See You when We Get There - Gregory Michie 2005

Gregory Michie's first bestseller, *Holler If You Hear Me*, put him on the map as a compelling and passionate voice in urban education. In his

new book, Michie turns his attention to young teachers of colour, and once again provides readers with a unique and penetrating look inside public school classrooms. Featuring portraits of five young teachers (two African Americans, two Latinas, and one Asian American) who are working for change, Michie weaves the teachers' powerful voices with classroom vignettes and his own experiences. Along the way, he examines what motivates and sustains these teachers, as well as what they see as the challenges and possibilities of public education. In these times of national standards, high-stakes accountability, and calls for reforming teacher education and preparation, *See You When We Get There* is essential reading.

Lion Eyes - Victor Villaseñor 2011-10-01

In the American Indian belief, it is said that we never really know who we are until we find our totem, and once we do, then everything falls into place, even in the midst of chaos. *Lion Eyes* is the exciting true story of Jan Milburn, who came face-to-face with his totem-and was transformed. As a love-deprived young child, he got lost in a snowstorm in the Santa Cruz Mountains of California, and a huge mountain lion led him safely home . . . setting him on a course for a miraculous life. Acclaimed best-selling author Victor Villaseñor gives voice to Jan's thrilling tale, full of danger, clashes between light and darkness, romance, and healing miracles. Against the backdrop of the '60s-a time of love and war, a time of turmoil and social upheaval, a time of young people's exuberant exploration while the establishment tried to hold on to the past-Jan Milburn chose an unusual calling . . . becoming the youngest minister ever ordained by the state of California. Jan's spiritual path,

incredibly, led him from San Francisco's Haight-Ashbury District of the '60s to Mexico, and into the darkness of the drug world. Hunted by a notorious assassin, he stared down death and encountered the very depths of depravity and violence-but ultimately awakened to his magical Spirit Guides and the Kingdom of God within each of us that transcends religion and "of-the-body" limitations. It was at this time that Mireya, a beautiful young Indian girl, saw in Jan the noble heart of a lion and the vision of an eagle. Nothing could get in the way of her love and admiration for this man. It was written in the stars, she said. Eventually, Mireya and Jan married and were instrumental in helping to return more than two million acres of stolen land to the Tarahumara Indians of Chihuahua, Mexico. *Lion Eyes* is a mystical, heartfelt, soul-inspiring love story of timeless relevance. It shows us that our global future lies not just in our politics and religious beliefs, but also in our unwavering love and our forgotten native

wisdom that once we find our totem, everything falls into place, even amidst chaos . . . illustrated by one man's incredible life, which can become the norm for all of humanity!

Good Grief! Using the Grief Sheet to Improve Community Theatre Production -
Kenneth Anderson 2002

Good Grief! Using the Grief Sheet to Improve Community Theatre Production was written to encourage theatre directors to take advantage of the benefits involved in a daily written critique of amateur play rehearsals. In over 40 years of directing community and school productions, as well as acting for other directors, I have yet to meet a director who employs this technique. I don't know why this is so, except that it does require a large investment in time. Typically, the directors I have known wrote grief notes and then assembled cast and crew to convey them

verbally. Obviously, much time is wasted following this method since everyone has to listen whether or not they are specifically involved. Furthermore, the published grief sheet provides the perceived need for instruction as well as a record to return to, to refresh the memory in regard to the needed improvements, which often are forgotten otherwise. The Grief Sheet is also a team builder, and the team concept is an essential quality of a successful theatre company. In writing this book, my collections of grief sheets have enabled me to relive some exciting and memorable productions.

formed with creatures from the hidden worlds of legend and fable. Yet once again, Heinrich Himmler is determined to unleash another strange and horrible weapon from deep within Nazi Germany, while halfway across the world, Allied armies are now tenaciously fighting the Japanese Empire. *Secret of the Dragons Scales* continues to develop the ongoing influence of Thaddeus Osbert. The dragon has become indispensable in assisting his teenaged charges, as they inadvertently aid the Allied efforts against Nazi Germany. However, the dragon also takes quite seriously his responsibility to instruct Gavin Kane in the ways of justice, honor and above all - compassion. FORMULA SEVEN - Michael March 2018-09-17

On an otherwise serene 1989, June night, FBI agents are hustling to load up two large tractor-trailers. Their cargo is unusual. It consists of heavy filing cabinets, laboratory equipment, and chattering chimpanzees. Their motivation is far from altruistic. Their target of the operation is Doctor Cyrus Markum, a brilliant microbiologist. With the fortune bequeathed by his former life-partner, he's funded the research project that has created Formula Thirteen, the vaccine that will thwart the virus causing AIDS. The Feds are far from enthused with his initiative. They dispatch their agents to eradicate any trace of the lifesaving antibodies and emasculate its creator. The pompous autocrats have gravely miscalculated. They've unleashed a ravenous lion. Doctor Markum chooses Daniel Dundee, a televangelist, as the pivot point in his blueprint of retribution and convinces the Bavarian Illuminati that the time has arrived for their all-encompassing revolution. The TV broadcast of the "New Age Messiah's" assassination will be

the tipping point for the scheme, which will cause a chain reaction that will lead to the New World Order's absolute planetary domination. The Doctor's enterprise is expansive and ingenious, but the Illuminati's Trilateral Commission has a strategy of their own.
