Narcoland - Anabel Hernandez 2013-09-10

The product of five years' investigative reporting, the subject of intense national controversy, and the source of death threats that forced the National Human Rights Commission to assign two full-time bodyguards to its author, Anabel Hernández, *Narcoland* has been a publishing and political sensation in Mexico. The definitive history of the drug cartels, *Narcoland* takes readers to the front lines of the "war on drugs," which has so far cost more than 60,000 lives in just six years. Hernández explains in riveting detail how Mexico became a base for the mega-cartels of Latin America and one of the most violent places on the planet. At every turn, Hernández names names - not just the narcos, but also the politicians, functionaries, judges and entrepreneurs who have collaborated with them. In doing so, she reveals the mind-boggling depth of corruption in Mexico's government and business elite. Hernández became a journalist after her father was kidnapped and killed and the police refused to investigate without a bribe. She gained national prominence in 2001 with her exposure of excess and misconduct at the presidential palace, and previous books have focused on criminality at the summit of power, under presidents Vicente Fox and Felipe Calderón. In awarding Hernández the 2012 Golden Pen of Freedom, the World Association of Newspapers and News Publishers noted, "Mexico has become one of the most dangerous countries in the world for journalists, with violence and impunity remaining major

challenges in terms of press freedom. In making this award, we recognize the strong stance Ms. Hernández has taken, at great personal risk, against drug cartels."

Rosario Tijeras - Jorge Franco 2011-01-04

"Since they shot her at point-blank range while she was being kissed, she confused the pain of love with that of death." Rosario Tijeras is the violent, violated character at the center of Jorge Franco's study of contrasts, set in self-destructing 1980s Medellín. Her very name-evoking the rosary, and scissors-bespeaks her conflict as a woman who becomes a contract killer to insulate herself from the random violence of the streets. Then she is shot, gravely wounded, and the circle of contradiction is closed. From the corridors of the hospital where Rosario is fighting for her life, Antonio, the narrator, waits to learn if she will recover. Through him, we reconstruct the friendship between the two, her love story with Emilio, and her life as a hitwoman. Rosario Tijeras has been recognized as an admirable continuation of a literary subject that was first treated by Gabriel García Márquez and then by Fernando Vallejo. A work in the Latin American social realist tradition, Rosario Tijeras is told in fast and vibrant prose and with poetic flourish.

Martín Fierro - José Hernández 1968

'Salem's Lot - Stephen King 2008-05-06

#1 BESTSELLER • Ben Mears has returned to Jerusalem's Lot in hopes that exploring the history of the Marsten House, an old mansion

long the subject of rumor and speculation, will help him cast out his personal devils and provide inspiration for his new book. But when two young boys venture into the woods, and only one returns alive, Mears begins to realize that something sinister is at work. In fact, his hometown is under siege from forces of darkness far beyond his imagination. And only he, with a small group of allies, can hope to contain the evil that is growing within the borders of this small New England town. With this, his second novel, Stephen King established himself as an indisputable master of American horror, able to transform the old conceits of the genre into something fresh and all the more frightening for taking place in a familiar, idyllic locale.

The Children of Sanchez - Oscar Lewis
2011-11-29

A pioneering work from a visionary anthropologist, *The Children of Sanchez* is hailed around the world as a watershed achievement in the study of poverty—a uniquely intimate investigation, as poignant today as when it was first published. It is the epic story of the Sánchez family, told entirely by its members—Jesus, the 50-year-old patriarch, and his four adult children—as their lives unfold in the Mexico City slum they call home. Weaving together their extraordinary personal narratives, Oscar Lewis creates a sympathetic but ultimately tragic portrait that is at once harrowing and humane, mystifying and moving. An invaluable document, full of verve and pathos, *The Children of Sanchez* reads like the best of fiction, with the added impact that it is all, undeniably, true.

In the Time of the Butterflies - Julia Alvarez
2010-01-12

It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leonidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas—"The Butterflies." In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from hair ribbons and secret crushes to gunrunning and prison torture, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human cost of political oppression.

Through the blend of these distinct voices, Restrepo creates a searing portrait of a society battered by war and corruption, as well as an intimate look at the daily lives of people struggling to stay sane in an unstable reality.

