio Manfredi. Together with Robin Healey's Italian Literature before 1900 in English Translation, also published by University of Toronto Press in 2011, this volume makes comprehensive information on translations from Italian accessible for schools, libraries, and those interested in comparative literature.

**Encyclopedia of Italian Literary Studies: A-J** - Gaetana Marrone 2007  
Publisher description