The Japanese Lover - Isabel Allende 2015-11-03

From New York Times bestselling author Isabel Allende, "a magical and sweeping" (Publishers Weekly, starred review) love story and multigenerational epic that stretches from San Francisco in the present-day to Poland and the United States during World War II. In 1939, as Poland falls under the shadow of the Nazis, young Alma Belasco's parents send her away to live in safety with an aunt and uncle in their opulent mansion in San Francisco. There, as the rest of the world goes to war, she encounters Ichimei Fukuda, the quiet and gentle son of the family's Japanese gardener. Unnoticed by those around them, a tender love affair begins to blossom. Following the Japanese attack on Pearl Harbor, the two are cruelly pulled apart as Ichimei and his family—like thousands of other Japanese Americans—are declared enemies and forcibly relocated to internment camps run by the United States government. Throughout their lifetimes, Alma and Ichimei reunite again and again, but theirs is a love that they are forever forced to hide from the world. Decades later, Alma is nearing the end of her long and eventful life. Irina Bazili, a care worker struggling to come to terms with her own troubled past, meets the elderly woman and her grandson, Seth, at San Francisco's charmingly eccentric Lark House nursing home. As Irina and Seth forge a friendship, they become intrigued by a series of mysterious gifts and letters sent to Alma, eventually learning about Ichimei and this extraordinary secret passion that has endured for nearly seventy years. Sweeping through time and spanning generations and continents, The

Japanese Lover is written with the same keen understanding of her characters that Isabel Allende has been known for since her landmark first novel *The House of the Spirits*. *The Japanese Lover* is a moving tribute to the constancy of the human heart in a world of unceasing change.

2014-07-08

the rise and fall of the mythical town of Macondo through the history of the Buendía family. It is a rich and brilliant chronicle of life and death, and the tragicomedy of humankind. In the noble, ridiculous, beautiful, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility -- the variety of life, the endlessness of death, the search for peace and truth -- these universal themes dominate the novel. Whether he is describing an affair of passion or the voracity of capitalism and the corruption of government, Gabriel García Márquez always writes with the simplicity, ease, and purity that are the mark of a master. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an accounting of the history of the human race.

Maria - Jorge Isaacs 1890

Terra Nostra - Carlos Fuentes 2003

One of the great masterpieces of modern Latin American fiction, Terra Nostra is concerned with nothing less than the history of Spain and of South America, with the Indian Gods and with Christianity, with the birth, the passion, and the death of civilizations. Fuentes skillfully blends a wide range of literary forms, stories within stories, Mexican and Spanish myth, and famous literary characters in this novel that is both a historical epic and an apocalyptic vision of modern times. Terra Nostra is that most ambitious and rare of creations—a total work of art.

A Room of One's Own - Virginia Woolf
2020-10-29

In October 1928 Virginia Woolf was asked to deliver speeches at Newnham and Girton Colleges on the subject of 'Women and Fiction'; she spoke about her conviction that 'a woman must have money and a room of her own if she is to write fiction'. The following year, the two speeches were published as *A Room of One's Own*, and became one of the foremost feminist texts. Knitted into a polished argument are several threads of great importance - women and learning, writing and poverty - which helped to establish much of feminist thought on the importance of education and money for women's independence. In the same breath, Woolf brushes aside critics and sends out a call for

solidarity and independence - a call which sent ripples well into the next century. 'Brilliant interweaving of personal experience, imaginative musing and political clarity' — Kate Mosse, *The Guardian* 'Probably the most influential piece of non-fictional writing by a woman in this century.' — Hermione Lee, *The Financial Times*

Nada - Carmen Laforet 2020-08-11

Renowned as Spain's *The Catcher in the Rye*, this passionate coming-of-age novel follows a rebellious college-age girl as she uncovers her family's secrets in chaotic, polarized, post-Civil War Barcelona. Andrea, an eighteen-year-old orphan, moves in with her volatile Barcelona relatives to attend the local University. Living in genteel squalor in a mysterious house on Calle de Aribau, Andrea relies on her wealthy, beautiful, bohemian friend Ena to prove that normal life exists beyond the gothic dwelling she calls home. In one year, as her innocence melts away, Andrea learns the truth about her overbearing and religious Aunt Angustias, her cruelly sensual, musically gifted uncle Román and his violent brother Juan, and her lovely Aunt Gloria, who provides the family's bread with furtive gambling expeditions. She also learns the truth about Ena—and why her friendship goes hand in hand with her interest in Andrea's family. Peppered with dark humor, energy, and hope, Carmen Laforet's stunning classic is the story of a young woman who endures the harsh realities of post-Civil War Barcelona, emerging wiser and stronger, and with a bright future ahead of her.

Things We Lost in the Fire - Mariana Enriquez 2017-02-21

In these wildly imaginative, devilishly daring tales of the macabre, internationally bestselling author Mariana Enriquez brings contemporary Argentina to vibrant life as a place where shocking inequality, violence, and corruption are the law of the land, while military dictatorship and legions of desaparecidos loom large in the collective memory. In these stories, reminiscent of Shirley Jackson and Julio Cortázar, three young friends distract themselves with drugs and pain in the midst a government-enforced blackout; a girl with nothing to lose steps into an abandoned house and never comes back out; to protest a viral form of domestic violence, a group of women set themselves on fire. But

alongside the black magic and disturbing disappearances, these stories are fueled by compassion for the frightened and the lost, ultimately bringing these characters—mothers and daughters, husbands and wives—into a surprisingly familiar reality. Written in hypnotic prose that gives grace to the grotesque, *Things We Lost in the Fire* is a powerful exploration of what happens when our darkest desires are left to roam unchecked, and signals the arrival of an astonishing and necessary voice in contemporary fiction.

L. Rigoberta Menchu - Rigoberta Menchu 2010-01-12

Now a global bestseller, the remarkable life of Rigoberta Menchú, a Guatemalan peasant woman, reflects on the experiences common to many Indian communities in Latin America. She learned Spanish and turned to catechistic work as an expression of political revolt as well as religious commitment. Menchú vividly conveys the traditional beliefs of her community and her personal response to feminist and socialist ideas. Above all, these pages are illuminated by the enduring courage and passionate sense of justice of an extraordinary woman.

Love and Pedagogy - Miguel de Unamuno 1996 "Love and Pedagogy," published in 1902 and revised in 1932, is the -transitional- novel in the canon of Miguel de Unamuno's fiction - the book in which he abandoned the documentary realism of his earlier work in favor of the interior portrayals of personality that came to characterize his later work. In deliberately applying William James' -stream of consciousness- concepts in this work, Unamuno made an early and significant contribution to the development of the modern psychological novel."

Huasipungo - Jorge Icaza 1973

The Villagers is a story of the ruthless exploitation and extermination of an Indian village of Ecuador by its greedy landlord. First published in 1934, it is here available for the first time in an authorized English translation. A realistic tale in the best tradition of the novels of social protest of Zola, Dostoevsky, José Eustasio Rivera, and the Mexican novels of the Revolution, *The Villagers* (*Huasipungo*) shocked and horrified its readers, and brought its author mingled censure and acclaim, when it was first published in 1934. Deeply moving in the dramatic intensity of its relentless evolution and stark human suffering, Icaza's novel has been translated into eleven foreign languages, including Russian and Chinese, and has gone through numerous editions in Spanish, including a revised and enlarged edition in 1953, on which this translation is based, but it has never before been authorized for translation into English. His first novel, but not his first published work, *The Villagers* is still considered by most critics as Icaza's best, and it is widely acclaimed as one of the most significant works in contemporary

Latin American literature. Thirty years after its original publication in Ecuador, *The Villagers* still carries a powerful message for the contemporary world and an urgent warning. The conditions here portrayed prevail in these areas, even today. *The Villagers* is an indictment of the latifundista system and a caustic picture of the native worker who, with little expectation from life, finds himself a victim of an antiquated feudal system aided and abetted by a grasping clergy and an indifferent government.

The Buried Mirror - Carlos Fuentes 1999
An exploration of Spanish culture in Spain and the Americas traces the social, political, and economic forces that created that culture.

In Cold Blood - Truman Capote 2013-02-19
Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories* Truman Capote's masterpiece, *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

Oblivion - Héctor Abad 2012-04-24
Oblivion is a heartbreaking, exquisitely written memorial to the author's father, Héctor Abad Gómez, whose criticism of the Colombian regime led to his murder by paramilitaries in 1987. Twenty years in the writing, it paints an unforgettable picture of a man who followed his

conscience and paid for it with his life during one of the darkest periods in Latin America's recent history.

Conversation in the Cathedral - Mario Vargas Llosa 2005-02-01

Through a complicated web of secrets and historical references, Mario Vargas Llosa analyzes the mental and moral mechanisms that govern power and the people behind it. More than a historic analysis, *Conversation in The Cathedral* is a groundbreaking novel that tackles identity as well as the role of a citizen and how a lack of personal freedom can forever scar a people and a nation.

Cecilia Valdés or El Angel Hill - Cirilo Villaverde 2005-09-29

Cecilia Valdés is arguably the most important novel of 19th century Cuba. Originally published in New York City in 1882, Cirilo Villaverde's novel has fascinated readers inside and outside Cuba since the late 19th century. In this new English translation, a vast landscape emerges of the moral, political, and sexual depravity caused by slavery and colonialism. Set in the Havana of the 1830s, the novel introduces us to Cecilia, a beautiful light-skinned mulatta, who is being pursued by the son of a Spanish slave trader, named Leonardo. Unbeknownst to the two, they are the children of the same father. Eventually Cecilia gives in to Leonardo's advances; she becomes pregnant and gives birth to a baby girl. When Leonardo, who gets bored with Cecilia after a while, agrees to marry a white upper class woman, Cecilia vows revenge. A mulatto friend and suitor of hers kills Leonardo, and Cecilia is thrown into prison as an accessory to the crime. For the contemporary reader Helen Lane's masterful translation of *Cecilia Valdés* opens a new window into the intricate problems of race relations in Cuba and the Caribbean. There are the elite social circles of European and New World Whites, the rich culture of the free people of color, the class to which Cecilia herself belonged, and then the slaves, divided among themselves between those who were born in Africa and those who were born in the New World, and those who worked on the sugar plantation and those who worked in the households of the rich people in Havana. Cecilia Valdés thus presents a vast portrait of sexual, social, and racial oppression, and the lived experience of Spanish colonialism in Cuba.
